1	X		We are having trouble downloading the interested vendors list. Is there a plan holders list anywhere that would tell us which prime contractors are looking at bidding this job that we could reach out to?	The Interested Vendor List on SAM.gov is viewable only by users who are linked to an entity with an active Unique Entity Identifier (UEI) and hold an assigned role (such as Contract Opportunities Administrator, Data Viewer, or Data Entry). The Federal Government does not maintain or provide a separate plan holders list. If you need assistance, go to https://www.fsd.gov/gsafsd_sp.	11/3/26
