Project Name: Modular Buildings & Restroom Rental with Ancillary Services

#	General	Technical	Question	Answer	Date
1	X		Section E (Addendum to 52.212-1) asks for submission through the GSA eBuy Portal, and 52.212-2 refers to an order under MAS SIN 532490P. The SAM.gov notice describes the acquisition as unrestricted full and open. Will the Government accept quotations by email to WFL.Purchasing@dot.gov from responsible vendors registered in SAM.gov who do not hold a GSA Schedule (MAS) contract?	YES. This is a typo in Section E and will be corrected in Amendment 0001	2-Nov-2026
2	X		For Factor 2C (Relevant Past Experience), may an offeror meet the minimum of five years of relevant experience within the last seven years using the experience of its proposed subcontractor(s) or major supplier(s), for example the firm supplying and servicing the modular units?	YES. Submission of subcontractor relevant experience would be required for evaluation	2-Nov-2026
3	X		May an offeror rely on a proposed subcontractor's experience and past performance for Factor 2C (Proof of Experience) and Factor 3 (Past Performance)? If so, what documentation is required?	Past Experience: YES (see the response to question 2) Past Performance: NO. You may not rely on subcontractor performance only. Past performance information for the prime AND the subcontractor would be required.	2-Nov-2026
4		X	Does title to the leased modular units and restroom trailer remain with the contractor, notwithstanding FAR 52.212-4(n)?	YES. We are only leasing, not purchasing so no tital transfer is required.	2-Nov-2026
5	X		The questions deadline on the cover appears as "19-MOV-2026", and the Addendum and the Past Performance Questionnaire show different subject lines. Please confirm the questions due date/time and the correct PPQ subject line	This is a typo in both instances and will be corrected in Amendment 0001	2-Nov-2026
6	X		Is this requirement limited to GSA Multiple Award Schedule (MAS) holders? If not, please confirm the submission method for offerors without a GSA schedule.	NO. Open Market Full and Open. See the response to question 1	2-Nov-2026
