APPENDIX A

PMIS 344849

Maps of the Road Barricades Within Dinosaur National Monument

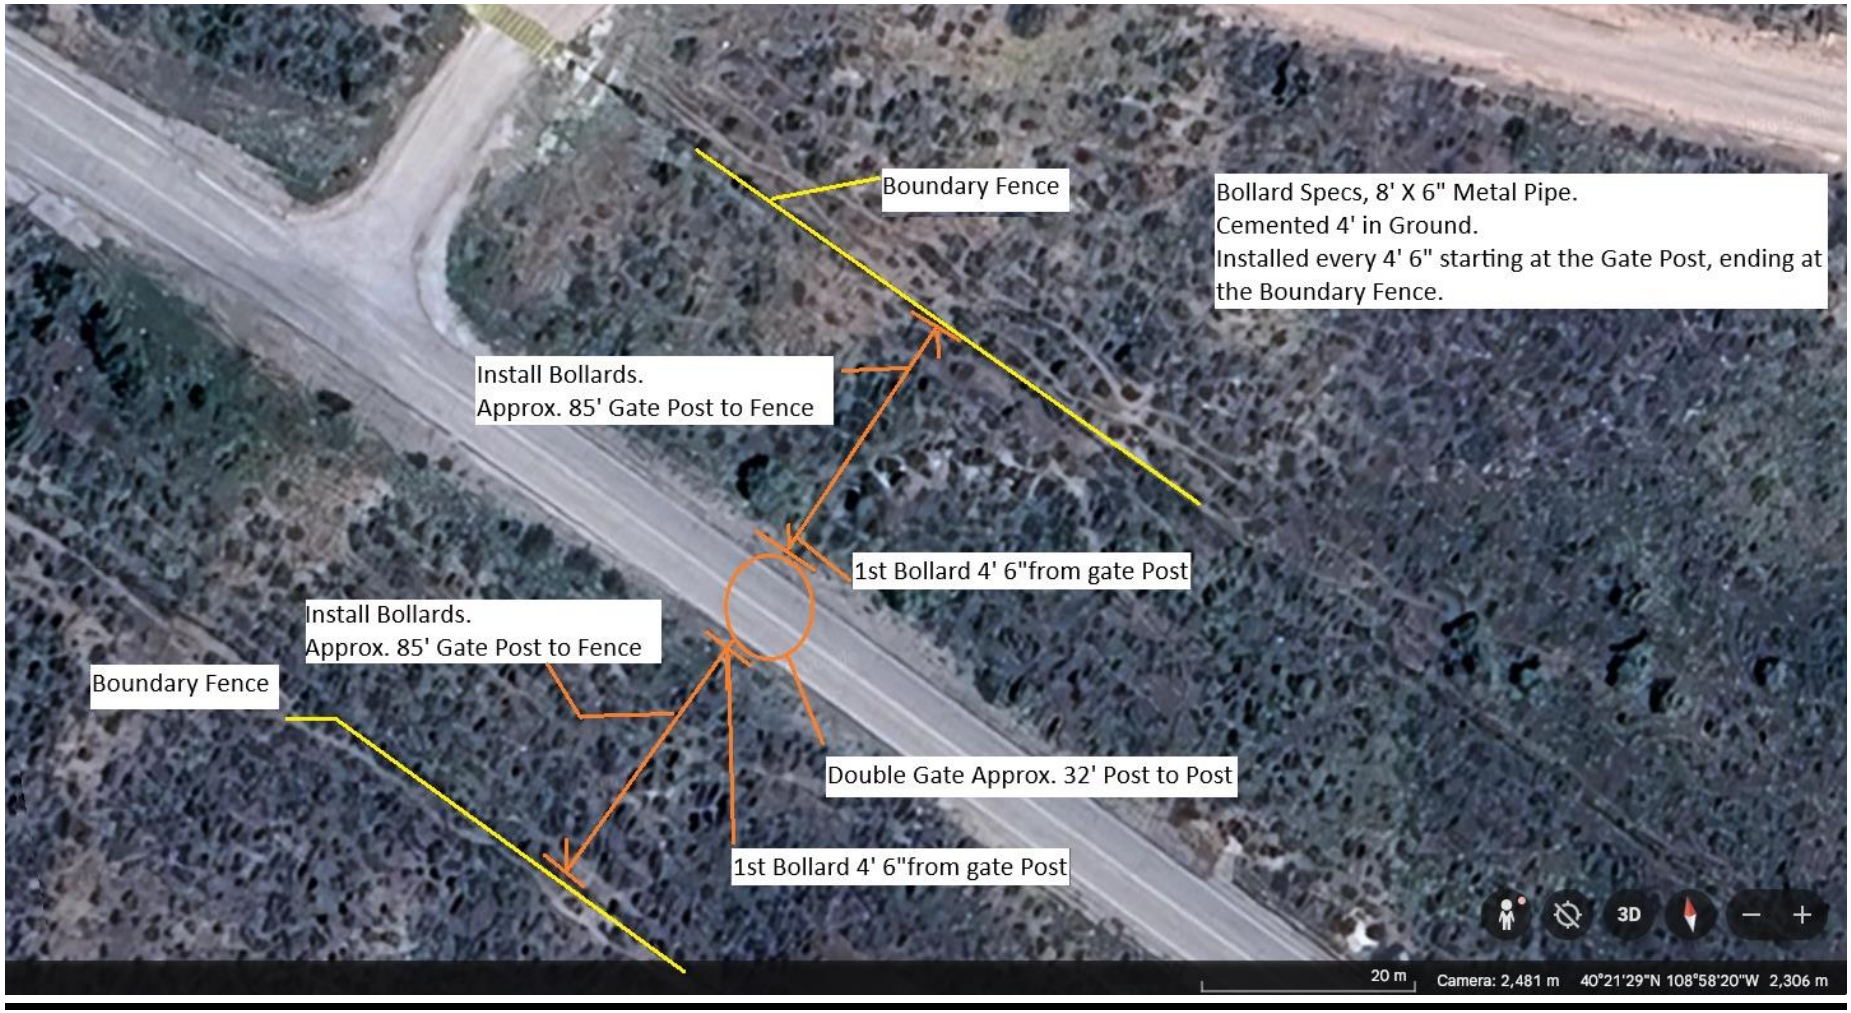

GATE A	Asset	Description	Location	Description	Latitude	Longitude
DOUBLE	152916	Barricade Downhill from Moffat 16	68897	Harpers Corner Road - RT 0011	40.33983	-108.97001

The existing double swing gate will be removed, new gate will be installed at the circled location. See next page for details.

GATE A	Asset	Description	Location	Description	Latitude	Longitude
DOUBLE	152916	Barricade Downhill from Moffat 16	68897	Harpers Corner Road - RT 0011	40.33983	-108.97001

Proposed location where the new double swing gate will be installed, along with 36 new bollards every 4ft 6in up to the fencelines.

GATE B	Asset	Description	Location	Description	Latitude	Longitude
Double	1699717	Barricade Uphill from Moffat 16	68897	Harpers Corner Road - RT 0011	40.36791	-108.99614

The existing double swing gate will be removed, new gate will be installed at the circled location. See next page for details.

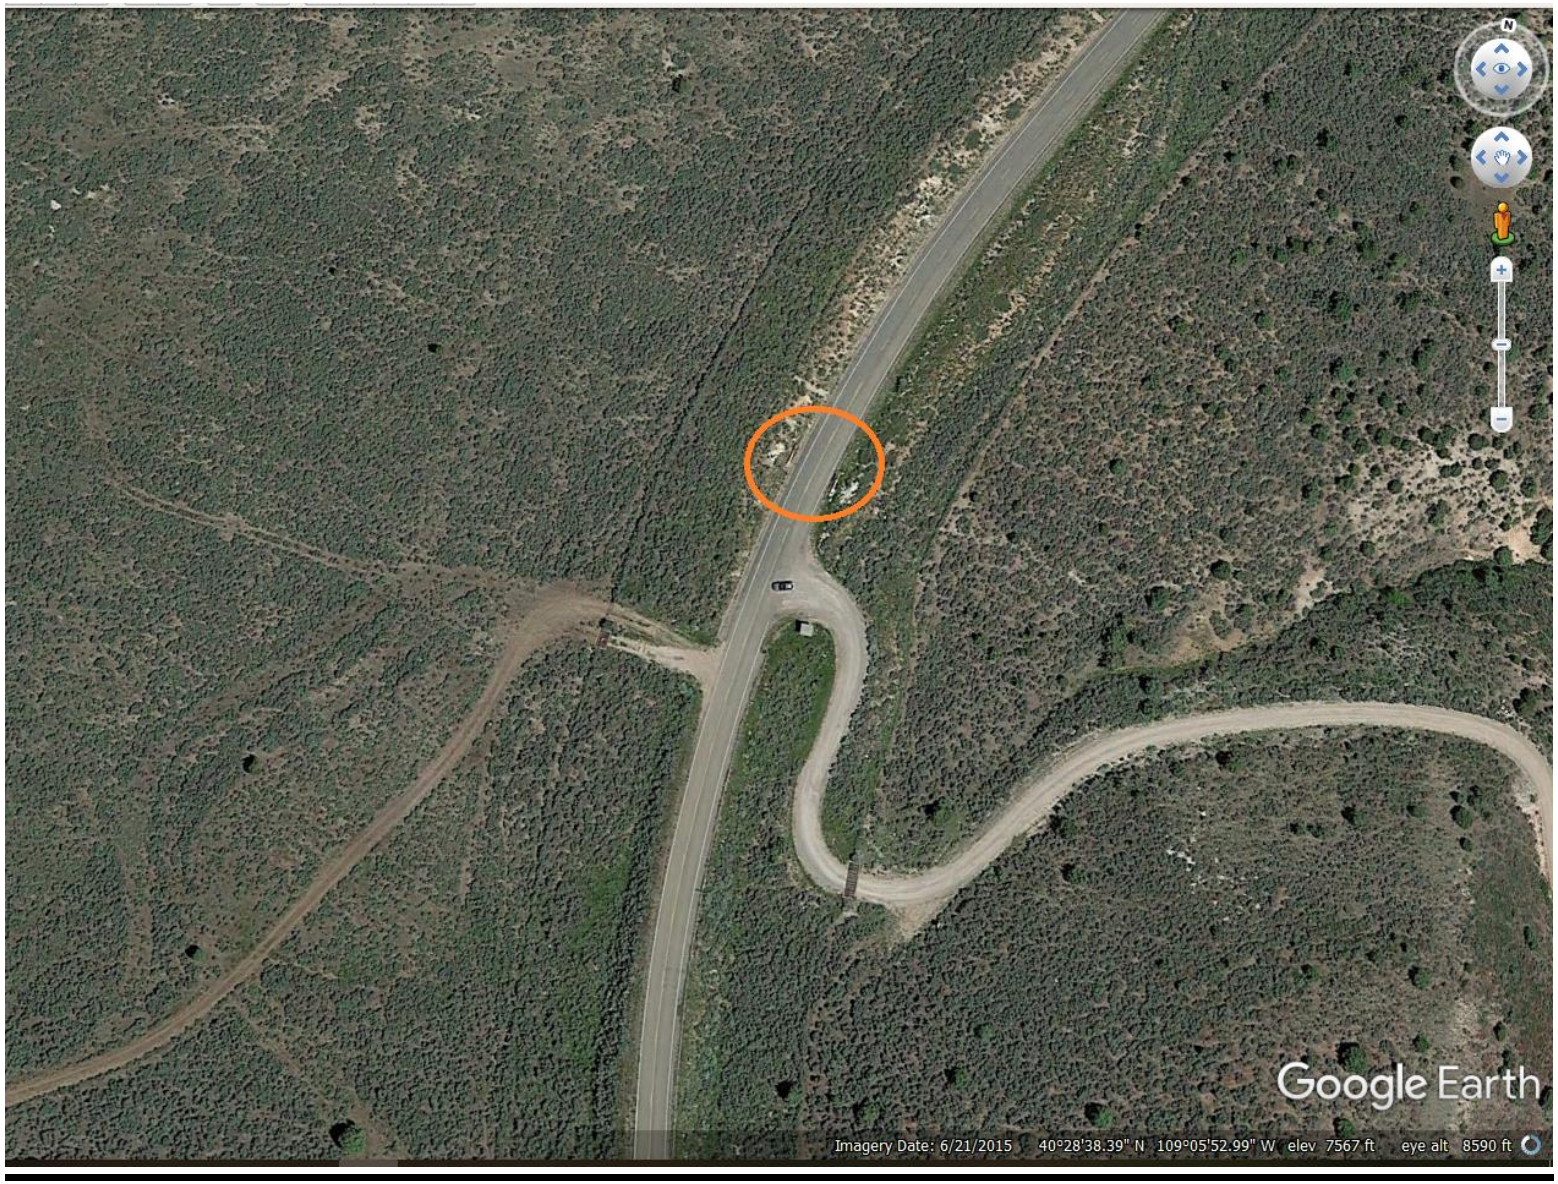

GATE B	Asset	Description	Location	Description	Latitude	Longitude
Double	1699717	Barricade Uphill from Moffat 16	68897	Harpers Corner Road - RT 0011	40.36791	-108.99614

Proposed location where the new double swing gate will be installed, along with 36 new bollards every 4ft 6in up to the fencelines.

GATE C	Asset	Description	Location	Description	Latitude	Longitude
Double	1699719	Echo Park Turn-off Barricade	68897	Harpers Corner Road - RT 0011	40.47732	-109.09806

This double gate will be replaced in kind, approximately 32 linear feet post to post.

GATE D	Asset	Description	Location	Description	Latitude	Longitude
Double	1444459	GRCG Barricade	69126	GRCG Access Road - RT 0202	40.41830	-109.24808

This double gate will be replaced in kind, approximately 32 linear feet post to post.

GATE E	Asset	Description	Location	Description	Latitude	Longitude
Single	1699715	GRCG A Loop Barricade	69130	GRCG A Loop Road - RT 0214A	40.42268	-109.24473

This single gate will be replaced in kind, approximately 16 linear feet post to post.

GATE F	Asset	Description	Location	Description	Latitude	Longitude
Single	1699723	SMCG Entrance Barricade	69216	SMCG Open Loop Road - RT 0200A	40.44424	-109.25326

This single gate will be replaced in kind, approximately 16 linear feet post to post.

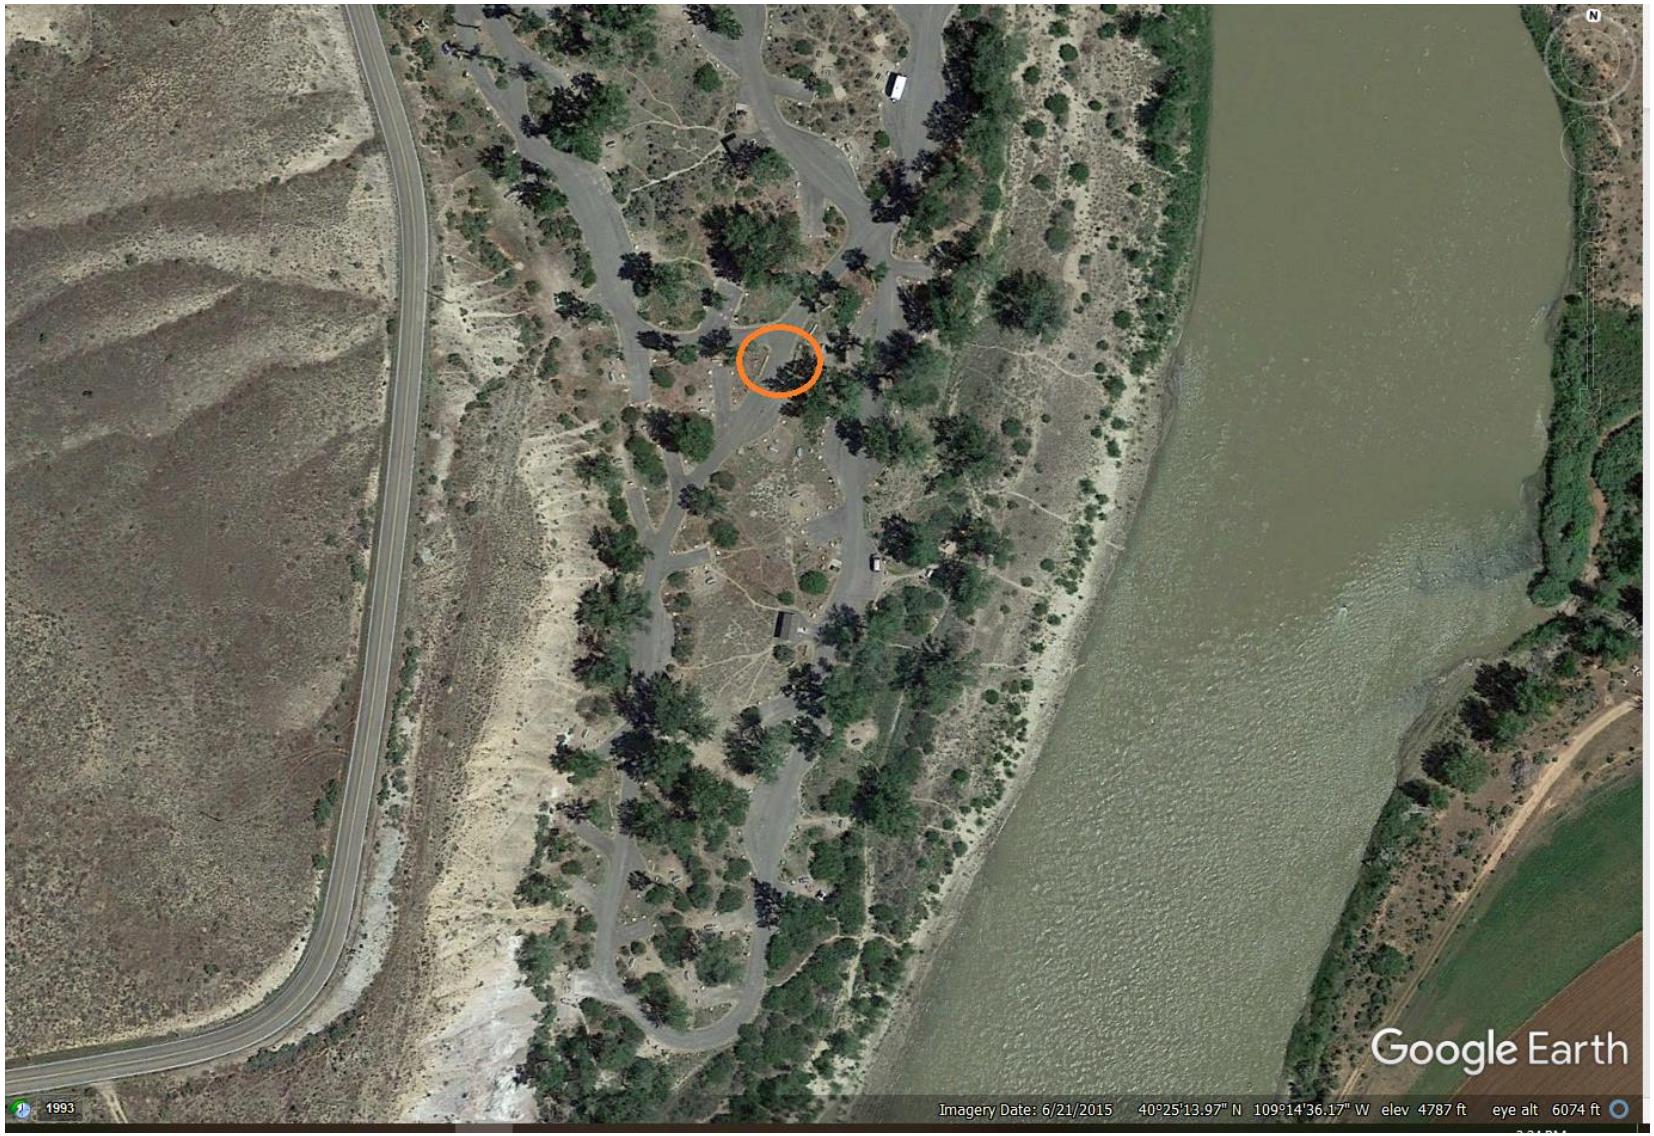

GATE G	Asset	Description	Location	Description	Latitude	Longitude
Double	1699724	SMCG Exit Barricade	69216	SMCG Open Loop Road - RT 0200A	40.44434	-109.2527

This double gate will be replaced in kind, approximately 32 linear feet post to post. Left/West Side gate swing will be Reversed.

GATE H	Asset	Description	Location	Description	Latitude	Longitude
Single	1699713	GRCG E Loop Entrance Barricade	99448	GRCG E Loop Road - RT 0214E	40.42054	-109.24342

This single gate will be replaced in kind, approximately 16 linear feet post to post.

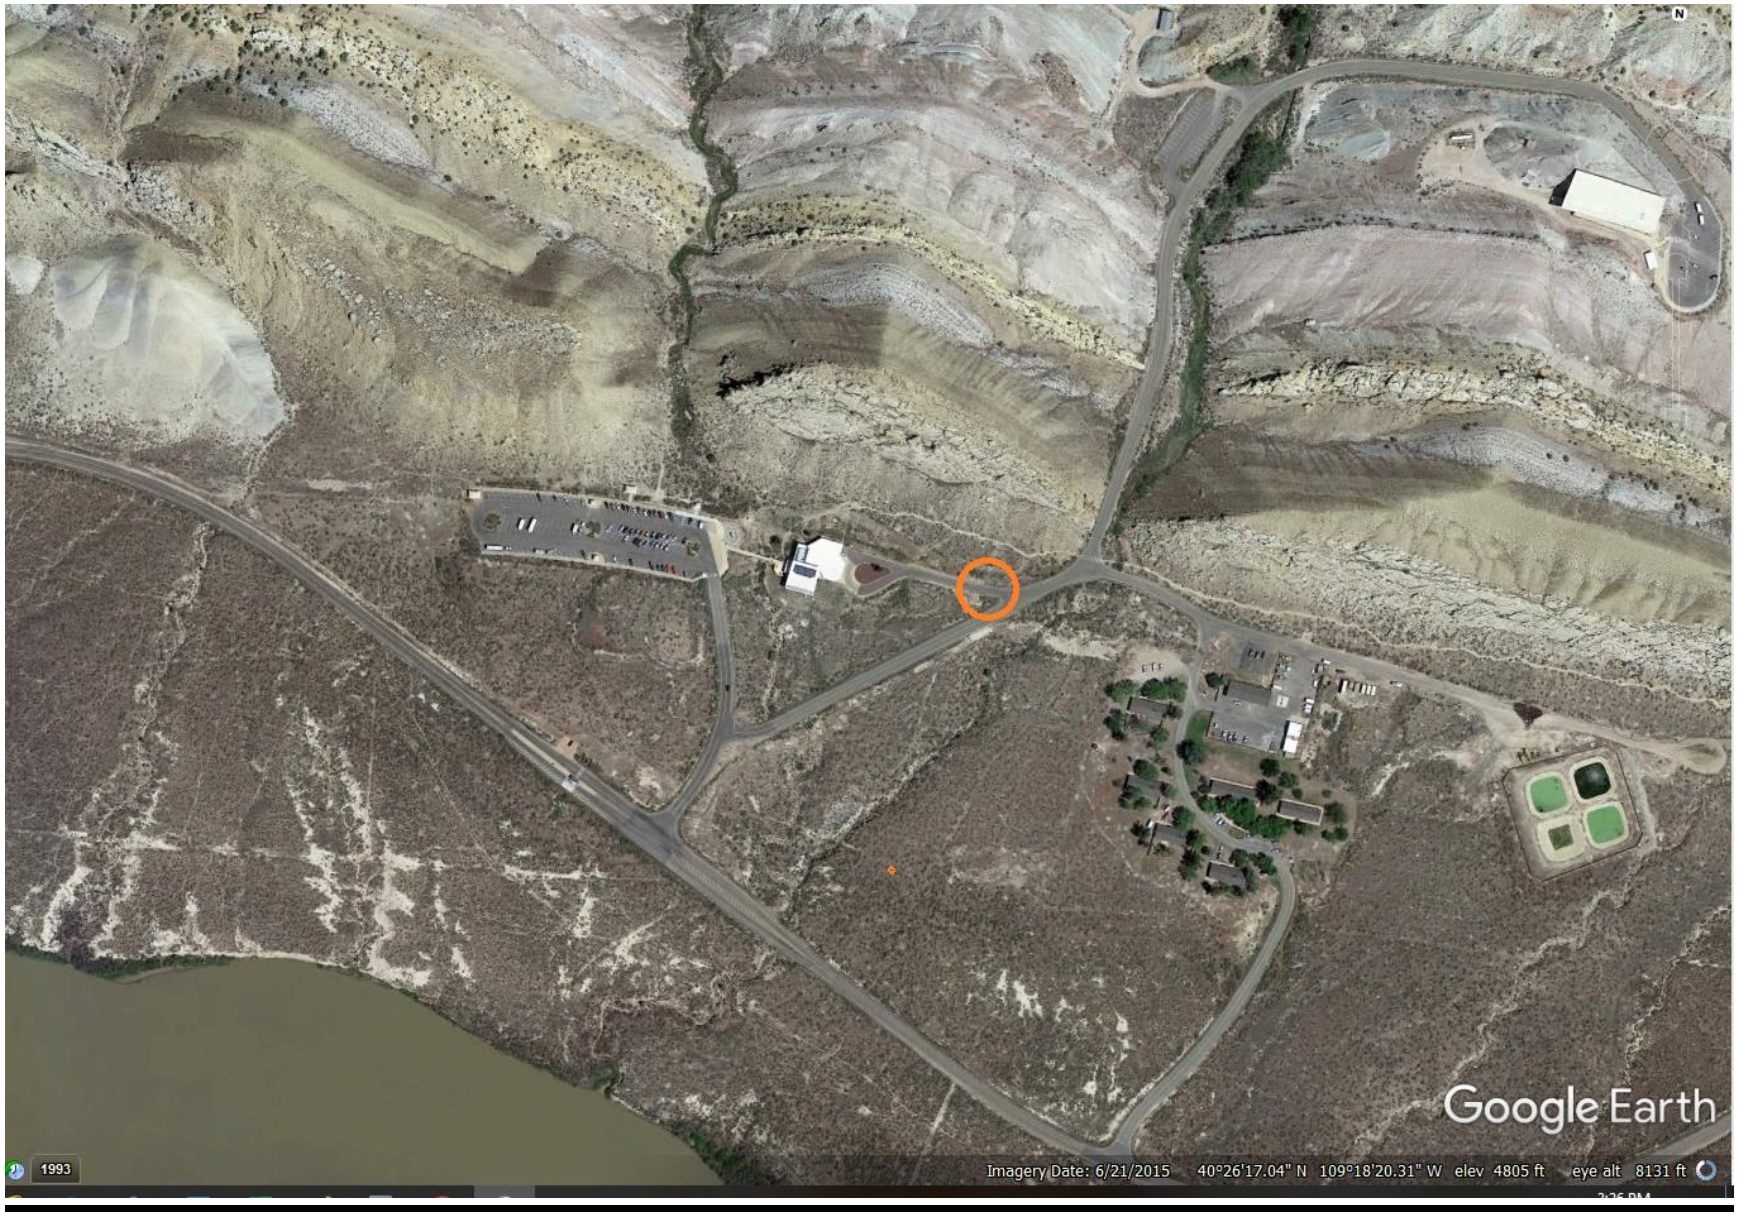

GATE I	Asset	Description	Location	Description	Latitude	Longitude
Single	**1699714**	GRCG E Loop Exit Barricade	**99448**	GRCG E Loop Road - RT 0214E	40.42080	-109.24309

This single gate will be replaced in kind, approximately 16 linear feet post to post.

GATE J	Asset	Description	Location	Description	Latitude	Longitude
Single	1444475	QVC Shuttle Loop Road Barricade	108846	Quarry Visitor Center Shuttle Bus Pickup Road - RT 0223	40.43806	-109.30559

This single gate will be replaced in kind, approximately 16 linear feet post to post.

GATE K	Asset	Description	Location	Description	Latitude	Longitude
Double	1699722	SMCG Barricade next to 4-17	249244	SMCG Closed Loop Road - RT 0200B	40.44213	-109.25216

The existing single gate will be removed. A new double gate will be installed, approximately 32 linear feet post to post.
