Photos and descriptions of each office

Cubicle Office #1

Keep:

Vari desk, monitors, bookshelf, cubicle desk and file storage

Get Rid of: Nothing

Cubical Office #2

Keep:

Cubicle desk and file storage, one file cabinet, chair, printer, standing desk

Get Rid of:

Both Book shelves, two file cabinets

Cubicle Office #3

Keep: everything except the greenish visitor's chair

Get Rid of: greenish visitor's chair

Cubicle office #4

Keep: desk, monitors, filing cabinets, Blue Chair, overhead storage

Get Rid of: Green chair

Cubicle Office #5

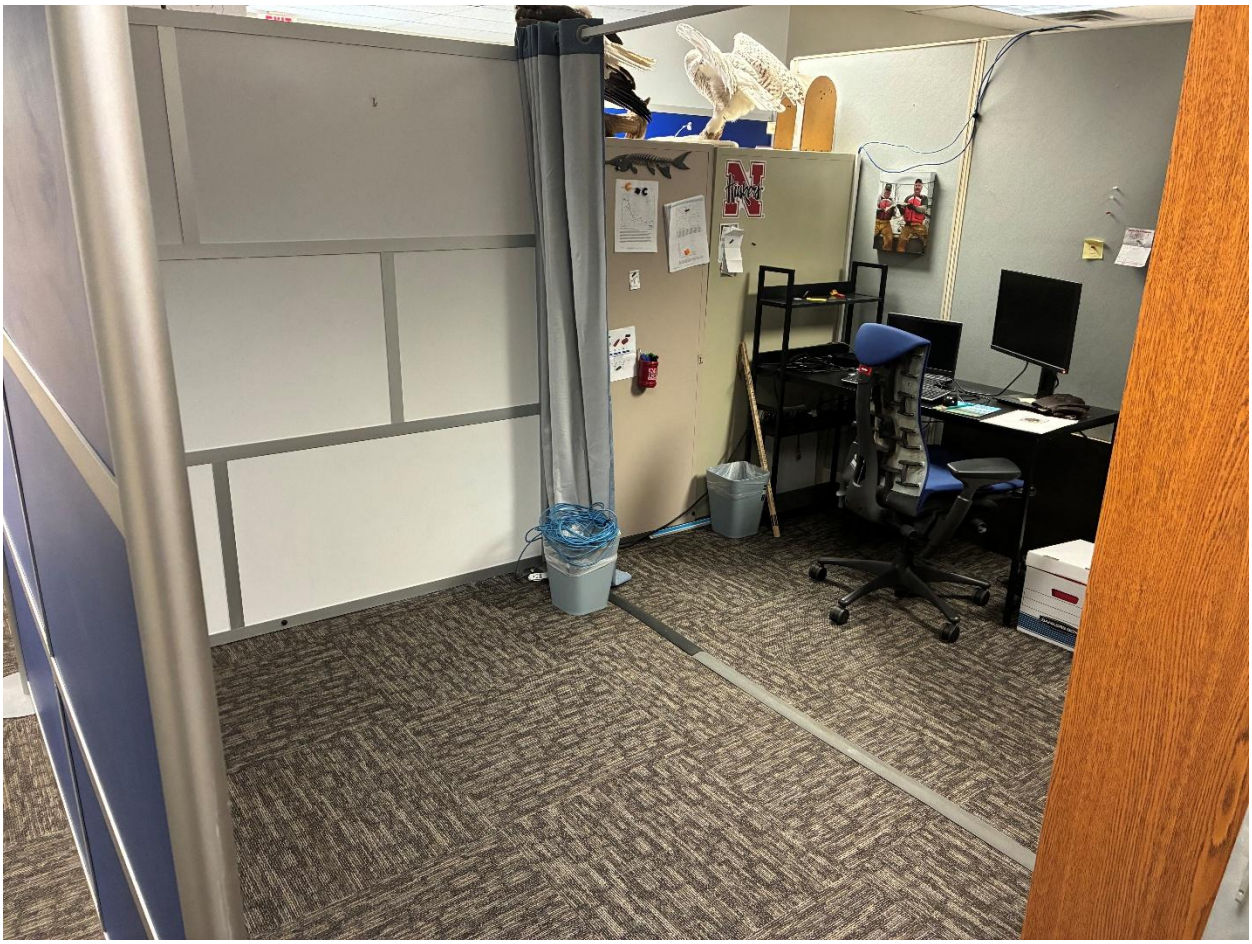

Keep:

File cabinet, blue office chair, desk, shelves, reference materials, plastic office mat.

Get Rid of:

Blue visitor chair

Cubicle Office #6

Keep: chair, desk, Extension cords, Cat 5 cables, laptop, Monitors and computer accessories

Get Rid of: Book shelves, Curtains, Plastic cubicle walls

Cubicle Office #7

Keep: Tall file cabinets (2), short file cabinets (2), desk, computer monitors, overhang light cabinet, desk shelving, blue desk chair, map holder, black bookshelf, all furniture except what's listed below.

Get Rid of: Contents in the filing boxes marked "Toss" (20-30 boxes), 2 green chairs

Cubicle Office #8

Keep: cubicle desk/standing desk, overhead storage bins (2), office desk chair

Get Rid of: green chair, 5 drawer file cabinets (2)

Cubicle Office #9

Keep: Desk, bookshelf (unless I could switch the bookshelf for a 5-drawer file cabinet with a flip drawer –like in office space #8).

Get Rid of: green office chair

Flex Cubicle Space

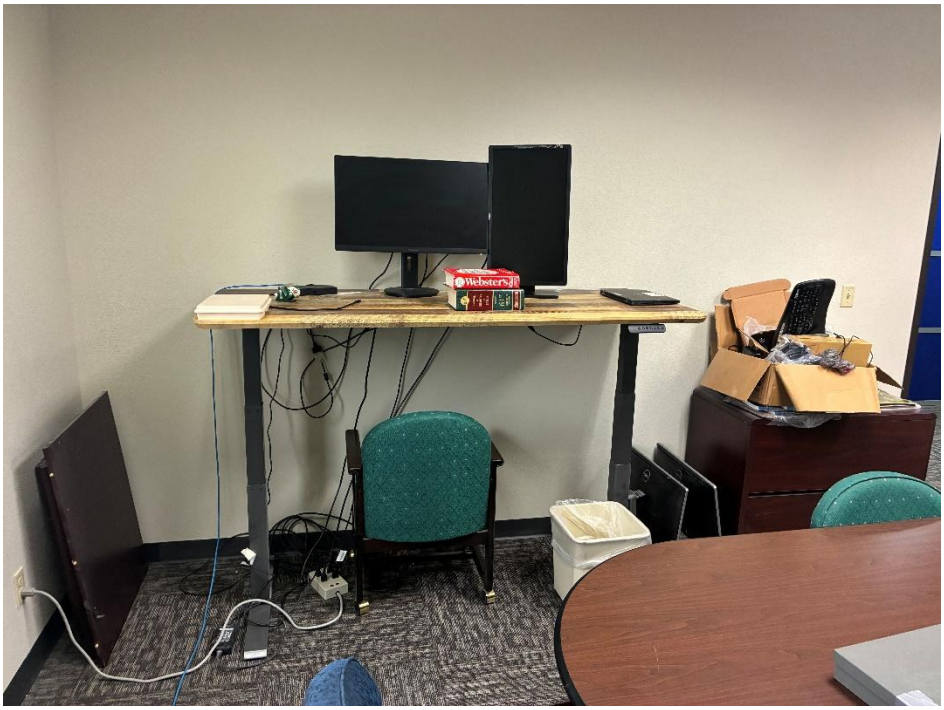

Keep: cubicle desk and overhead storage bin (could be used for someone without a cubicle desk), blue office chair

Get Rid of: Nothing

Enclosed Office #1 (Flex Space)

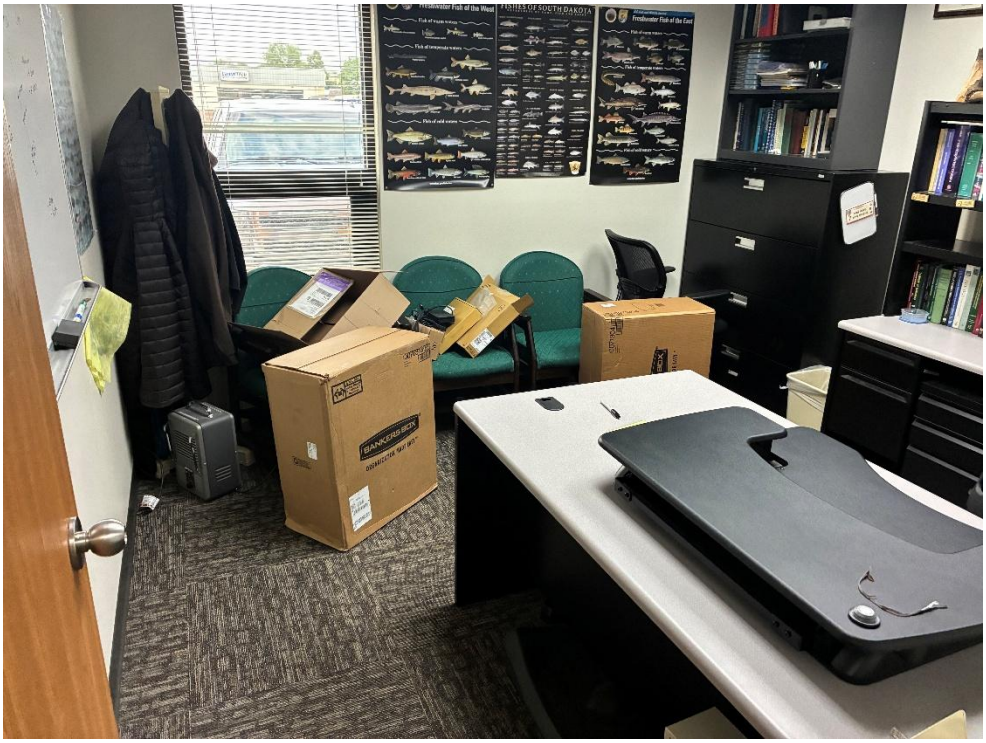

Keep: Vari desk, monitors, large conference room table

We should keep six of the best chairs (maybe the blue ones are newer?) to put around the conference table. I'd like to go through the bookshelves. Not everything on those shelves should be tossed.

Get Rid of:

Enclosed Office #2

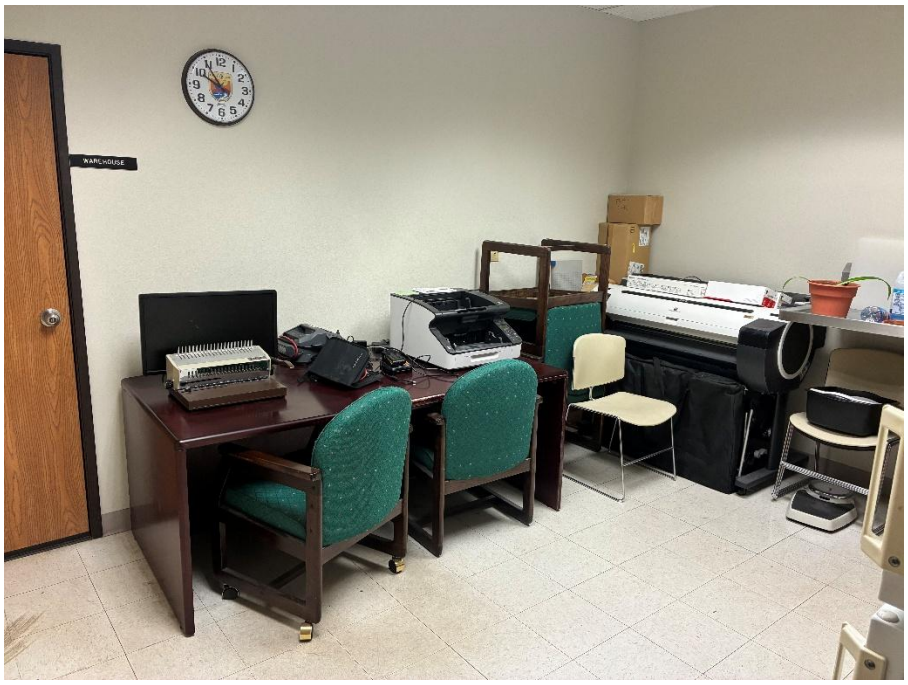

Keep: coat tree/rack, tall/large upright file cabinet, large dry-erase board, space heater, small black bookshelf, black office chair, trash can, taxidermy owl, all

fiberglass fish replicas on wall, black stand up desk/monitor stand, wraparound desk with attached file cabinets and attached bookcase shelves, blue office chair, small black file cabinet, clear chair pad (on floor), ergonomic foot pad on floor, key storage locker

Get Rid of: greenish office chairs

Break Room/Kitchenette

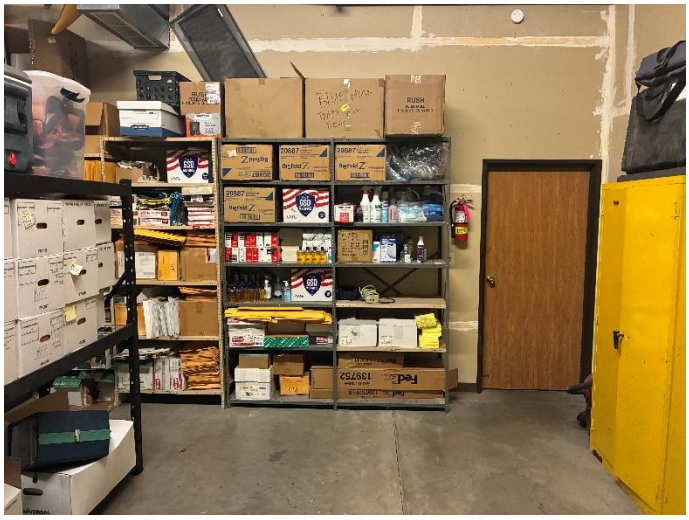

Keep: Fridge, Desk, Scanner, microwave

Get Rid of: Plotter, Chairs

Garage

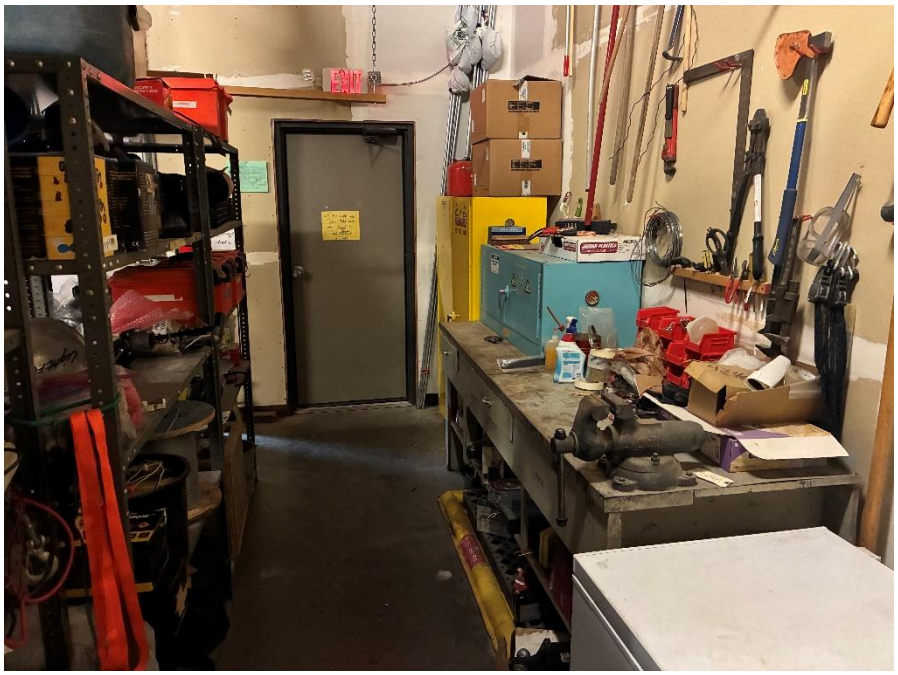

Keep: freezer, all cabinets (2 yellow storage, 1 yellow flammables, 1 blue acid storage, 1 gray), locker, workbench, all tools, all shelving, sampling containers, pelican cases, sampling gear.

Get Rid of: Some items in shelving, we will place in a toss pile. All boxes marked "toss"

Server

Keep the educational materials. The office supplies should be vetted for the things we actually do use.

Miscellaneous Items

FRONT
FRONT
FRONT
FRONT
DO NOT WRITE ON THIS END

CPR
&
First Aid

Keep: shredder, black office chair, one tall empty filing cabinet (if needed and fits new space- Landon), office supplies (e.g., printer paper, pens, pencils); clock

In the following four photos please keep: Everything on the three shelves, all of the rebar on the floor, the 2 t-posts and the 2 electrical conduits, the post pounder.
