Additional Information/Notes

1. The Army Contracting Command - Rock Island Arsenal (ACC-RIA) hereby issues solicitation W519TC27QA032 for the procurement of Washers in support of the Rock Island Arsenal, Joint Manufacturing and Technology Center (RIA-JMTC) and is issued in accordance with Revolutionary Federal Acquisition Regulation (FAR) Overhaul (RFO) Part 12 (Acquisition of Commercial Products and Commercial Services).

The Government intends to award one Firm Fixed Price purchase order to the lowest priced, responsive and responsible contractor whose quote conforms to the terms and conditions of this solicitation. The contractor shall provide a completed Section B - Supplies or Services Prices or Costs by inputting the Unit Price and Total amount for each Item (rounded to two decimals). Pricing should be in accordance with the information on the Contract Line Item Number (CLIN), include FOB destination to the location found in Section E., and paid by the contractor). Contractor's responsibility will be determined as outlined in RFO FAR 9.104-1. The Government intends to evaluate proposals and issue an award without discussion with Offerors (except for clarifications as described in RFO FAR 15.306).

Quotes shall be prepared and authorized by a person(s) regularly employed by the contractor. The quote shall state the name of each person(s) contributing to the authorship of the quote, the person(s) position /title, phone number, and an email address for the person who should be contacted if an award is to be made. The quote should be prepared in a clear, legible, practical manner. In addition, the quote shall be written in English and should be specific and complete. The solicitation should be emailed to the POCs listed below.

2. Drawings are referenced for this solicitation as Attachment: A03_QA Requirement Checklists & Drawings

Please note, access to the drawings must be requested through SAM.gov. Questions about Contract Opportunities within SAM.gov system should be addressed with the GSA helpdesk on the bottom right-hand side of the SAM.gov page where it states "Customer Service" and then "Federal Service Desk" or try (866)606-8220.

3. Certificate of Conformance is required and must accompany ALL deliveries.

4. Quote MUST include all costs, including shipping to the address found in Section E.

5. Invoicing must be done via the Wide Area Work Flow (See DFAR 252.232-7006).

6. Early delivery is acceptable if at no cost to the Government.

On time delivery is critical. Therefore, the contractor must adhere to the delivery requirements indicated in the resulting award. Failure to comply with the contractual delivery schedule after award may result in termination of the award or require consideration if the Government elects to extend your delivery schedule. The Government is not obligated to extend your delivery if you encounter delays. The non-availability of raw materials, subcontractor issues, scheduling conflicts, etc., are not considered acceptable delays/excuses for the failing to meet the contractual delivery schedule. If there is going to be a delay in delivery, the contractor is required to notify the Contracting Officer designated in the award at least 10 days prior to being late. Such notification shall include the contractor's reasons for delay, proposed revised schedule, and the contractor's offered consideration for the delay should the Government elect to extend.

**Contractor shall package all shipments to RIA-JMTC IAW standard commercial guidelines.

NOTE RECEIVING HOURS OF OPERATION Monday-Friday, 6:30am to 2:00pm Central Time. Deliveries before or after the above stated hours will be turned away. Appointments are not necessary. For directions call: (309)782-8539 (Automated).

All other formats will be rejected. See DFARS 252.232-7003 and 252.232-7006 for additional invoicing guidance. Early delivery is acceptable if at no cost to the Government.

9. INSTALLATION ACCESS INFO: Rock Island Arsenal (RIA) Visitor Access Passes are issued to individuals, not companies or groups. All visitors, to include transportation and freight services, official and unofficial, are highly suggested to pre-register at least three (3) business days prior to their visit. Pre-registration of visitors allows for the national Crime Information Center NCIC-III background check to be conducted prior to the individual arriving at RIA, reducing their wait time upon arrival. It is the responsibility of the prime contractor to ensure that this information is passed along to any subcontractor or transportation provider used during the performance of this purchase order. DRIVERS WHO DO NOT MEET THE INSTALLATION ACCESS REQUIREMENTS WILL NOT BE ALLOWED ON THE INSTALLATION AND WILL BE TURNED AWAY.

The Visitor Access Form, instructions, and "How Do I Get On Post?" flowchart can be found at https://home.army.mil/ria/about/visitory-information, click on Pass Request Information (missile right), to Visitor Access Form. All visitors must process through the Moline Visitor Center Gate (I-74) off of River Drive in Moline, IL. (a) Definitions. As used in this clause-

Long-term contract means a contract of more than five years in duration, including options. Small business concern-

(2) Affiliates, as used in this definition, means business concerns, one of whom directly or indirectly controls or has the power to control the others, or a third party or parties control or have the power to control the others. In determining whether affiliation exists, consideration is given to all appropriate factors including common ownership, common management, and contractual relationships. SBA determines affiliation based on the factors set forth at 13 CFR 121.103.

(b) If the Contractor represented that it was a small business concern, a small disadvantaged business concern, or a joint venture that was any of the small business concerns identified in 19.000(a)(3) prior to award of this contract, the Contractor shall rerepresent its size and socioeconomic status according to paragraph (e) of this clause or, if applicable, paragraph (g) of this clause, upon occurrence of any of the following:

(2) Within 30 days after a merger or acquisition that does not require a novation or within 30 days after modification of the contract to include this clause, if the merger or acquisition occurred prior to inclusion of this clause in the contract.

(3) For long-term contracts-

(i) Within 60 to 120 days prior to the end of the fifth year of the contract; and

(ii) Within 60 to 120 days prior to the date specified in the contract for exercising any option thereafter.

(c) The Contractor shall rerepresent its size status in accordance with the size standard in effect at the time of this rerepresentation that corresponds to the North American Industry Classification System (NAICS) code(s) assigned to this contract. The small business size standard corresponding to this NAICS code(s) can be found at https://www.sba.gov/document /support--table-size-standards.

(d) The small business size standard for a Contractor providing an end item that it does not manufacture, process, or produce itself, for a contract other than a construction or service contract, is 500 employees, or 150 employees for information technology value-added resellers under NAICS code 541519, if the acquisition-

(1) Was set aside for small business and has a value above the simplified acquisition threshold;

(2) Used the HUBZone price evaluation preference regardless of dollar value, unless the Contractor waived the price evaluation preference; or

(3) Was an 8(a), HUBZone, service-disabled veteran-owned, economically disadvantaged women-owned, or women-owned small business set-aside or sole-source award regardless of dollar value.

(e) Except as provided in paragraph (g) of this clause, the Contractor shall make the representation(s) required by paragraph (b) of this clause by validating or updating all its representations in the Representations and Certifications section of the System for Award Management (SAM) and its other data in SAM, as necessary, to ensure that they reflect the Contractor's current status. The Contractor shall notify the contracting officer in writing within the timeframes specified in paragraph (b) of this clause, that the data have been validated or updated, and provide the date of the validation or update.

(f) If the Contractor represented that it was other than a small business concern prior to award of this contract, the Contractor may, but is not required to, take the actions required by paragraphs (e) or (g) of this clause.

(g) If the Contractor does not have representations and certifications in SAM, or does not have
