vii. Description of Requirement: The United States Coast Guard Academy intends to solicit quotations for ballfield maintenance services at the Nitchman Field Complex in New London, Connecticut. The contractor shall provide all labor, supervision, materials, equipment, transportation, and incidentals necessary to maintain the Baseball, Softball, and track-and-field/practice soccer fields in accordance with NCAA specifications. Required services include seasonal late-winter/early-spring maintenance of the baseball and softball infields and turf areas, including scarifying, regrading, infield and warning-track material placement, lip removal, edging, rolling, turf repair, replacement and verification of home plates and pitching rubbers, baseline and mound adjustments, and bullpen and pitching-mound repairs. The contractor shall also perform June deep-tine hollow-core aeration and topdressing of all three fields.

viii. Anticipated dates and service period of performance will be outlined in the SOW

ix. The provision at FAR 52.212-1 Instructions to Offerors – Commercial Items (Aug 2025) (DEVIATION 25-21) applies to this acquisition and is further tailored in the ADDENDA of this combined synopsis/solicitation.

x. The provision at FAR 52.212-2 Evaluation – Commercial Items (Aug 2025) (DEVIATION 25-21) applies to this acquisition and is further tailored in the ADDENDA of this synopsis/solicitation.

xi. Clause at FAR 52.212-4 Contract Terms and Conditions – Commercial Products and Commercial Services
(Aug 2025) (DEVIATION 25-21) is applicable to this acquisition and additional addenda are contained herein.

xii. Additional terms and conditions applicable to this acquisition are contained herein.

xiii. The Defense Priorities and Allocations System (DPAS) is not applicable to this acquisition.

xiv. It is the **offeror's** responsibility to ensure their quote is received and complete by the QUOTE DUE DATE OF ***November 18, 2026*** *by* ***08:00am Eastern Standard Time (EST)****.* Offerors are hereby notified that if your quote is not received completely by the date, time, and location specified (see below) in this announcement, it may not be considered as compliant to the due date referenced above. Quotes shall be emailed to the following addresses: Kayla.L.Rex@uscg.mil.

xv. All questions shall be submitted on a PDF or Word document and submitted by email to Kayla.L.Rex@uscg.mil no later than ***November 11, 2026*** *by* ***08:00am Eastern Standard Time (EST)****.* Questions received after this deadline may not be addressed.

All questions and corresponding answers will be compiled and issued as an amendment or attachment to this RFQ so that all potential Quoters receive the same information.

Individual responses to questions will not be provided. It is the responsibility of all quoters to monitor for any amendments to this solicitation.

xvi. The Government reserves the right to cancel this notice at any time.

xvii. Contract type: Firm Fixed Price (FFP).

xviii. **The lowest price technically acceptable (LPTA) approach** will be used to determine the Government's best interests. Award will be made to the responsible offeror whose quote conforms to the solicitation, is determined technically acceptable, and has the lowest evaluated price. Technical acceptability will be evaluated on an acceptable/unacceptable basis. No tradeoff will be conducted.

Offerors understand that their quote is ranked by price and technical acceptance; however, pursuant to applicable acquisition regulations and/or departmental guidelines,

Buyers may use criteria other than price to evaluate offers. Accordingly, please note that, to the extent required by applicable regulations and/or guidelines, award will be made to the offeror responsible whose offer conforming to the combined synopsis/solicitation will be most advantageous to the Buyer and Government on the basis of price, technical capability, delivery.

Addenda

Addenda to FAR 52.212-1 Instructions to Offerors—Commercial Products and Commercial Services (Aug 2025) (DEVIATION 25-21) and FAR 52.212-2 Evaluation—Commercial Products and Commercial Services (Aug 2025) (DEVIATION 25-21).

The Government intends to award without discussions. Therefore, the offeror's initial proposal should contain the offeror's best terms from a price and technical standpoint. The Government reserves the right to conduct discussions if the Contracting Officer later determines them to be necessary.

A cover sheet (not to exceed one (1) page) shall be included for all submissions. The cover letter shall be included on Volume I and include the quoter's name and address; U.S. Coast Guard solicitation number; Unique Entity Identifier (UEI); CAGE number; quoter's point of contact including their phone number and e-mail address, and the date the quoter's submission expires. Minimum acceptable font size is no smaller than eleven (11) point and no smaller than ten (10) point for tables, charts, or graphs.

Volume I shall contain the quoter's technical approach for performing the requirements of this solicitation. The technical approach should clearly demonstrate the quoter's understanding of the requirement and proposed method for successful performance. Page limit (not including cover page) for Volume one is five (5) pages.

The Volume I page limitation will be strictly enforced. Pages exceeding the stated page limit will not be evaluated. For example, if the page limit for Volume I is five (5) pages and a quoter submits eight (8) pages, only the first five (5) pages will be evaluated. The remaining three (3) pages will be removed from consideration and will not be evaluated.

Volume II shall contain the quoter's complete price quote, including all pricing detail necessary to evaluate the quote. The price quote may be submitted as a separate document or as a separate, clearly identified section within the submission. Volume II is not subject to the Volume I technical-approach page limitation.

It is the quoter's responsibility to ensure sufficient time is provided for electronic submissions to be processed through the Government's electronic point-of-entry. The quoter shall acknowledge the solicitation and all amendments thereto.

Site visit information: **REQUIRED** to quote. Contact TA Peter Heavenor to schedule a date/time to visit site. Peter.J.Heavenor@uscg.mil (571) 607-3228. **THIS IS REQUIRED.**

Required site visit may be performed by the offeror's subcontractor.

Access to the Facility: Personnel are required to have "real" ID (Driver's License) with the star.

Evaluation Criteria

Basis of Award

The Government intends to award one order resulting from this solicitation to the proposer responsible whose offer conforming to the solicitation represents the Lowest Price Technically Acceptable LPTA.

Technical Acceptance: To be considered technically acceptable, the quoter must demonstrate an understanding of, and ability to perform, all requirements in the Statement of Work, including providing qualified personnel, supervision, labor, materials, equipment, and transportation necessary to maintain the Nitchman Field Complex baseball, softball, and track-and-field/practice soccer fields to NCAA specifications. The quotation must address the contractor's proposed approach for seasonal skinned-area and turf maintenance; regrading, material placement, lip removal, edging, rolling, and repairs; maintenance and replacement of home plates, pitching rubbers, bases, mounds, and bullpens; and June aeration and topdressing. The quoter must also identify a Project Manager and alternate(s), confirm availability during required operating hours and response within two hours to COR notifications, and demonstrate the ability to provide required project plans, reports, and deliverables within the SOW-established timeframes.

Lowest price.

Note: ALL QUOTES ALL BE COMPLIANT TO THE SCOPE OF WORK

- Offerors understand that their quote is ranked by price and technical acceptance. However, pursuant to applicable acquisition regulations and/or departmental guidelines, Buyers may use criteria other than price to evaluate offers. Accordingly, please note that, to the extent required by applicable regulations and/or guidelines, award will be made to the offeror responsible whose offer conforming to the solicitation will be most advantageous to the Buyer on the basis of price, technical capability, delivery, compatibility to meet the specification within the SOW.
