	The purpose of this Amendment is to: 1. Attempt to rectify the SAM.Gov announcement itself where the announcement page does not indicate the Total Small Business Set-Aside listed in the Combined Synopsis/Solicitation. Please see paragraph 4 of the 1449 Combined Synopsis/Solicitation under "Description" where the government has clearly set the requirement aside 100% Total Small Business, under the applicable NAICS, for reference. 2. All other Terms & Conditions remain unchanged under this Amendment, however, the government has received quite a few questions regarding the Statement of Work details and pricing format. The NPS is reviewing these questions and will more than likely post another Amendment to rectify such issues within the SOW and Pricing Document, as soon as possible.
