Market Research Questionnaire
Field Acquisition Office
Building and Facilities Section (B&F)
FDC Philadelphia, PA
Sources Sought - **15B21727PR000047**

The Federal Bureau of Prisons is conducting market research in accordance with Federal Acquisition Regulation, Part 10. A single solicitation will be issued for **Replace Boilers** at FDC Philadelphia, PA. The Federal Bureau of Prisons (FBOP), FDC Philadelphia located at 700 Arch Street, Philadelphia, PA 19106 intends to make a single award to a responsible entity that will provide all necessary equipment, labor, materials, and incidentals for **Replace Boilers.**

This market research questionnaire is for informational purposes only. The described requirement may or may not be included in the subsequent solicitation.

A summary of the requirements is as follows:

The contractor shall be responsible for providing all equipment, labor, materials, rigging, and incidentals necessary to remove and dispose of three (3) existing Unilux hot water heating boilers and to furnish and install three (3) new Unilux ZF-1000W-FE boilers. Work includes installation of three (3) Power Flame C5-GO-20BHTD dual-fuel burners with AutoFlame MK.8 linkageless controls; connection to the existing heating water supply and return piping, breeching, and electrical service; integration with the Building Automation System (BAS); hydrostatic pressure testing; burner start-up, test fire, and tuning; and staff training. One (1) boiler must remain fully operational at all times during construction. All new boilers shall be Unilux model ZF-1000W-FE or approved equal.

Access to the Statement of Work/Specifications and any other documents are located on SAM.gov under Notice ID 15B21727PR000047 and will require an active https://sam.gov vendor registration (login). Please note that the Statement of Work is subject to change. If you encounter problems accessing these documents, please contact the Federal Service Desk at 866-606-8220.
