	Current Request Status: **Request Closed**			
Information for this report is procurement sensitive.				
12038579	Contracting			00 00 00
Comment Classification: **Unclassified (U)** In review of the subject solicitation, as the limits of work are within the confines of the City of Atchison, will the bidders of the project be required to obtain state and or local contractor licensing in order to pursue this opportunity? If so, will licensing need to be in place prior to submission? Please note that this question is time sensitive as most states' licensing process take far longer than the current proposal response date of November 13. By: Celeste Hunt; CCI; (9786938308). On: Oct 16 2026. Forward request by email.				
1-0	**Evaluation For Information Only.** Permits and License are not required to submit a bid. The solicitaiton has all of the permit and license requirements. The City of Atchison has already obtained the KDOT permit for the work along/under Main Street / KDOT Hwy 7 By: Joseph Sciarra; PM Project Management Division; (816 389 3121) On: Oct 19 2026			
1-1	**Government Response.** Permits and License are not required to submit a bid. The solicitaiton has all of the permit and license requirements.
