Section C - Description/Specifications/Statement of Work

PERFORMANCE WORK STATEMENT (PWS)

FOR

2026-2027 Army Continuing Medical Education (CME) Reaccreditation

1. GENERAL

The Office of the Surgeon General (OTSG), Medical Education Directorate (MEDED) has formal oversight of Continuing Medical Education (CME) for Medical Corps (MC) officers. The CME Office currently holds Accreditation Council for Continuing Medical Education (ACCME) Accreditation with Commendation. The current accreditation will expire at the end of November 2027. The contractor shall provide consultative assistance and recommendations for the U.S. Army Medical Command (MEDCOM) and MEDED to attain the goal of a six-year reaccreditation.

1.1 NON-PERSONAL SERVICES

1.1.1 This is a non-personal services requirement. The Government shall not exercise any supervision or control over the contract service providers (CSPs) performing the services herein. Such CSPs shall be accountable solely to the Contractor who, in turn, is responsible to the Government.

1.2 BACKGROUND

1.2.1 The U.S. Army Medical Department's (AMEDD) headquarters organizations are the office of the Army Surgeon General and the U.S. Army Medical Command (MEDCOM). The Office of the Army Surgeon General, Medical Education Directorate (MEDED) is the program office. The program office has formal oversight of CME for the MC officers through the delivery of numerous training courses, conferences, leadership development and other educational requirements conducted worldwide. MEDED is responsible for being the sole American Medical Association/Physician Recognition Award (AMA/PRA) Category 1 provider of CME credits for the AMEDD.

1.3 SCOPE OF WORK

1.3.1 The contractor shall provide guidance to the CME staff regarding the Army's adherence to the ACCME requirements to support the preparation for the reaccreditation Interview to be held in 2027. The contractor shall provide advisory services according to the technical needs, work outcomes and performance objectives consistent with developing the following:

- A plan to evaluate current continuing medical education program management, and ensure compliance with the ACCME standards and practices;

- Educational tools and appropriate resources for the Army's Stakeholders (physicians and medical facilities) to improve our automated CME system and to ensure compliance with the ACCME standards and practices; and

- Assistance in developing the ACCME Self Study Report detailing all aspects of the Army MEDCOM's CME program as required for accreditation by the ACCME.

1.3.2 The Contractor shall assist MEDED in the efficient and effective management of the CME program, with an emphasis on achieving a six-year reaccreditation, and to develop a framework for continued CME operations. The contractor shall provide technical expertise and consultative services. These services include instructing CME program offices through the AMEDD on CME best practices; assisting the CME team in incorporating adult learning principles into CME activities; recommending changes to the existing program to maximally comply with ACCME standards and developing the Self Study for the accreditation with assistance from MEDED.

1.3.3 Throughout the contract, the Contractor shall furnish creative approaches and implement approved strategies based on professional experience, reflecting how work objectives, technical needs, and support levels will be met. The objectives of this contract are to provide consultative assistance, document preparation, and written guidance and analysis to support the continuum of medical education and attain a six-year ACCME reaccreditation.

1.3.4 The contractor shall provide all required facilities, personnel, supervision, non-personal services, transportation, equipment, tools, materials, supplies, and other items necessary as defined in the PWS. All services shall be executed at the contractor's location.

1.3.5 Post Award Conference/Periodic Progress Meetings: The Contractor shall attend any post award conference convened by the contracting activity or contract administration office in accordance with Federal Acquisition Regulation Subpart 42.5. The Contracting Officer (KO) , Contracting Officer's Representative (COR), and the Government personnel, as appropriate.

1.4 GENERAL INFORMATION

1.4.1 The Contracting Officer Representative (COR): The COR will be the functional representative of the (KO) who assists in monitoring contact performance.

1.4.1.1 The COR monitors all technical aspects of the contract and assists in contract administration. The COR is authorized to perform the following functions: assure that the Contractor performs the technical requirements of the contract; perform inspections necessary in connection with contract performance; maintain written and oral communications with the Contractor concerning technical aspects of the contract; issue written interpretations of technical requirements, including Government drawings, designs, specifications; monitor Contractor's performance and notifies both the KO and Contractor of any deficiencies; coordinate availability of Government furnished property, and provide site entry of contractor personnel, reviews and ensures invoice accuracy. A letter of designation issued to the COR, a copy of which is sent to the Contractor, states the responsibilities and limitations of the COR, especially with regard to changes in cost or price, estimates or changes in delivery dates. The COR is not authorized to change any of the terms and conditions of the resulting order.

1.4.2 Type of Contract: The government anticipates awarding a Fixed Firm Price FFP) contract.

1.4.4 The Contractor is not required to perform services on these days:

New Year's Day	1st day of January
Martin Luther King Jr. Day	3rd Monday of January
Presidents Day	3rd Monday of February
Memorial Day	Last Monday of May
Juneteenth	19th day of June
Independence Day	4th day of July
Labor Day	1st Monday of September
Columbus Day	2nd Monday of October
Veterans Day	11th day of November
Thanksgiving Day	4th Thursday of November
Christmas Day	25th day of December

1.4.5 Quality Control (QC): The Contractor shall develop and maintain an effective quality control program to ensure services are performed in accordance with this PWS. The Contractor shall develop and implement procedures to identify, prevent and ensure non-recurrence of defective services. The Contractor's quality control program is the means by which he assures himself that his work complies with the requirements of the contract. At a minimum, the Contractor shall develop quality control procedures that address the areas identified in Technical Exhibit A "Performance Requirements Summary". After acceptance of the quality control plan the Contractor shall receive the Contacting Officer's acceptance in writing of any proposed change to his QC system. The Contractor shall submit a QC plan to the Contracting officer and the Executive Officer of the Directorate of Medical Education, Tammy Hoppe, who is the COR 10 days after contract award.

1.4.6 Quality Assurance: The Government shall evaluate the Contractor's performance under this contract in accordance with the Quality Assurance Surveillance Plan. This plan is primarily focused on what the Government must do to ensure that the Contractor has performed in accordance with the performance standards. It defines how the performance standards will be applied, the frequency of surveillance and the minimal acceptable defect rate(s).

1.4.7 Government Remedies: The Contracting Officer shall follow FAR 52.212-4, "Contract Terms and Conditions-Commercial Items" or 52.246-4, "inspection of Services - Fixed Price" for Contractor's failure to perform satisfactory services or failure to correct non-conforming services.

1.4.8 Proprietary Rights: The Government has unlimited rights to all code/documents/materials produced under this contract. All documents and materials, to include source code for any software, produced under this contract shall be Government owned and are the property of the Government with all rights and privileges of ownership/copyright

belong exclusively to the Government. These documents and materials may not be used or sold by the Contractor without written permission from the Contracting Officer. All materials, including but not limited to, all software, analyses, reports, documentation, briefings, etc. in any medium or format, developed and conducted supplied to the Government, shall be the sole property of the Government and may not be used for any other purpose. The Government will retain sole right to use, distribute, and/or publish these products, data and items as it sees fit. This right does not abrogate any other Government rights under the applicable Data Rights clause, DFARS 252.227-7020.

Release of any such information to personnel or organizations outside MEDCOM will be done on a case-by-case basis with approval by the COR.

1.4.9 ACCOUNTING FOR CONTRACT SERVICES

The office of the Assistant Secretary of the Army (Manpower & Reserve Affairs) operates and maintains a secure Army data collection site where the Contractor shall report ALL Contractor manpower (including subcontractor manpower) required or performance of this contract. The Contactor is required to completely fill in all information in the format using the following web address https://contractormanpower.army.pentagon.mil The required information includes:

a) Contracting Office, Contracting Officer, Contracting Officer's Representative

b) Contract number, including task and delivery order number

c) Reserved

d) Contractor name, address, phone number, e-mail address, identity of Contractor employee entering data

e) Estimated direct labor hours (including subcontractors)

f) Estimated direct labor dollars paid this reporting period (including subcontractors)

g) Total payments (including subcontractors)

h) Predominant Federal Service Code (FSC) reflecting services provided by the Contractor (and separate predominant FSC for each subcontractor if different)

i) Estimated data collection costs

j) Organizational title associated with the Unit Identification Code (UIC) the Army Requiring Activity (The Army Requiring Activity is responsible for providing the Contractor with its UIC for the purpose of reporting this information. W3VYAA

k) Locations where Contractor and subcontractor perform the work (specified by zip code in the United States and nearest city, country, when in an overseas location, using standardized nomenclature on website.

l) Presence of deployment or contingency contract language

m) Number of Contractor and subcontractor employees deployed in theater this reporting period (by country).

Reporting period will be the period of performance, not to exceed 12 months ending September 30 of each Government fiscal year and must be reported by 31 October of each calendar year. Contractors may use XML data transfer to the database server or fill in the fields on the website. The XML direct transfer is a format or transferring files from a Contractor's systems to the secure webs site without the need for separate data entries for each required data element at the website. The specific formats for the XML direct transfer may be downloaded from the web.

1.4.10 INVOICING: The government is not obligated to reimburse the Contractor for costs incurred in excess of the total amount funded on this task by the Government; and the Contractor is not obligated to continue performance under this order or otherwise incur costs more than the total amount funded under this order.

1.4.11 SECURITY REQUIREMENTS

1.4.111.1 This is an unclassified contract. There are no requirements for Contractor employees to have access to classified Government information in the performance of this contract. Contractors will not have access to a government facility.

1.4.11.2 Privacy Act. Access to information subject to the provisions of the Privacy Act is not required.

1.4.11.3 Security In-Briefing. Not required, no access to a government facility or network. A secret clearance is not required. No access to classified information is required or authorized by contractor. Contractor personnel must be U. S. citizens.

2. DEFINITIONS

Contracting Officer's Representative (COR): A representative from the requiring activity assigned by the Contracting Officer (KO) to perform surveillance and to act as liaison to the contractor.

Defective Service: A service output that does not meet the standard of performance associated with it in the PWS.

Quality Assurance Surveillance Plan (QASP): An organized written document specifying the surveillance methodology to be used for surveillance of contractor performance.

Quality Control: Those actions taken by a contractor to control the performance of services so that they meet the requirements of the PWS.

Quality Assurance: Those actions taken by the government to assure services meet the requirements of the PWS.

3. GOVERNMENT FURNISHED ITEMS AND SERVICES

3.1 GENERAL

3.1 The Government shall furnish and provide the Contractor with access to information and necessary points of contact to perform the services required under this PWS.

3.1.2 The Government shall provide access to non-procurement sensitive documentation, information on Government-owned systems and activities to facilitate the Contractors' review and analysis, as required. Information will include reports, briefings, source system screen shots and other reference materials.

3.1.3 The Government shall provide the Contractor with timely information, to include access to unclassified Government information required for the completion of this effort and facilitate Contractor personnel interfaces with other MEDED, MEDCOM, CME, Army or DoW staff, service staff and agency offices as required to complete this effort.

4. CONTRACTOR FURNISHED ITEMS, SERVICES AND RESPONSIBILTIES

4.1 The contractor shall furnish all supplies/materials, equipment, facilities and services required to perform the work under this contract that are not listed under Section 3 of this statement.

4.2 PERSONNEL

4.2.1 Personnel Experience. Personnel assigned to this project must possess expert knowledge, skills and abilities to support the project. Project schedule and delays shall not be attributed to lack of skills and experience. At any time during the performance of this task order, the Contractor may be directed to immediately remove any contractor personnel whose actions or work location is impairing the efficiency or performance of the requirements. Technical project personnel must possess, or have as a minimum the equivalent of a Masters Degree in Management or Education or a minimum of ten (10) years' work experience in the Continuing Medical Education field; prior successful experience with CME/CE accreditation/reaccreditation with the Federal Government and the U.S. Department of War organizations that are accredited by the ACCME or the Joint Accreditation; twenty (20) or more ACCME or Joint Accreditation Self-Studies per year for at least ten (10) years; experience in working with hospital systems containing twenty (20) or more hospitals or clinical units and coordinating their input into self-studies; extensive knowledge of the CME process (accreditation and reaccreditation), the ACCME Accreditation Requirements (which encompasses the Accreditation Criteria, Standards of Integrity and Independence in Accredited Continuing Education and the ACCME Policies), the AMA/PRA credit system and its accreditation requirements; one or more members of the consulting team must previously have been an ACCME surveyor; multiple members of the consultant team must have Certified Healthcare CPD Professional (CHCP) certification; proficiency with evaluation analysis include subjective and objective data; must have knowledge of the criteria for ACCME compliance; and a 90%+ level of positive results defined as Accreditation with Commendation and no negative results such as loss of accreditation or probation.

4.2.1.1 The Contractor shall be responsible for providing staff at a level necessary to perform the required work as set forth in the PWS.

4.2.1.2 All Contractor personnel shall be fluent in the English language and can read, write, and comprehend technical documentation. All personnel shall have demonstrated experience in using computer software in their respective jobs.

4.2.1.3 Contract Manager. The Contractor shall provide a contact manager who shall be responsible for the performance of the work. The name of this person and an alternate who shall act for the Contractor when the manager is absent shall be designated in writing to the contracting officer. The contract manager or alternate shall have full authority to act for the Contractor on all contract matters relating to daily operations of this contract.

4.2.1.4 The Contractor shall designate an individual as the Acting Project Manager (PM) in the event the PM will be temporarily absent for more than one day, the contractor shall provide the COR two weeks notification for approval of any anticipated permanent change of the PM.

4.2.1.5 Identification of Contractor Employees: All contract personnel attending meetings and working in other situations where their contractor status is not obvious to third parties are required to identify themselves as such to avoid creating an impression in the minds of members of the public that they are Government officials. Contractor shall also ensure that all documents or reports produced by contractors are suitably marked as Contractor products or that Contractor participation is appropriately disclosed

5. DESCRIPTION OF WORK

5.1 BASIC SERVICES

The Contractor shall provide guidance to the CME team regarding the Army's adherence to ACCME policies and procedures which include the Accreditation Criteria and Standards for Integrity and Independence in Accredited Continuing Education to support the preparation for the reaccreditation interview to be held in 2027. The Contractor shall provide consultative assistance and recommendations for the U.S. Army MEDCOM and MEDED to attain the goal of a six-year reaccreditation. The Contractor shall perform advisory services according to the technical needs, work outcomes and performance objectives consistent with developing the following functional areas, but not limited to, are included:

- Review of current CME operations and policies to ensure compliance with ACCME policies;
- Development of procedures to improve CME services and accreditation practices;
- Development of a Self Study Report of the current program;
- Recommend changes to existing automation ensuring CME offices comply with ACCME best practices; and
- Oversight to create recommendation training and reaccreditation solutions.

5.1.1 Contract Kickoff Meeting with MEDED, principles and contractor assessment personnel. Contractor shall provide meeting minutes to include proposed project timeline.

5.1.1.1 The Contractor shall perform a review of current levels of compliance through a virtual audit of current practices. The virtual audit shall concentrate on the planning process for CME activities, the process for identifying relevant financial relationships of all persons that affect the content of CME, strategies to mitigate those relevant financial relationships, and current interactions with military treatment facilities (MTFs) in the planning process. The audit shall also assess current evaluation processes focusing on the measurement of competence, performance, and patient outcomes.

5.1.1.2 The Contractor shall provide written required modifications to noncompliance policies and practices. Contractor shall advise in writing when other issues emerge during the analysis of the process management functions of the CME program.

5.1.1.3 The Contractor findings shall be discussed with MEDED and if required, incorporated into the Self Study. MEDCOM shall determine which 8 criteria will be the basis of the self study and ensure that documentation exists to demonstrate compliance.

5.1.1.4 The Contractor shall obtain, review, search, and extract data from up to ten (10) existing CME records; record findings of this audit in the ACCME surveyor format and provide to MEDED via hard copy and electronically.

5.2 PREPARATION OF SECTIONS (CHAPTERS OF THE ACCME SELF STUDY REPORT

The ACCME Self Study Report is a document which records MEDCOM's compliance with the ACCME's accreditation requirements and analyzes the degree to which the CME program is meeting its mission, including the identification and implementation of plans to improve the program. The Self Study Report incorporates five chapters that provide criteria for accreditation, the new Standards for Integrity and Independence and a special section containing the AMA PRA statements from each of the 15 activities selected for performance in practice.

5.2.1 The Contractor shall draft the 6 sections (chapters) of the self study report. MEDED to markup and track changes, conduct MS Teams-based meeting(s) as needed to discuss, and finalize each chapter.

- In Introduction and Prologue
- CME Mission and Program Improvement
- CME Activity Planning and Evaluation (Gaps and needs, internal results, formats and competencies)
  - Organized in two parts, Educational Planning and Improvement
- The Standards for Integrity and Independence
- Recordkeeping
- The AMA/PRA Statements

5.2.2 The Contractor shall provide MEDED with the electrons of the finalized chapters of the self study report. MEDED will upload the documents into PARS for submission two working days prior to the reporting date assigned by the ACCME.

5.3 PREPARATION OF MATERIALS FOR THE COMMENDATION CRITERIA

MEDED shall seek Accreditation with Commendation for the reaccreditation.

5.3.1 The Contractor shall review the current requirements and evidence needed for each potential commendation criteria and to assist MEDED in the selection of the eight criteria.

5.3.2 The Contractor shall provide oversight to ensure that evidence of compliance for the eight activities per criterion is assembled.

5.3.3 The Contractor shall draft the commendation chapter of the self study. MEDED to markup and track changes, conduct MS-Teams based meeting(s).

5.3.4 The Contractor shall provide MEDED with the electrons of the finalized chapter of the self study report. MEDED shall upload the documents into PARS for submission two working days prior to the reporting date assigned by the ACCME.

5.4 PREPARATION OF PERFORMANCE-IN-PRACTICE FOR SUBMISSION

The ACCME will select up to 15 activities from those CME interventions offered by MEDCOM from the beginning of the accreditation cycle (November 2021) including those that are currently being planned.

5.4.1 The Contractor shall work offsite and/or virtually with MEDED CME staff to prepare the 15 files selected by the ACCME for submission according to the ACCME specifications.

5.4.2 The Contractor shall provide guidance on submission of the required documents and drafting of explanations to accompany the submission. Language and documents to be submitted will be coordinated via MS-Team based meeting(s).

5.4.3 The contractor shall provide the electrons of the documents contained in the submission for uploading by MEDED in PARS two working days prior to the reporting date assigned by the ACCME.

5.5 MOCK SURVEY

5.5.1 The Contractor shall conduct a virtual mock survey that will prepare the MEDED CME Team for the process of reaccreditation with the ACCME.

5.5.1.1 The Contractor shall provide guidance on responding to all types of questions, focusing on responses that are precise and concise, rehearsal of the commendation criteria and other behaviors that are crucial to a successful six-year accreditation outcome.

5.5.1.2 The Contractor shall provide a written summary report highlighting suggestions or changes that need to be made prior the ACCME Accreditation Interview.

5.6 ACCME Accreditation Interview Management

5.6.1 The Contractor shall produce the opening slides for the Interview; provide real-time coaching, if required to the MEDED CME Director during the Interview; and assist with any follow-up tasks assigned by the ACCME during the Interview

TECHNICAL EXHIBIT A

Performance Requirements Summary

The following table summarizes the performance standards for each of the outputs the Contractor shall be required to furnish:

Performance Objective	Performance Standard	Acceptable Quality Level (AQL)	Method of Inspection
PWS Paragraphs 5.1 through 5.1.1.4 The Contractor shall perform a review of current levels of compliance through a virtual audit of current practices. Audit shall concentrate on the planning process for CME activities, the process for identifying relevant financial relationships of all people that affect the content of CME, strategies to mitigate those relevant financial relationships, and current interactions with MTFs in the planning process. Audit shall also assess current evaluation processes focusing on the measurement of competence outcomes, performance outcomes, and any actual patient outcomes in collaboration with quality management teams at MTFs.	Complete audit. Findings reported and discussed with MEDED and incorporated into the self study.	Zero deviation from ACCME accreditation standards.	100% Inspection

PWS Paragraphs 5.2 through 5.2.2 The Contractor shall draft the 6 sections/chapters of the self study report. MEDED to markup and track changes, conduct MS Teams-based meeting(s) as needed to discuss and finalize each section/chapter.	Completion of self study report in accordance with both ACCME and Army DoW standards.	Meeting the ACCME requirements and submission deadlines.	100% Inspection
PWS Paragraphs 5.3 through 5.3.4 The Contractor shall review the current requirements and evidence needed for each potential commendation criteria and to assist in the selection of the eight criteria	Complete review for commendation and propose eight criteria.	Zero deviation from ACCME accreditation commendation standards.	100% Inspection
PWS Paragraphs 5.4 through 5.4.3 The Contractor shall work with MEDED CME staff to prepare the 15 files selected by the ACCME for submission according to the ACCME specifications. The Contractor shall provide guidance on submission of the required documents and drafting of the explanation to accompany the submission.	100% audit of chosen records ensuring records are in accordance with both ACCME and Army /DoW standards.	Audit addresses 90% of surveyor criteria	100% Inspection
PWS Paragraphs 5.5 through 5.5.1.2 The contractor shall conduct a virtual mock survey to prepare the MEDED CME Team for the process of reaccreditation with the ACCME. Contractor shall provide guidance on submission of the required documents and drafting of explanations to accompany the submission.	Mock survey and written results completed according to timeline and ACCME standards	100% Completed within the agreed timeframe.	100% Inspection
PWS Paragraphs 5.6.1 The Contractor shall produce the opening slides for the ACCME accreditation interview; provide the MEDED CME Director with real-time coaching during the interview, if	Slides completed according to timeline and ACCME standards. Technical expert in attendance	100% Completed within the agreed up on timeframe.	100% Inspection

required; and assist with any follow-up tasks assigned by the ACCME during the Interview.	at the Interview. Assistance provided with response to any follow up tasks.		

TECHNICAL EXHIBIT B

Deliverables Schedule

In fulfillment of this task, the Contractor shall deliver to MEDED written reports, slides, working papers and the electrons of the documents as described in this section. If problems are encountered that may affect the completion of the project within the established schedule, contract is to provide a written summary of the problems and a revised timeline. The following schedule of significant milestones will be used by the Contractor and MEDED to monitor timely progress on the task.

The Contractor is responsible for delivering all end items to the Government. All work and deliverables must meet professional standards and the PWS requirements. The COR will have seven working days to review the deliverables submitted and make comments and/or changes. If changes are necessary, the contract will have seven working days to make necessary changes and return the final deliverables to the Government COR. Upon receipt of the final deliverables, the COR will have seven working days for final review prior to acceptance or to providing documented reasons for rejection.

Deliverable	**Frequency Due Date**	**Medium Format**	**Submit To**
5.1.1 Contract kickoff meeting with MEDED, principles and contractor assessment personnel. Contractor to provide meeting minutes to include proposed project timeline. 5.1.1.3 Audit of CME current practices and reporting 5.3.1 Review of commendation criteria and determination of the 8 criteria to be addressed	No later than 30 November 2026	MS Word and /or MS Excel	Coordinate Meeting and submit minutes to CME Program Manager

Modifications to key policies and procedures to be referenced in the self study 5.2 Self Study Chapter on Recordkeeping Policy drafted and finalized 5.2 Self Study Chapter on the Standards for Integrity and Independence 5.2 Self Study Chapter on CME Mission and Program Improvement - includes CME mission, Overall Program Evaluation and Improvements - drafted and finalized 1.4.9 Contractor Manpower Reporting 5.2 Self Study Chapter on Planning and Evaluation - (Gaps, Needs, Intended results, formats and competencies)

DFARS Clauses Incorporated by Full Text

Number	Title	Effective Date	Alternate Deviation	Variation Effective Date
252.232-7006	Wide Area WorkFlow Payment Instructions.	2023-01		

WIDE AREA WORKFLOW PAYMENT INSTRUCTIONS (JAN 2023)

(a) Definitions. As used in this clause-

"Department of Defense Activity Address Code (DoDAAC)" is a six position code that uniquely identifies a unit, activity, or organization.

"Document type" means the type of payment request or receiving report available for creation in Wide Area WorkFlow (WAWF).

"Local processing office (LPO)" is the office responsible for payment certification when payment certification is done external to the entitlement system.

"Payment request" and "receiving report" are defined in the clause at 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(b) Electronic invoicing. The WAWF system provides the method to electronically process vendor payment requests and receiving reports, as authorized by Defense Federal Acquisition Regulation Supplement (DFARS) 252.232-7003, Electronic Submission of Payment Requests and Receiving Reports.

(c) WAWF access. To access WAWF, the Contractor shall-

(1) Have a designated electronic business point of contact in the System for Award Management at https://www.sam.gov; and

(2) Be registered to use WAWF at https://wawf.eb.mil/ following the step-by-step procedures for self-registration available at this web site.

(d) WAWF training. The Contractor should follow the training instructions of the WAWF Web-Based Training Course and use the Practice Training Site before submitting payment requests through WAWF. Both can be accessed by selecting the "Web Based Training" link on the WAWF home page at https://wawf.eb.mil/

(e) WAWF methods of document submission. Document submissions may be via web entry, Electronic Data Interchange, or File Transfer Protocol.

(f) WAWF payment instructions. The Contractor shall use the following information when submitting payment requests and receiving reports in WAWF for this contract or task or delivery order:

(1) Document type. The Contractor shall submit payment requests using the following document type(s):

(i) For cost-type line items, including labor-hour or time-and-materials, submit a cost voucher.

(ii) For fixed price line items-

(A) That require shipment of a deliverable, submit the invoice and receiving report specified by the Contracting Officer.

Not Applicable

(Contracting Officer: Insert applicable invoice and receiving report document type(s) for fixed

price line items that require shipment of a deliverable.)

(B) For services that do not require shipment of a deliverable, submit either the Invoice 2in1, which meets the requirements for the invoice and receiving report, or the applicable invoice and receiving report, as specified by the Contracting Officer.

Invoice 2 in 1

(Contracting Officer: Insert either "Invoice 2in1" or the applicable invoice and receiving report document type(s) for fixed price line items for services.)

(iii) For customary progress payments based on costs incurred, submit a progress payment request.

(iv) For performance based payments, submit a performance based payment request.

(v) For commercial financing, submit a commercial financing request.

(2)) Fast Pay requests are only permitted when Federal Acquisition Regulation (FAR) 52.213-1 is included in the contract.

[Note: The Contractor may use a WAWF "combo" document type to create some combinations of invoice and receiving report in one step.]

(3) Document routing. The Contractor shall use the information in the Routing Data Table below only to fill in applicable fields in WAWF when creating payment requests and receiving reports in the system.

Routing Data Table*

Field Name in WAWF	Data to be entered in WAWF
Pay Official DoDAAC	HQ0490
Issue By DoDAAC	W81K00
Admin DoDAAC	W81K00
Inspect By DoDAAC	W9189H
Ship To Code	W9189H
Ship From Code	N/A
Mark For Code	N/A
Service Approver (DoDAAC)	W9189H

Service Acceptor (DoDAAC) W9189H
Accept at Other DoDAAC N/A
LPO DoDAAC N/A
DCAA Auditor DoDAAC N/A
Other DoDAAC(s) N/A

(*Contracting Officer: Insert applicable DoDAAC information. If multiple ship to/acceptance locations apply, insert "See Schedule" or "Not applicable.")

(**Contracting Officer: If the contract provides for progress payments or performance-based payments, insert the DoDAAC for the contract administration office assigned the functions under FAR 42.302(a)(13).)

(4) Payment request. The Contractor shall ensure a payment request includes documentation appropriate to the type of payment request in accordance with the payment clause, contract financing clause, or Federal Acquisition Regulation 52.216-7, Allowable Cost and Payment, as applicable.

(5) Receiving report. The Contractor shall ensure a receiving report meets the requirements of DFARS Appendix F.

(g) WAWF point of contact.

(1) The Contractor may obtain clarification regarding invoicing in WAWF from the following contracting activity's WAWF point of contact.

Tammy.l.hoppe.civ@army.mil

(Contracting Officer: Insert applicable information or "Not applicable.")

(2) Contact the WAWF helpdesk at 866-618-5988, if assistance is needed.

(End of clause)

Section I - Contract Clauses

Addendum to 52.212-4, Contract Terms and Conditions - Commercial Products and Commercial

Services

(w) The non-FAR Part 12 discretionary FAR and DFARS clauses included herein are incorporated into this contract either by reference or in full text. If incorporated by reference, see clause 52.252-2 herein for locations where full text can be found.

Number	Title	Effective Date	Alternate Deviation	Variation Effective Date
52.204-90	Offeror Identification. (Deviation 2026-O0038)	2026-02		

Offeror Identification (Feb 2026) (Deviation 2026-O0038)

If the Offeror will not have an active Federal Government contracts registration in the System for Award Management (https://www.sam.gov) when submitting its offer, it shall complete paragraphs (c) and (d) of this provision and include its responses with its offer.

(a) Definitions. As used in this provision-

Commercial and Government Entity (CAGE) code has the meaning provided in the clause at FAR 52.204-91, Contractor Identification, of this solicitation.

Common parent means that corporate entity that owns or controls an affiliated group of corporations that files its Federal income tax returns on a consolidated basis, and of which the offeror is a member.

Electronic Funds Transfer (EFT) indicator means a bank account identifier to establish additional System for Award Management records for identifying alternative EFT accounts (see part 32) for the same entity.

Highest-level owner means the entity that owns or controls an immediate owner of the offeror, or that owns or controls one or more entities that control an immediate owner of the offeror. No entity owns or exercises control of the highest-level owner.

Immediate owner means an entity, other than the offeror, that has direct control of the offeror. Indicators of control include, but are not limited to, one or more of the following: ownership or interlocking management, identity of interests among family members, shared facilities and equipment, and the common use of employees. There may be more than one immediate owner (e.g., joint ventures).

Predecessor means an entity whose assets were acquired by the offeror or another entity (most often through merger or acquisition) and whose affairs are now carried out by the offeror or the other entity under a new name.

Taxpayer Identification Number means the number required by the Internal Revenue Service (IRS) to be used by the offeror to report income tax and other returns. It may be either a Social Security Number or an Employer Identification Number.

Unique entity identifier (UEI) has the meaning provided in the clause at FAR 52.204-91, Contractor Identification, of this solicitation.

(b) Unique entity identifier (UEI).

(1) The Offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation "Unique Entity Identifier" followed by the UEI that identifies the Offeror's name and address exactly as stated in the offer. The Offeror shall also enter its EFT indicator, if applicable.

(2) If the Offeror does not have a UEI, it shall go to https://www.sam.gov to obtain one. The Government will independently validate the existence and uniqueness of the Offeror before assigning a UEI.

(c) Taxpayer identification. The Offeror shall provide with its offer the following information that is necessary to comply with debt collection requirements of 31 U.S.C. 7701(c) and 3325(d); reporting requirements of 26 U.S.C. 6041, 6041A, and 6050M; and the implementing IRS regulations:

(1) Taxpayer identification number (TIN)

[ ] TIN: ____;

[ ] TIN has been applied for; or

[ ] TIN is not required because:

[ ] Offeror is a nonresident alien, foreign corporation, or foreign partnership that does not have income effectively connected with the conduct of a trade or business in the United States and does not have an office or place of business or a fiscal paying agent in the United States;

[ ] Offeror is an agency or instrumentality of a foreign government; or

[ ] Offeror is an agency or instrumentality of the Federal Government.

(2) Type of organization.

[ ] Sole proprietorship;

[ ] Partnership;

[ ] Corporate entity (not tax-exempt);

[ ] Corporate entity (tax-exempt);

[ ] Government entity (Federal, State, or local);

[ ] Foreign government;

[ ] International organization per 26 CFR 1.6049-4; or

[ ] Other.

(3) Common parent.

[ ] Offeror is not owned or controlled by a common parent as defined in paragraph (a) of this provision; or

[ ] Name and TIN of common parent:

Name: ____

TIN: ____

(4) The TIN provided in paragraph (c)(1) of this provision may be matched with IRS records to verify the accuracy of the Offeror's TIN. The Government may use the TIN to collect and report on any delinquent amounts arising out of the Offeror's relationship with the Government (31 U.S. C. 7701(c)(3)).

(d) Commercial and Government Entity (CAGE) code.

(1) The Offeror shall provide its CAGE code with its offer with its name and location address or otherwise include it prominently in its offer. The CAGE code shall be for that name and location address. Insert the word "CAGE" before the code. The Offeror may obtain a CAGE code as indicated in the following table.

If the Offeror is…	Then…
Located in the United States or its outlying areas	Submit a request to the DLA CAGE Branch via https://cage.dla.mil
Located outside the United States and its outlying areas and its country is a member of the North Atlantic Treaty Organization (NATO) or a sponsored nation	Contact the appropriate National Codification Bureau (https://www.nato.int/structur/ac/135/about/contacts)
Located outside the United States and its outlying areas and its country is not a member of NATO or a sponsored nation	Contact the NATO Support and Procurement Agency (NSPA) (https://eportal.nspa.nato.int/AC135Public/scage/CageList.aspx)

(2) The Offeror shall provide the CAGE code and legal business name (Do not use a "doing business as" name) for-

(i) Its immediate owner(s), if any;

(ii) Its highest-level owner, if any; and

(iii) Any predecessor(s), or predecessor of an Offeror's predecessor, that held a Federal contract or grant within the last three years.

Owner Type	CAGE Code	Legal Business Name
Immediate owner	____	____
Highest-level owner	____	____
Predecessor*	____	____

* Predecessor CAGE code may be marked "Unknown."

(3) If the Offeror has more than one immediate owner (such as a joint venture), give the information for each owner (or joint venture participant). If the Offeror has more than one predecessor, provide information for each predecessor in reverse chronological order.

(End of provision)

52.209-2	Prohibition on Contracting With Inverted Domestic Corporations-Representation. (Deviation 2026-O0038)	2026-02

Prohibition on Contracting with Inverted Domestic Corporations-Representation (Feb 2026) (Deviation 2026-O0038)

(a) Definitions. As used in this clause-

Inverted domestic corporation means a foreign incorporated entity that meets the definition of an inverted domestic corporation under 6 U.S.C. 395(b), applied in accordance with the rules and definitions of 6 U.S.C. 395(c).

Subsidiary means an entity in which more than 50 percent of the entity is owned-

(1) Directly by a parent corporation; or

(2) Through another subsidiary of a parent corporation.

(b) Government agencies are not permitted to use appropriated (or otherwise made available) funds for contracts with either an inverted domestic corporation, or a subsidiary of an inverted domestic corporation, unless the exception at 9.108-3(b) applies or the requirement is waived in accordance with the procedures at 9.108-5.

(c) Representation. The Offeror represents that-

(1) It [ ] is, [ ] is not an inverted domestic corporation; and

(2) It [ ] is, [ ] is not a subsidiary of an inverted domestic corporation.

(End of provision)

52.229-11	Tax on Certain Foreign Procurements-Notice and	2026-02

Representation. (Deviation 2026-O0038)

Tax on Certain Foreign Procurements-Notice and Representation (Feb 2026) (Deviation 2026-O0038)

(a) Definitions. As used in this provision-

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area of the United States.

United States person as defined in 26 U.S.C. 7701(a)(30) means

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

(4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and

(5) Any trust if-

(i) A court within the United States is able to exercise primary supervision over the administration of the trust; and

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror may claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service (IRS) Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that

(1) It [ ] is [ ] is not a foreign person; and

(2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 [ ] a full exemption, or [ ] partial or no exemption [Offeror must select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the IRS as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to https://www.irs.gov/help/tax-law-questions.

(End of provision)

Number	Title	Effective Date	Alternate Deviation	Variation Effective Date
252.204-7016	Covered Defense Telecommunications Equipment or Services-Representation.	2019-12		

COVERED DEFENSE TELECOMMUNICATIONS EQUIPMENT OR SERVICES-REPRESENTATION (DEC 2019)

(a) Definitions. As used in this provision, "covered defense telecommunications equipment or services" has the meaning provided in the clause 252.204-7018, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services.

(b) Procedures. The Offeror shall review the list of excluded parties in the System for Award Management (SAM) (https://www.sam.gov) for entities excluded from receiving federal awards for "covered defense telecommunications equipment or services".

(c) Representation. The Offeror represents that it [ ] does, [ ] does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument.

(End of provision)

252.204-7017	Prohibition on the Acquisition of Covered Defense	2021-05		

Telecommunications Equipment
or Services-Representation.

PROHIBITION ON THE ACQUISITION OF COVERED DEFENSE TELECOMMUNICATIONS EQUIPMENT OR SERVICES-REPRESENTATION (MAY 2021)

The Offeror is not required to complete the representation in this provision if the Offeror has represented in the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does not provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument."

(a) Definitions. "Covered defense telecommunications equipment or services," "covered mission," "critical technology," and "substantial or essential component," as used in this provision, have the meanings given in the 252.204-7018 clause, Prohibition on the Acquisition of Covered Defense Telecommunications Equipment or Services, of this solicitation.

(b) Prohibition. Section 1656 of the National Defense Authorization Act for Fiscal Year 2018 (Pub. L. 115-91) prohibits agencies from procuring or obtaining, or extending or renewing a contract to procure or obtain, any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) Procedures. The Offeror shall review the list of excluded parties in the System for Award Management (SAM) at https://www.sam.gov for entities that are excluded when providing any equipment, system, or service to carry out covered missions that uses covered defense telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, unless a waiver is granted.

(d) Representation. If in its annual representations and certifications in SAM the Offeror has represented in paragraph (c) of the provision at 252.204-7016, Covered Defense Telecommunications Equipment or Services-Representation, that it "does" provide covered defense telecommunications equipment or services as a part of its offered products or services to the Government in the performance of any contract, subcontract, or other contractual instrument, then the Offeror shall complete the following additional representation:

The Offeror represents that it [ ] will [ ] will not provide covered defense telecommunications

equipment or services as a part of its offered products or services to DoD in the performance of any award resulting from this solicitation.

(e) Disclosures. If the Offeror has represented in paragraph (d) of this provision that it "will provide covered defense telecommunications equipment or services," the Offeror shall provide the following information as part of the offer:

(1) A description of all covered defense telecommunications equipment and services offered (include brand or manufacturer; product, such as model number, original equipment manufacturer (OEM) number, manufacturer part number, or wholesaler number; and item description, as applicable).

(2) An explanation of the proposed use of covered defense telecommunications equipment and services and any factors relevant to determining if such use would be permissible under the prohibition referenced in paragraph (b) of this provision.

(3) For services, the entity providing the covered defense telecommunications services (include entity name, unique entity identifier, and Commercial and Government Entity (CAGE) code, if known).

(4) For equipment, the entity that produced or provided the covered defense telecommunications equipment (include entity name, unique entity identifier, CAGE code, and whether the entity was the OEM or a distributor, if known).

(End of provision)

Section L - Instructions, Conditions, & Notices to Offerors or Quoters

ADDENDUM TO 52.212-1

1. ELECTRONIC SUBMISSION:

a. Offeror shall submit a signed and dated electronic offer in response to this solicitation to: Darlena Rivera at darlena.s.rivera.civ@health.mil.

Offeror shall ensure the quote arrives on/before the time and date specified in Block 8 of the SF1449. An offer submitted after the date and time specified will be untimely and may not be considered for award.

b. Offeror shall ensure SF 1449, Blocks 12, 17 (including SAM UID and CAGE Code) and 30A-C are completed.

c. Offeror shall provide a Contractor Point of Contact (Name, Telephone Number, and Email)

d. Offeror shall submit a copy of their Representations and Certifications or a statement that the information is accurate in the System for Award Management (SAM.gov). Offerors shall be registered in www.sam.gov under the NAICS listed in this solicitation and shall not have any Active Exclusions listed within SAM to be eligible for award. Offerors must have a current SAM registration at the time of proposal submission and must remain active in SAM through the life of the contract.

2. OFFEROR QUESTIONS AND CLARIFICATIONS: Questions and clarifications shall be submitted via email to the Contract Specialist, Darlena Rivera, at the email listed above no later than 3 days prior to the date in Block 8 of the SF1449. The questions or clarifications shall reference the applicable section of the solicitation.

3. PRICE: Offerors shall complete the pricing, to include both unit pricing and extended price, for each of the Contract Line Item Numbers (CLINs). Pricing for each item shall be annotated as 2 decimals ONLY (i.e. $250.46).

Paragraph 52.212-1(m) is hereby added:

(m) The non-FAR Part 12, discretionary FAR, DFARS, AFARS provisions included herein are incorporated into this solicitation either by reference or in full text. If incorporated by reference, see provision52.252-1 herein for locations where full text can be found.

52.219-4	Notice of Price Evaluation Preference for HUBZone Small Business Concerns. (Deviation 2026-O0038)	2026-02		

Notice of Price Evaluation preference for HUBZone Small Business Concerns (Feb 2026) (Deviation 2026-O0038)

(a) Evaluation preference.

(1) Offers will be evaluated by adding a factor of 10 percent to the price of all offers, except-

(i) Offers from HUBZone small business concerns that have not waived the evaluation preference; and

(ii) Otherwise successful offers from small business concerns.

(b) Waiver of evaluation preference. A HUBZone small business concern may choose to waive the evaluation preference. If the concern waives the preference, the factor will be added to its offer for evaluation purposes.

[ ] Offeror chooses to waive the evaluation preference.

(c) Joint venture. A HUBZone joint venture agrees that, in the performance of the contract, at least 40 percent of the aggregate work performed by the joint venture shall be completed by the HUBZone small business parties to the joint venture. Work performed by the HUBZone small business parties to the joint venture must be more than administrative functions.

Section M - Evaluation Factors for Award

ADDENDUM TO 52.212-2

Paragraph (a) is hereby replaced with the following:

a. The Government will issue an award resulting from this solicitation to the contractor responsible, whose quote meets or exceeds the minimum technical requirements of the solicitation and provides fair and reasonable pricing.

b. Award will be on an all or none basis. The following adjectival rating will be used in evaluating each offeror's technical capability quote:

Volume I - Factor 1 - Technical Capability: Technical capability ratings reflect the Government's confidence in each offeror's product, as demonstrated in its submission, to meet the Performance Work Statement set forth in the solicitation.

The Government will make an independent judgment of the acceptability. To receive consideration for award, a rating of no less than Acceptable must be achieved in technical acceptability.

(1) ACCEPTABLE - To receive this rating, the offeror's product must meet the Performance Work Statement set forth in the solicitation.

(2) UNACCEPTABLE - An unacceptable rating will be assessed on any offeror that demonstrates any of the following:

Failure to meet the Performance Work Statement set forth in the solicitation. Failure to provide sufficient detail for the Government to determine whether the items satisfactorily meet the requirements of this solicitation.

Volume II - Factor 2 - Price:

Quotes will be reviewed to determine them fair and reasonable and if accepted by the Contracting Officer, will be incorporated into the resulting contract.

Offeror's pricing must be determined to be fair and reasonable in order to be eligible for an award.

c. To be eligible for award, offerors must be properly registered in the System for Award Management (SAM). Offerors may obtain information on SAM and annual confirmation requirements by viewing www.sam.gov.

d. Written notice of award or acceptance of a mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding order without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

If quoting other than Brand Name all quotes must include item numbers for each item listed on quote. Evaluation Process: All quotes will be evaluated on their technical capability and price. The award decision will be based on an acceptable technical capability rating and fair and reasonable pricing. Offerors quote must be determined technically acceptable in order to be considered for award.
