☑ No

★SECTION TIPS

CUSTOMER MARKET RESEARCH

Required for all new awards unless planned as a Task Order/Delivery Order/BPA Call using an existing FS or USDA contract/BPA. Vendor quotes are not to be submitted, requesting quotes is a PPS function.
Utilize the required Customer Market Research Template

Section Not Used

Consult your APSO and/or CSA/CO Lead prior to completing Acquisition Planning Documentation to ensure PPS concurrence on content. It is a Program Office responsibility to coordinate plans through the Forest Supervisor/Station Director (or equivalent) prior to obtaining Regional Forester/Station Director (or equivalent SES) signature, and MASPM signature when applicable. If required, Acquisition Plans should have been completed prior to completion of this Requisition Checklist.

ABBREVIATED ACQUISITION PLAN (AAP)

Required for any contract type > $1M ≤ $7.5M and not a major program.
Required for FFP contract type > $7.5M ≤ $50M and not a major program.

☑ No

FORMAL ACQUISITION PLAN

Required for non-FFP contract type >$7.5M and not a major program.
Required for major program contracts defined by AGAR 434.001.

☑ No

Bridge contracts, regardless of dollar value, require an AAP unless a Formal Acq Plan is required in accordance with the thresholds above. Bridge contracts are defined as..."short-term contracts awarded upon the expiration of an existing contract to the incumbent contractor, on a sole source basis, until a competitive contract is awarded."

Section Not Used

HSPD-12 REQUIREMENTS

IT access, or routine unaccompanied access to Federal facility >6 months?

☑ No

Sponsors from the requiring office shall determine the applicability of the requirements of HSPD-12, FIPS PUB 201-1, and OMB Memorandum M-05-24.

HSPD-12 Website Link | See FAQ 4.5 for USDA Credential Matrix

SELECT APPLICABLE DOCUMENT

Attach File | Document Templates

Contact Acquisition Program Support Officer (APSO) if assistance is needed in determining which type of document to submit.

☑ Statement of Work (SOW)

☑ COR NOMINATION

CORs are required for service, construction, and AE contracts. COs may require CORs to be designated on other contracts. CORs must have IPP access.

SUBMIT CURRENT COR CERTIFICATION AND COR NOMINATION:

- Current FAC-COR Certificates
  Submit proof of current FAC-COR certification. Also submit CLIP Report from CSOD if date on COR certification is > 2 yrs old.
  Submit CPARS Overview and FAC 089 course certificates.
- COR Nomination Attach File
  Submit COR Nomination Form See Section Tips for signatory requirements.

SINGLE SOURCE or BRAND NAME DOCUMENTATION

☑ No

Required if requesting sole source or specific brand name | Not required for 8(a) sole source contracts | Consult CO on applicability for contract modifications

1-Single Source or Brand Name, FAR Part 13 <=$250K (Open Market)

2-Single Source or Brand Name, FAR Part 6 or 13.5 >$250K (Open Market)

3-Single Source or Brand Name, FAR Part 8 (GSA Schedules or GSA Based BPAs)

4-Single Source or Brand Name, FAR Part 16.5 Multiple-Award IDIQs and GWACs

ACCOUNTABLE REAL OR PERSONAL PROPERTY

☐ Yes ☑ No

IAS Requisition requires coordination through PMO, Property Specialist, or Fleet Manager for all accountable real or personal property. Requisition must be sent to fleet/property staff for approval in IAS prior to Budget approval. Accountable property includes all items with a unit acquisition cost of $5K or more, and any item valued less than $5K, but considered sensitive property. All accountable property requisition line items must be by Quantity (EACH) instead of Dollars. Verify correct BOC with Property Specialist as needed. **Accountable property cannot be paid with a credit card.**

LIST OF SUSTAINABLE PRODUCTS

☑ No

To be purchased or supplied as part of the contract. Required for supply, janitorial, construction, ops & maint type contracts. Energy Star, water efficient, EPEAT, Bio-Based, Environmentally Preferable, etc.

USDA BioPreferred Site

INDEPENDENT GOVERNMENT COST ESTIMATE (IGCE)

☑ Yes Attach File

Required for all requisitions unless a pre-priced line item under an existing contract.
Must align with Schedule of Items. Do not provide a contractor quote.

SCHEDULE OF ITEMS

Attach File

(Contract Line Items / Payment) **Required with all requisitions for new work.**

☐ Check Optional Box to indicate a Site Visit is requested.

RECOMMENDED EVALUATION CRITERIA

☑ Yes Attach File

Required to evaluate contractors on factors other than price.

PROJECT MAPS

☑ Yes Attach File

As applicable. Required if needed for vendors to find the project area.

LOCATION OF WORK FOR WAGE DETERMINATION PURPOSES

County(s), or Geographic Area if Multple States: Rio Grande

State/Territory: Colorado

EXCEPTION STATUS

Select either Excepted or Non-Excepted

☑ Non-Excepted/Non-Essential; select for awards for work that will stop if there is a government shutdown.

OTHER APPROVALS

☑ No

Use of stewardship retained receipts, Safety, NEPA, Leasing Officer approval for construction with leased facilities, SF-182, Fleet approvals such as Vehicle Allocation Methodology (VAM) or Project Equipment Request forms, TA/AAR, Heritage, Housing Availability Determination, Required HUD Clearance (Title V Checklist), and PMO Coordination prior to award of demolition contracts, etc.

☐ Check Optional Box to include Notes to Buyer.

INHERENTLY GOVERNMENTAL FUNCTIONS

☑ Services are not Inherently Governmental

Review template for IGF determination

Services have been reviewed IAW FAR 7.503(e) and compared with inherently governmental services listed at FAR 7.503(c). Selecting the appropriate box and signature documents that the signer has the requisite knowledge and authority in the program office, and this statement serves as the required written determination.
