This announcement constitutes a solicitation; quotes are being requested. The location for delivery and/or location of services is located at -

FWS Spring Creek NFH, 61552 State Road 14, Underwood, WA 98651-9000.

This Request for Quotation (RFQ) is a **total small business set aside** and is conducted under the procedures of FAR Part 12, incorporating provisions and clauses in effect through Federal Acquisition Circular 2026-01. The NAICS Code is –

238990 All Other Specialty Trade Contractors- Building and Property Specialty Trade Services $19M, and the Primary Product/Service Code is N035 Installation of Equipment Service and Trade Equip.

This requirement is being solicitated, and an award will be made in accordance with Revolutionary FAR Overhaul (RFO) FAR Part 12, Acquisition of Commercial Products and Commercial Services. Buyer intends to issue award using a purchase order. Quotes from Sellers unable to accept purchase orders will not be considered for award. This is a combined synopsis and solicitation; a separate solicitation will not be issued. This is a solicitation for commercial services prepared in accordance with RFO FAR Part 12 and with the format in applicable streamlined solicitation procedures, as supplemented with additional information included in this notice.

Evaluation Factors

The Government will award a contract to the vendor whose quote meets the solicitation requirements and provides the best overall value to the Government. Consistent with FAR 12.203(c)(2), the Government will use a comparative evaluation process, meaning quotes will be evaluated against each other on a factor-by-factor basis rather than against a predetermined rating scale. The Government will not assign adjectival ratings. In addition, the Government is not required to establish a competitive range or conduct formal discussions before making an award decision.

The Government will evaluate quotes based on the following factors:
The evaluation factors are Technical Capability, Experience and Price. When combined technical capability and experience are more important than price.

Instructions to Quoters

Demonstrate your company's technical capability and knowledge as they relate to the tasks described in the SOW. Provide three examples of recent and relevant experience. Recent being within the last 5 years and relevant being similar in size and scope to this project. Examples should include the contract number, brief description of the project, dollar amount, dates of project, Point of Contact (POC) and phone number or email. You must complete and submit the attached BID SCHEDULE. Award will be made to a responsible source pursuant to FAR subpart 9.1. Refer to FAR provision 52.212-1, Instructions to Offerors – Commercial ***Products and Commercial Services***, which is incorporated by reference as tailored by this notice pursuant to FAR 12.302.

Instructions to Quoters – Commercial Products and Commercial Services for additional submission guidance. In order to have a quote considered for award, respondents must be registered at the System for

Award Management (SAM) website (https://www.sam.gov) as an active vendor by the time an award decision is required.

C – Contract Clauses

DOI ELECTRONIC INVOICING Electronic Invoicing and Payment Requirements - Invoice Processing Platform (IPP) (February 2021)

Payment requests must be submitted electronically through the U. S. Department of the Treasury's Invoice Processing Platform System (IPP).

"Payment request" means any request for contract financing payment or invoice payment by the Contractor. To constitute a proper invoice, the payment request must comply with the requirements identified in the applicable Prompt Payment clause included in the contract, or the clause 52.212-4, Contract Terms and Conditions - **Commercial Products and Commercial Services**, included in commercial acquisitions. The IPP website address is: https://www.ipp.gov.

Under this contract, the following documents are required to be submitted as an attachment to the IPP invoice [Contracting Officer to edit and include the documentation required under this contract]:

The Contractor must use the IPP website to register access and use IPP for submitting requests for payment. The Contractor Government Business Point of Contact (as listed in SAM) will receive enrollment instructions via email from the Federal Reserve Bank of St. Louis (FRBSTL) within 3 - 5 business days of the contract award date. Contractor assistance with enrollment can be obtained by contacting the IPP Production Helpdesk via email IPPCustomerSupport@fiscal.treasury.gov or phone (866) 973-3131.

If the Contractor is unable to comply with the requirement to use IPP for submitting invoices for payment, the Contractor must submit a waiver request in writing to the Contracting Officer with its proposal or quotation.

(End of Local Clause)

52.217-8 (if applicable) Option To Extend Services. (NOV 1999)

The Government may require continued performance of any services within the limits and at the rates specified in the contract. These rates may be adjusted only as a result of revisions to prevailing labor rates provided by the Secretary of Labor. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within 15 days.

(End of clause)

52.217-9 (if applicable) Option To Extend the Term of the Contract. (MAR 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor within 15 days; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 30 days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 5 years.

(End of clause)

52.222-90 Addressing DEI Discrimination by Federal Contractors (DEVIATION MAR 2026)

(a) *Definitions*. As used in this clause—

Program participation means membership or participation in, or access or admission to: training, mentoring, or leadership development programs; educational opportunities; clubs; associations; or similar opportunities that are sponsored or established by the contractor or subcontractor.

Racially discriminatory diversity, equity, and inclusion (DEI) activities means disparate treatment based on race or ethnicity in the recruitment, employment (e.g., hiring, promotions), contracting (*e.g.*, vendor agreements), program participation, or allocation or deployment of an entity's resources.

(b) In connection with the performance of work under this contract, the Contractor agrees as follows:

(1) The Contractor will not engage in any racially discriminatory DEI activities;

(2) The Contractor will furnish all information and reports, including providing access to books, records, and accounts, as required by the Contracting Officer, for purposes of ascertaining compliance with this clause;

(3) In the event of the Contractor's or a subcontractor's noncompliance with this clause, this contract may be canceled, terminated, or suspended in whole or in part, and the Contractor or subcontractor may be declared ineligible for further Government contracts;

(4) The Contractor will report any subcontractor's known or reasonably knowable conduct that may violate this clause to the Contracting Officer and take any appropriate remedial actions directed by the Contracting Officer; and

(5) The Contractor will inform the Contracting Officer if a subcontractor sues the Contractor and the suit puts at issue, in any way, the validity of this clause.

(6) The Contractor recognizes that compliance with the requirements of this clause are material to the Government's payment decisions for purposes of 31 U.S.C. 3729(b)(4).

(c) The Contractor must include the substance of this clause, including this paragraph (c), in subcontracts at any tier, including those for commercial products and commercial services, except those where the place of delivery or performance is outside the United States.

(End of clause)

52.252-2 Clauses Incorporated by Reference. (FEB 1998)

D – Solicitation Provisions

52.212-2 Evaluation - Commercial Products and Commercial Services. (DEVIATION MAR 2026)

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

- Technical experience, capacity, and expertise to perform the required tasks within the period of performance and to meet all goals and objectives on schedule. Demonstrated experience with Hazardous Fuel Reduction Services, **specifically within the size, location, and proximity of the current requirement.**

- Technical approach to performing the required tasks as described in the statement of work addendum within the period of performance. The proposal shall include a narrative explaining how the work will be carried out in terms of the techniques, procedures, and schedule.

- Management Plan: Key Personnel shall be addressed and identified in proposals to be considered responsive. If use of a Subcontractor is part of your response to the solicitation, they should be identified in the response to the solicitation.

- Past performance. The proposal shall include three examples of successful, timely completion of similar work. The examples may come from federal, state, or local government. A Past Performance Questionnaire is attached to this solicitation. The following information shall be included:
    - Name of the job (to include address)
    - Project Prime's name
    - Issuing agency or company
    - Contract/Identification number
    - Start and completion dates
    - Brief description of the scope of work
    - How the work is substantially similar to the proposed project
    - No less than two (2) valid references that includes: Agency name, Point of Contact, Phone Number, Email Address

- Technical Capabilities & Past Performance when combined is **significantly more than price**.

(b) *Options*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

(End of provision)

52.252-1 Solicitation Provisions Incorporated by Reference. (FEB 1998)

This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. The offeror is cautioned that the listed provisions may include blocks that must be completed by the offeror and submitted with its quotation or offer. In lieu of submitting the full text of those provisions, the offeror may identify the provision by paragraph identifier and provide the appropriate information with its quotation or offer. Also, the full text of a solicitation provision may be accessed electronically at this/these address(es):
