# Consolidated questions and answers

| # | Topic | Consolidated question | Answer provided |
|---|---|---|---|
| **1** | Questions deadline | What is the deadline for submitting solicitation questions? | **Friday, November 20, 2026,** after vendors had an opportunity to participate in the walkthrough. |
| **2** | Storage distance | How far is the storage location from 420 S. Garfield Avenue? | Approximately **5 miles**. |
| **3** | Storage configuration | What type of storage will be used, and what are the access conditions? | The Government will use **8-by-20-foot shipping containers** with ground-level, drive-up access and an **8-by-8-foot door**. |
| **4** | Storage lease/payment | Will the Government lease and pay for the storage space? | Yes. |
| **5** | Inventory and volume | Can the Government provide an inventory or approximate quantities of items to be moved and disposed of? | The attached Pierre Office Building Inventory.docx identifies the building inventory and items for retention or disposal. Garage items will be labeled and available for inspection during the onsite walkthrough. |
| **6** | Disposal proportion | What share of the property will be disposed of rather than stored? | No percentage or total volume was provided. The inventory identifies known disposal items, and additional garage disposal items will be labeled for the walkthrough. |
| **7** | Disposal fees | Who is responsible for landfill, recycling, and e-waste disposal fees? | The **contractor is responsible** for landfill, recycling, and e-waste fees. |
| **8** | Disposal documentation | Is the contractor responsible for Government property disposal paperwork? | **No.** The contractor is not responsible for disposal paperwork for Government-owned equipment. |
| **9** | Hazardous materials | Are hazardous materials included in the contractor's scope and price? | **No.** Hazardous materials will be handled separately by the Government, and the moving contractor will not be responsible for them. |
| **10** | Gun safe | Is there a gun safe, and must it be moved or disposed of? | Yes, an empty gun safe will need to be properly disposed of. Approximate measurements: 24w x 60h x 18d, and weighs roughly 500 lbs. |

|---|---|---|---|
| **11** | Work schedule | What work hours and scheduling restrictions apply during February 15–26, 2027? | Work hours are M-F 8 – 5. There are after-hour options if required. Building access will be provided, and weather contingency days will be established within the performance window. |
| **12** | Building access | Are there stairs, elevators, loading docks, truck-staging limitations, or weekend/after-hours options? | The building is one level. There is no loading dock but the garage has two large garage doors. The vendor will have to move everything inside the office (excluding the garage) through a standard door. Work hours are M-F 8 – 5. There are after-hour options if required. |
| **13** | Site-visit attendance | Is attendance at the November 17 or 18 site visit mandatory? | **No.** Walkthrough attendance is not mandatory for a quote to be considered. |
| **14** | Subcontractor at site visit | May a named subcontractor or its project manager attend on the prime contractor's behalf? | **Yes.** |
| **15** | Photos and floor plan | Will photos, a floor plan, or other information be available to vendors unable to attend? | **Yes.** This information will be posted with Amendment 0001 |
| **16** | Past performance | May offerors use commercial relocation projects and work performed by a disclosed subcontractor? | **Yes.** Commercial experience and comparable work attributable to the disclosed subcontractor may be considered. |
| **17** | Electrical work | Who must disconnect hardwired electrical fixtures? | None. |
| **18** | Modular furniture | Is modular furniture reassembly required at the storage facility? | **No.** Modular furniture reassembly is excluded. Furniture will be stored in the shipping containers. [Re: [EXTER...Relocation \| Outlook] |
| **19** | Pricing format | Is a single lump sum price sufficient, or is a breakdown required? | A breakdown (planning, packing, furniture disassembly, loading, transportation, etc.) of charges is preferred. |
| **20** | Solicitation clauses | Are current SAM representations sufficient when FAR | **These FAR clauses are no longer applicable.** |

| | | | |
|---|---|---|---|
| | | 52.212-3 and 52.212-5 are referenced but not included in the package? | |
| **21** | Insurance | Are there minimum insurance requirements for this work? | The contractor or subcontractor needs to be properly licensed and insured for the size of this office relocation. |
| **22** | Subcontractor | Is there a limit on how much work can go to a subcontractor? | No. |
| **23** | Move Schedule | Will the move happen on consecutive days within Feb 15 to Feb 26, 2027, or can it be split? | Consecutive days are ideal. |
