SECTION H--SPECIAL CONTRACT REQUIREMENTS

H-1 OTHER REQUIREMENTS

STORAGE AND STOCKPILING OF MATERIALS

Add the following:
Roadway and suitable areas adjacent to the site may be utilized for temporary stockpiling of materials as approved by the CO.

HAZARDOUS CONDITIONS SAFETY PLAN

The following conditions have been identified as inherently hazardous to a degree that failure to take the proper precautions could lead to serious injury or loss of life. This listing shall not be construed as all inclusive. The Contractor shall provide a written job-specific hazard analysis and safety plan that addresses and conforms to the requirements of 29 CFR 1910 and 1926 and the clause entitled Accident Prevention (FAR 52.236-13) included herein. Appropriate actions shall be taken by the Contractor to implement this plan during performance and to take any and all other necessary steps to mitigate the dangers from hazards.

- Tree falling
- Temporary excavation / deep trenching / slope stability
- Fall hazard from work heights exceeding six feet
- Heavy equipment operation
- Fire hazards

- Hazardous materials handling
- Hydraulic and/or pneumatic and/or other high-pressure hazards
- Mechanical hazards such as pulleys, springs etc.

PROSECUTION OF WORK – WORK HOUR LIMITS – WORK ITEM LIMITS

Construction activity may be performed Monday through Friday and shall be limited to the hours between 7:00 a.m. and 6:00 p.m., unless other hours are approved in writing by the COR. No work will be allowed on Federal Holidays unless approved by CO in writing.

PROTECTION OF CULTURAL RESOURCES

Location of known historic or prehistoric sites, buildings, objects and properties related to American history, architecture, archaeology and culture, such as settler or Indian artifacts, protected by American
Antiquities Act of 1906 (16 U.S.C. 431-433), National Historic Preservation Act of 1966 (16 U.S.C. 470) and the Archaeological Resources Protection Act of 1969 (PL 96-95 and 36 CFR 261.9(e)) shall
be identified on the ground by the Forest Service. Forest Service may unilaterally modify, or cancel, this contract to protect an area, object of antiquity, artifact or similar object which is, or may be, entitled to protection under these Acts regardless of when the area, object or artifact is discovered or identified. Discovery of such areas or objects by either party shall be promptly reported to the other party.

Contractor shall protect all known and identified historic or prehistoric sites, buildings, objects and properties related to American history, architecture, archaeology and culture against destructions, obliteration, removal or damage during Contractor's Operations. In accordance with 36 CFR 296.14(c), the Contractor shall bear costs of restoration, provided that such payment shall not relieve the Contractor from civil or criminal remedies otherwise provided by law.

Wheeled or track-laying equipment shall not be operated within such areas, except on roads. Unless agreed otherwise, trees will not be felled into such areas.

PROTECTION OF HABITAT OF ENDANGERED, THREATENED AND SENSITIVE SPECIES

Location of areas needing special measures for protection of plants or animals listed as threatened or endangered under the Endangered Species Act of 1973, as amended, or as sensitive by the Regional Forester under authority of FSM 2670, are shown on the Plans and identified on the ground.

If protection measures prove inadequate, if other such areas are discovered, or if new species are listed
as federally threatened or endangered, or as sensitive by the Regional Forester, Forest Service may either cancel or unilaterally modify this contract to provide additional protection regardless of when such facts become known. Discovery of such areas by either party shall be promptly reported to the other party.

AGAR Clauses

452.203-71 Anti-Discrimination and Diversity, Equity, and Inclusion (DEI) Compliance (Dec 2025)

(a) By entering into this contract, the contractor certifies that:

(1) It is compliant with all applicable Federal anti-discrimination laws and the Equal Protection principles of the U.S. Constitution, and it will remain compliant for the duration of the contract.

(2) Neither it nor any subcontractor or teaming partner operates or funds any program, policy, or initiative that promotes DEI in a manner that violates any applicable Federal anti-discrimination laws, including but not limited to Title VI and VII of the Civil Rights Act of 1964, or the Equal Protection principles of the U.S. Constitution, and the contractor and any subcontractor or teaming partner will not do so for the duration of the contract.

(b) If the contractor participates in, facilitates, or funds programs that implicate Title VI of the Civil Rights Act of 1964 or Title IX of the Education Amendments of 1972, as amended, including but not limited to grants to or for schools, colleges, universities, 4-H programs, non-governmental organization (NGO) programs, sports programs, and education-related grants to prisons or other

detention facilities, the contractor certifies that it will remain compliant with those laws, including the requirements set forth in Executive Order 14168, Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government, and Executive Order 14173, Ending Illegal Discrimination and Restoring Merit-Based Opportunity.

(c) The contractor affirms that the above requirements are conditions of payment that go to the essence of the contract and are therefore material terms of the contract. Payments under the contract are predicated on compliance with the above requirements, and therefore the contractor is not eligible for funding under the contract or to retain any funding under the contract absent compliance with the above requirements.

(d) This certification reflects a change in the Government's position regarding the materiality of the foregoing requirements and therefore any prior payment of similar claims does not reflect the materiality of the foregoing requirements to this contract.

(e) Submission of a knowing false statement relating to contractor's compliance with the above requirements and/or eligibility for the contract may subject the contractor to liability under the False Claims Act, 31 U.S.C. § 3729, and/or criminal liability, including under 18 U.S.C. §§ 287 and 1001.

(f) The contractor must include the provisions of this clause in all subcontract solicitations.

(g) Failure on the part of the contractor or its subcontractors to comply with the terms of this clause may be grounds for the Contracting Officer to terminate this contract for default.

(End of Clause)

AGAR 452.203-72 Unenforceable Supplier Terms (MAY 2026)

Cripple Creek Veg Management Roads Reconstruction
1240BJ27Q0009

(a) Definitions.

Supplier terms mean provisions customarily drafted by vendors of supplies or services and intended to create a binding legal obligation on the end user. The term applies:

(1) Regardless of the format or style of the document. For example, supplier terms may appear in standard terms of sale or lease, Terms of Service (TOS), End User License Agreement (EULA), or another similar legal instrument or agreement, and may be presented as part of a proposal or quotation responding to a solicitation for a contract or order or otherwise become effective after the contract date.

(2) Regardless of the media or delivery mechanism used. For example, supplier terms may be presented as one or more paper documents or may appear on a computer or other electronic device screen during a purchase, software installation, other product delivery, registration for a service, or another transaction.

(b) Applicability. When any supply or service acquired under this contract is subject to supplier terms, the supplier terms are deemed part of the contract only to the extent they are consistent with this clause. Supplier terms that conflict with any part of this clause, the contract, or Federal law are void and will not be considered incorporated into a contract, even if they are physically present in a contract documentation or systems. In the event of any inconsistency between supplier terms and this contract, this clause and the terms of the Government contract must govern and supersede any supplier terms in all cases.

(c) Authorization Required. Notwithstanding any other provision, no supplier terms must be binding on the Government unless the term is expressly authorized on the USDA Supplier Terms Authorization Form signed by the Contracting Officer, and the completed Authorization Form has been incorporated into the contract.

(d) Unenforceable Terms. Any supplier terms that impose obligations or restrictions inconsistent with applicable Federal law are unenforceable against the Government and deemed stricken from the agreement. This includes, but is not limited to, any clause that:

(1) Requires the Government to pay future fees, penalties, interest, legal costs, early-termination fees, cancellation fees, minimum purchase commitments, true-up payments, seat-count minimums, usage minimums, continued-use charges, or any other financial obligation not expressly authorized by the contract.

(2) Requires the Government to indemnify the contractor or any other entity.

(3) Restricts the Government's ability to obtain similar supplies or services from another source.

(4) Imposes any penalty, financial or otherwise, based on the Government's decision not to exercise an option.

(5) Subjects the United States Government to the laws of any U.S. state, territory, district, municipality, or foreign nation, except where Federal law expressly permits such application.

(6) Requires dispute resolution in a forum or venue other than one prescribed by applicable Federal law.

(7) Establishes a period of limitations for bringing an action that differs from that provided by applicable Federal law.

(8) Grants the contractor rights to use, mine, access, aggregate, analyze, or otherwise exploit Government data, usage data, or metadata.

(9) Deems the Government to have accepted initial or revised terms based on silence, continued performance, or failure to object.

(10) Grants the supplier the right to audit Government facilities, systems, records, or use of the product or service, except as expressly authorized by the contract and applicable Federal law.

(11) Requires the Government to accept supplier security requirements, network access requirements, monitoring, penetration testing, or other technical or security measures.

(12) Permits the supplier to suspend, degrade, or terminate access to products or services based on alleged non-payment, alleged breach, automated security triggers.

(13) Limits the Government's right to use, install, access, test, evaluate, or transfer the licensed product or service in any manner consistent with the contract and Federal law.

(14) Requires the Government to store, process, maintain, or transmit data in a particular geographic location, or permits the supplier to transfer Government data outside the United States, except as expressly authorized by applicable Federal law.

(15) Authorizes the supplier to use the Government's name, seal, trademark, logo, or any reference to the Government as an end user or customer for marketing, publicity, promotional activities, press releases, or similar purposes.

(16) Incorporates by reference, or requires the Government to accept, terms or conditions imposed by any third party, subcontractor, or upstream service provider, unless such terms are expressly incorporated into the contract by bilateral modification.

(17) Limits, conditions, or negates the contractor's performance obligations, service levels, or remedies through a supplier-provided service level agreement (SLA).

(18) Uses Government data, usage data, metadata, prompts, content, or interactions to train, fine-tune, improve, or derive any artificial intelligence, machine learning, or automated decision-making model.

(19) Subjects the Government to automated decision-making, automated risk scoring, automated content moderation, or any algorithmic process that may affect access, performance, or rights under the contract.

(20) Utilizes artificial intelligence or algorithmic tools that produce decisions, recommendations, or outputs affecting contract performance without providing transparency, explainability, auditability, and bias-mitigation consistent with applicable Federal law and policy.

(21) Profiles, tracks, or analyzes Government user behavior, preferences, communications, or interactions for personalization, marketing, or algorithmic optimization purposes.

(e) Non-binding Actions. Neither the Government nor any Government authorized end user is deemed to have consented to any term, condition, or clause by virtue of its inclusion in the supplier agreement or through the use of clickwrap, browsewrap, "I agree" mechanisms, or similar means. Execution of such mechanisms does not bind the Government or its authorized end users to any unenforceable terms.

(f) End user. The supplier agreement must bind the ordering activity as the end user to the extent it does not conflict with the terms of this clause, but it must not bind or impose personal liability on any Government employee or any person acting on behalf of the Government in their personal capacity.

(g) Law and disputes. The supplier agreement is governed by Federal law.

(h) Statutory exception. This clause does not apply to indemnification or any other payment by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

(i) Continued performance. The supplier or licensor must not unilaterally revoke, terminate, or suspend any rights granted to the Government except as allowed by the contract. If the supplier or licensor believes the ordering activity to be in breach of the supplier agreement, it must pursue its rights under the Contract Disputes Act or other applicable Federal statute while proceeding diligently with performance, pending final resolution of any dispute in accordance with the Disputes Clause at FAR 52.212-4(d) or FAR 52.233-1, as applicable.

(j) Arbitration. Binding arbitration must not be used unless specifically authorized by agency guidance.

(k) Equitable or injunctive relief. Equitable or injunctive relief, including the award of attorney fees, costs, or interest, may be awarded against the United States Government only when explicitly provided by statute (e.g., the Prompt Payment Act or the Equal Access to Justice Act).

(l) Revisions to supplier agreements. Any revisions to the supplier agreement must be incorporated into the contract using a bilateral modification. Unilateral revisions are not binding on the Government.

(m) No automatic renewals. If any license or service tied to periodic payment is provided under the supplier agreement (e.g., annual software maintenance or annual lease term), such license or service must not renew automatically upon expiration of its current term without prior express written consent from an authorized Government representative.

(n) Indemnification. Any clause of the supplier agreement requiring the supplier or licensor to defend or indemnify the end user is amended to provide that the U.S. Department of Justice has the sole right to represent the United States in any such action, in accordance with 28 U.S.C. 516.

(o) Taxes or surcharges. Any taxes or surcharges which the supplier or licensor seeks to pass along to the Government as end user will be governed by the terms of the associated Government contract

or order and must be submitted to the Contracting Officer for a determination of applicability prior to invoicing unless specifically agreed otherwise.

(p) Non-assignment. The supplier agreement may not be assigned, nor may any rights or obligations thereunder be delegated, without the Government's prior approval, except as expressly permitted by FAR 52.212-4(b) or FAR 52.232-23, as applicable.

(q) Confidential information. If the supplier agreement includes a confidentiality clause, such clause is amended to state that neither the agreement nor the contract price list, as applicable, must be deemed "confidential information." Issues regarding release of "unit pricing" will be resolved consistent with the Freedom of Information Act. Notwithstanding anything in the supplier agreement to the contrary, the Government may retain any confidential information as required by law, regulation, or its internal document retention procedures for legal, regulatory, or compliance purposes; provided, however, that all such retained confidential information will continue to be subject to the confidentiality obligations of the supplier agreement.

(r) Conflict with Federal law. If any other language, provision, or clause of the supplier agreement conflicts or is inconsistent with Federal law or the terms and conditions of this contract, such language, provisions, or clauses will be considered null and void and will not be binding on the United States Government.

(End of Clause)

452.204-71 Personal Identity Verification and Workforce Integrity of Contractor Employees (Apr 2026)

(a) Compliance with PIV Requirements. The contractor must comply with the personal identity verification (PIV) policies and procedures established by the United States Department of Agriculture (USDA) Directives 4620-002 series, Homeland Security Presidential Directive 12, and any implementing guidance issued by the Contracting Officer. The contractor must appoint a representative responsible for PIV compliance and must maintain a current list of employees eligible for a USDA LincPass or otherwise authorized to perform work under this contract.

(b) PIV Sponsor Availability. The PIV Sponsor for this contract is the designated Government point of contact identified in the contract, typically the COR unless otherwise specified. The Government will notify the contractor of any changes. The contractor remains responsible for meeting all PIV obligations regardless of changes in sponsor availability.

(c) Contractor Workforce Integrity and Accountability. The contractor is fully responsible for ensuring that all individuals performing under this contract are properly vetted, eligible for access, authorized to perform the work, and accurately represented. At a minimum, the contractor must implement lawful and effective internal controls to:

(1) Verify the identity, work authorization, and qualifications of all personnel assigned;

(2) Ensure only the individuals presented to USDA for PIV enrollment or identity verification perform work;

(3) Detect and address indicators of identity fraud, unauthorized substitution, or other workforce integrity risks; and

(4) Ensure continuous oversight of personnel, including remote workers, in accordance with any reporting requirements specified in the Contract.

(d) Mandatory Removal and Replacement. If the Government determines that a contractor employee fails to meet eligibility, security, integrity, or performance requirements, the Contracting Officer may direct the contractor to remove the individual from performance. The contractor must:

(1) Remove the employee immediately upon notice;

(2) Provide a qualified replacement at no additional cost to the Government; and

(3) Ensure continuity of operations so as not to impact mission requirements.

(4) Failure to promptly remove or replace employees when directed may result in remedies including withholding payment, termination, or other actions authorized under this contract.

(e) Impact on Contractor Performance. Contractor compliance with this clause, including timely removal and replacement of personnel, adherence to PIV requirements, and maintenance of workforce integrity, is a material requirement of this contract. Incidents of identity discrepancies, failure to maintain an eligible workforce, submission of personnel who do not match verified identities, unauthorized substitutions, or failure to comply with Government direction may result in termination and will be documented in the contractor's performance assessment and reflected in the Contractor Performance Assessment Reporting System (CPARS).

(f) Subcontractor Applicability. The contractor must include this clause in all subcontracts requiring routine unaccompanied physical access to a Federally controlled facility and/or routine unaccompanied access to a Federally controlled information system. The contractor is accountable for ensuring subcontractor compliance.

(g) No Government Direction of Hiring Practices. Nothing in this clause authorizes the Government to direct the contractor's internal hiring processes or require the disclosure of personal information beyond what is authorized by law, regulation, or contract terms. The contractor remains solely responsible for determining lawful methods to meet the requirements of this clause.
(End of Clause)

452.204-72 Use of Electronic Data Interchange (EDI) or Other Automation Technologies (Apr 2026)

(a) In the event that Electronic Data Interchange (EDI) functionality or other automation technologies such as Robotics Process Automation is utilized to facilitate electronic transactions between USDA and its contractors, it is the sole responsibility of the Contractor to ensure accuracy of the electronically transferred data. The Government's electronic system shall serve as the system of record for all data exchanged or retrieved.

(b) The Government shall not be liable to the Contractor for any delay or failure associated with EDI or other automation technologies. The Contractor's use of this service is at the Contractor's sole risk. For electronic or automated services provided by USDA to the contractor, the services are provided on an "as is" and "as available" basis. For electronic or automated services provided by the contractor that interact with the USDA electronic systems, the USDA is not responsible for any costs incurred by the contractor related to the development, test, or support of the services. The Contractor shall be responsible for all fees associated with EDI. The Contractor is responsible for the confidentiality and security of its systems, interfaces, interconnections, and any documents that the customer receives from The Government pursuant to the contract.

(c) The Government reserves the right to restrict, refuse, or cancel any participation in EDI services. (End of clause)

452.232-71 Progress Payments for Commercial Construction Contracts (May 2026)

(a) *Contractor entitlement to progress payments*. The contractor may request progress payments monthly as the work proceeds, or at more frequent intervals as determined by the Contracting Officer, on estimates of work accomplished that meets the standards of quality established under the contract, as approved by the Contracting Officer.

(b) *Computation of amounts*. Progress payments will be authorized when the payment requested is properly due in accordance with this contract; the work will be performed in accordance with the contract; and there has been no impairment or diminution of the Government's security under this contract. The Contracting Officer may authorize consideration of:

(1) Materials delivered on site and preparatory work;
(2) Materials delivered to the contractor at locations other than the site, if:

i. Specifically authorized by the contract; and

ii. The contractor provides satisfactory evidence of title and intended use in the contract.

(c) *Contractor request for progress payments*. The contractor's request for progress payments must include the following:

(1) An itemization of the amounts requested, related to the various elements of work required by the contract;
(2) A listing of the amount included for work performed by each subcontractor;
(3) A listing of the total amount of each subcontract;
(4) A listing of the amounts previously paid to each subcontractor; and
(5) Additional supporting data in a form and detail required by the Contracting Officer.

(d) *Contractor Certification.* Each request for progress payment must be accompanied by the following certification:

I hereby certify, to the best of my knowledge and belief, that—

(1) The amounts requested are only for performance in accordance with the specifications, terms, and conditions of the contract;
(2) All payments due to subcontractors and suppliers from previous payments received under the contract have been made, and timely payments will be made from the proceeds of the payment covered by this certification, in accordance with subcontract agreements and the requirements of Chapter 39 of Title 31, United States Code;
(3) This request for progress payments does not include any amounts which the prime contractor intends to withhold or retain from a subcontractor or supplier in accordance with the terms and conditions of the subcontract; and
(4) This certification is not to be construed as final acceptance of a subcontractor's performance.

_____(name)

_____(title)

_____(date)

(e) *Access for verification of payment entitlement.* To verify the contractor's entitlement to progress payments under this contract, the contractor must provide the Government, upon request and during normal business hours, access to the following:

(1) Records and Documentation:

i. Certified progress payment requests and supporting documentation;

ii. Subcontractor and supplier invoices, payment records, and lien waivers;

iii. Updated schedule of values and progress schedules;

iv. Quality assurance and inspection reports;

v. Payroll records, if applicable under labor provisions.

(2) Facilities and Worksite Access:

i. Physical access to the construction site for inspection of work progress;

ii. Access to off-site storage locations for materials billed but not yet incorporated into the work; or

iii. Access to any fabrication facilities where contract-related work is being performed.

(3) Access to electronic invoicing or project management systems used to track progress and payments, if such systems are used in contract performance.

(f) *Dates for payment*. A progress payment under this clause is a contract progress payment under the Prompt Payment clause of this contract, and except as provided in paragraph (g) of this clause, approved requests must be paid within 30 days of submitting a proper request for payment.

(g) *Liquidation of progress payments*. Progress payments must be liquidated by deducting from the payment of each item the total unliquidated amount of progress payments made for that separately

priced unit of that line item. The liquidation amounts for each line item must be clearly delineated in each request for progress payment submitted by the contractor.

(h) *Security for progress payments.* In the event that the contractor fails to provide adequate security as required in this contract, no progress payment must be made under this contract. Upon receipt of adequate security, progress payments must be made, including all previous payments to which the contractor is entitled, in accordance with the terms of the contract. If at any time the Contracting Officer determines that the security provided by the contractor is insufficient, the contractor must promptly provide such additional security as the Contracting Officer determines necessary. In the event the contractor fails to provide such additional security, the Contracting Officer may collect or liquidate such security that has been provided, and suspend further payments to the contractor; the contractor must repay to the Government the amount of unliquidated progress payments as the Contracting Officer at his sole discretion deems repayable.

(i) *Special terms regarding termination for cause*. If this contract is terminated for cause, the contractor must, on demand, repay the Government the amount of unliquidated progress payments. The Government must be liable for no payment except as provided by the Termination for Cause paragraph of the clause at Federal Acquisition Regulation 52.212-4, Contract Terms and Conditions—Commercial Products and Commercial Services.

(j) *Reservation of rights.*

(1) No payment, vesting of title under this clause, or other action taken by the Government under this clause must-

i. Excuse the contractor from performance of obligations under this contract; or

ii. Constitute a waiver of any of the rights or remedies of the parties under the contract.

(2) The Government's rights and remedies under this clause-

i. Shall not be exclusive, but rather must be in addition to any other rights and remedies provided by law or this contract; and

ii. Shall not be affected by delayed, partial, or omitted exercise of any right, remedy, power, or privilege, nor must such exercise or any single exercise preclude or impair any further exercise under this clause or the exercise of any other right, power, or privilege of the Government.

(k) *Refund of unearned amounts*. If the contractor, after making a certified request for progress payments, discovers that a portion or all of such request constitutes a payment for performance by the contractor that fails to conform to the specifications, terms, and conditions of this contract (hereinafter referred to as the "unearned amount"), the contractor must-

(1) Notify the Contracting Officer of such performance deficiency; and
(2) Be obligated to pay the Government an amount (computed by the Contracting Officer in the manner provided in paragraph (j) of this clause) equal to interest on the unearned amount from the 8th day after the date of receipt of the unearned amount until-

i. The date the contractor notifies the Contracting Officer that the performance deficiency has been corrected; or

ii. The date the contractor reduces the amount of any subsequent certified request for progress payments by an amount equal to the unearned amount.

(l) *Retainage*. If the Contracting Officer finds that satisfactory progress was achieved during any period for which a progress payment is to be made, the Contracting Officer must authorize payment to be made in full. However, if satisfactory progress has not been made, the Contracting Officer may retain a maximum of 10 percent of the amount of the payment until satisfactory progress is achieved. When the work is substantially complete, the Contracting Officer may retain from previously withheld funds and future progress payments that amount the Contracting Officer considers adequate for protection of the Government and must release to the contractor all the remaining withheld funds. Also, on completion and acceptance of each separate building, public work, or other division of the contract, for which the price is stated separately in the contract, payment must be made for the completed work without retention of a percentage.

(m) *Title, liability, and reservation of rights*. All material and work covered by progress payments made must, at the time of payment, become the sole property of the Government, but this must not be construed as-

(1) Relieving the contractor from the sole responsibility for all material and work upon which payments have been made or the restoration of any damaged work; or
(2) Waiving the right of the Government to require the fulfillment of all the terms of the contract.
(3) The Government's rights and remedies under this clause-

i. Shall not be exclusive, but rather must be in addition to any other rights and remedies provided by law or this contract; and

ii. Shall not be affected by delayed, partial, or omitted exercise of any right, remedy, power, or privilege, nor must such exercise or any single exercise preclude or impair any further exercise under this clause or the exercise of any other right, power, or privilege of the Government.

(n) *Reimbursement for bond premiums*. In making these progress payments, the Government must, upon request, reimburse the contractor for the amount of premiums paid for performance and payment bonds (including coinsurance and reinsurance agreements, when applicable) after the contractor has furnished evidence of full payment to the surety. The retainage provisions in paragraph (l) of this clause must not apply to that portion of progress payments attributable to bond premiums.

(o) *Final payment*. The Government must pay the amount due to the contractor under this contract after-

(1) Completion and acceptance of all work;
(2) Presentation of a properly executed voucher; and
(3) Presentation of release of all claims against the Government arising by virtue of this contract, other than claims, in stated amounts, that the contractor has specifically excepted from the operation of the release. A release may also be required of the assignee if the contractor's claim to amounts payable under this contract has been assigned under the Assignment of Claims Act of1940 (31 U.S.C.3727 and 41 U.S.C. 6305).

(p) *Limitation because of undefinitized work*. Notwithstanding any provision of this contract, progress payments must not exceed 80 percent on work accomplished on undefinitized contract actions. A "contract action" is any action resulting in a contract, as defined in FAR subpart 2.1, including contract modifications for additional supplies or services, but not including contract modifications that are within the scope and under the terms of the contract, such as contract modifications issued pursuant to the Changes clause, or funding and other administrative changes.

Evaluation and Basis for Award

52.252-1 Solicitation Provisions Incorporated by Reference Feb 1998
This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. The offeror is cautioned that the listed provisions may include blocks that must be completed by the offeror and submitted with its quotation or offer. In lieu of submitting the full text of those provisions, the offeror may identify the provision by paragraph identifier and provide the appropriate information with its quotation or offer. Also, the full text of a solicitation provision may be accessed electronically at this/these address(es): https://www.acquisition.gov/far-overhaul/far-part-deviation-guide/far-overhaul-part-52

52.212-1 Instructions to Offerors - Commercial Products and Commercial Services (Nov 2025)

Instructions to Quoters.

(1) *Submission of quotations*. Submit quotations via email to Traci Jackson at

Traci.jackson@usda.gov.

Quotations must be received via email by 1700 Pacific time on

December 4, 2026

As a minimum, quotations shall identify the solicitation number, company name, Unique Entity Identifier (UEI) number, address, email, telephone number, and provide the following in a word document, excel spreadsheet or PDF.

(i) Acknowledge Amendments - if solicitation amendments are posted to https://sam.gov,
then the quoter shall acknowledge receipt of amendments to the solicitation, giving number and date of each;

(ii) Pricing - provide unit pricing and extended totals for each line item on the schedule; and

(2) *Requests for information*. The contracting officer will not directly notify unsuccessful quoters that responded to this solicitation; award information will be posted to https://sam.gov.Quoters may request information on award(s) resulting from this solicitation from the contracting officer.

(3) **Questions**
Questions shall be submitted via email to Traci.jackson@usda.gov and are due no later than November 20th, 2026 at 12:00 PM Pacific Time. This will ensure enough time to respond before the solicitation period ends. Please include the solicitation name and number as the subject line of the email.

(4) Period for acceptance of offers.
The Offeror agrees to hold the prices in its offer firm for **90 calendar days** from the date specified for receipt of offers.

Evaluation
Award will be based on **price**. The Government will offer an order (contract) to the responsible (FAR subpart 9.1) quoter with a reasonable price (FAR 15.404-1(b)). The government expects to make an award without discussions, however, reserves the right to conduct discussion if necessary. The Government may reject any or all quotes and waive minor informalities or irregularities in quotes received.
