Pine Flat Rodent Abatement

The Government anticipates issuing a Request for Quote (RFQ) with the intent of awarding a base year and four option years contract for Pine Flat Rodent Abatement.

Project Description: The purpose of this contracted project is to acquire services include but are not limited to the abatement of ground squirrels, gophers, and rabbits at Pine Flat Lake Park Headquarters, Pine Flat Dam, Island Park Campground, Deer Creek Point Group Areas, and Trimmer Campground.

This prospective contract action will be conducted using NAICS Code is 561710 – Exterminating and Pest Control Services. The size standard is $17.5 million. Product Service Code is S207 – Housekeeping- Insect/Rodent Control.

The solicitation will proceed as a 100% small business set-aside Lowest Price Technically Acceptable (LPTA) and is estimated to be issued on or about November 5, 2026, with quotes due tentatively on December 8, 2026. The RFQ will be issued on the Government Point of Entry known as www.SAM.gov and will establish a firm quote due date/time.

If applicable, the site visit date, time and location will be identified in the solicitation.

BE ADVISED THAT THIS PROJECT MAY BE DELAYED, CANCELLED OR REVISED AT ANY TIME DURING THE PRE-SOLICITATION, SOLICITATION, SELECTION, EVALUATION, NEGOTIATION AND/OR FINAL AWARD PROCESS.

The only INTERESTED VENDORS LISTS (plan-holder's/bidder's list) is available via SAM.gov. Contractors are responsible for self-identifying as interested vendors and viewing other interested vendors. Contractors should check SAM.gov frequently for any changes to the interested vendors list and notice.
