DESCRIPTION/SPECIFICATIONS/WORK STATEMENT

BLM COTTONWOOD FIELD OFFICE JANITORIAL SERVICES

1. General: The purpose of this performance work statement is to secure janitorial services for the Bureau of Land Management Cottonwood Field Office, 2 Butte Drive, Cottonwood, ID. This complex consists of an administration building and warehouse. Total office space to be cleaned is approximately 5,562 square feet. Work area includes all office areas, common areas, public areas, restrooms, and break rooms.

2. Description of Work: The Contractor shall provide management, supervision, labor, supplies, materials, equipment, and tools, except for specified Government-furnished material (see paragraph 8 below), required to effectively, efficiently, and satisfactorily perform the janitorial services specified within this Performance Work Statement (PWS). The work shall comply with codes and standards applicable to each type of work and as listed in the individual sections within these specifications.

3. Facilities:

A. Administrative (Main) Office Building - The administrative building is a single-story structure with three (3) main entrances and three (3) secondary exits, with no stairs or elevators. The building has approximately 5,151 sq. ft. of office area including three (3) restrooms. Of this footage, approximately 4,194 sq. ft. are carpeted, 388 sq. ft. are ceramic tile and 568 sq. ft. are polished concrete flooring. The office is an open office concept using mostly freestanding partition walls but does include some individual office space. The approximate ceiling height is 106 inches. There are thirty-four (34) ground level exterior windows.

The administration building shall be serviced except for rooms 113, 115, 117, 118, 119, 120, 123, 124 and 125. Contractor shall not open or enter locked rooms.

B. Warehouse Building - The building has approximately 390 sq. ft. of area to be cleaned and consists of approximately 390 sq. ft. of polished concrete flooring. The approximate ceiling height is 106 inches. There is one (1) window, one (1) restroom, one (1) shower room and one (1) connecting hallway.

The warehouse building shall be serviced except for rooms 201, 202, 204, 206, 209 and 210. Contractor shall not open or enter locked rooms.

4. Period of Performance: Work is anticipated to commence on January 26, 2027, through January 25, 2028, and may include one (1) option period of January 26, 2028, through January 25, 2029.

5. Definitions: As used throughout this contract, the following terms shall have the meaning set forth below:

Clean: "Clean" is defined as free of dirt, dust, spots, streaks, stains, smudges, litter, debris and other residue. Clean, cleaning, or cleanup, as used in this contract, is the removal of any foreign material or matter including but not limited to, candy, tobacco, gum, sand, dirt, mud, dust, gravel, grass and other vegetal material, scuff marks, oil spots, grease spots, pencil marks, pen marks, and crayon marks, in order to leave the surface free from dirt or impurities, unsoiled and unstained.

Disinfect: Cleaning in order to destroy , neutralize, or inhibit growth of harmful microorganisms.

Waste Containers: Waste containers are defined as trash receptacles, wastebaskets, trashcans, wastepaper baskets, paper shredder containers or any container holding trash, paper, or refuse of any type.

Carpeted Areas: Include hallways, offices, rooms, mats, walls, covered or protected by commercial type carpeting or fabric.

Uncarpeted Areas: Any area consisting of smooth finish concrete, linoleum or vinyl tiles, ceramic tiles, weather resistant grating, and weather resistant rubber matting, constitutes uncarpeted areas.

Servicing: The re-supply of materials necessary to accomplish the cleaning or operational task or the replenishment of items or materials consumed during daily use or operation.

6. HSPD-12 Requirements: Performance of this contract requires contractor personnel to have a Federal government-issued Personal Identity Verification (PIV) credential before being allowed unsupervised access to a DOI facility and/or information system. The Contracting Office Representative (COR) will be the requesting official and will make arrangements through a DOI Access Card Sponsor for personal identity verification and DOI Access Card issuance. Note: Personal Identifiable Information (PII) cannot be sent electronically without encryption and must be secured.

The Contractor must identify all contractor and subcontractor personnel who will require (physical and/or logical) access for performance of work under this contract within ten (10) calendar days after contract award. Physical Access means routine, unescorted or unmonitored access to nonpublic areas of a federally controlled facility. Logical Access means routine, unsupervised access to a Level 3 or 4 federally controlled information system. The Contractor must make their personnel available at the place and time specified by the COR or DOI Access Card Sponsor in order to initiate screening and background investigations. The following forms and inquiries, or their equivalent, will be used to initiate the credentialing process:

- OPM Standard Form 85 or 85P
- OF 306
- Fingerprint card (local procedures may require the fingerprinting to be done at a police station; in this case, any charges are to be borne by the contractor)
- Release to Obtain Credit Information
- PIV card application (web-based)

Contractor employees are required to give, and to authorize others to give, full, frank, and truthful answers to relevant and material questions needed to reach a suitability determination. Refusal or failure to furnish or authorize provision of information may constitute grounds for denial or revocation of credentials. Government personnel may contact the contractor personnel being screened or investigated in person, by telephone or in writing, and the Contractor agrees to make them available for such contact.

Alternatively, if an individual has already been credentialed by another agency through OPM, and that credential has not yet expired, further investigation may not be necessary. Provide the COR with documentation that supports the individual's status.

During performance of the contract, the Contractor must keep the COR apprised of changes in personnel to ensure that performance is not delayed by compliance with credentialing processes.
Cards that have been lost, damaged, or stolen must be reported to the COR and Issuing Office within 24 hours. If reissuance of expired credentials is needed, it must be coordinated through the COR. At the end of contract performance, or when a contractor employee is no longer working under this contract, the Contractor must ensure that all identification cards are returned to the COR.

This requirement must be incorporated into any subcontracts that require subcontractor personnel to have routine unsupervised access to a federally controlled facility for more than 180 calendar days or any unsupervised access to a federally-controlled Level 3 or 4 information system. Additional information is included in the Section of this solicitation titled **"Security Requirements: Facility Access and Information Technology".**

7. Contractor Furnished Materials/Equipment: The Contractor shall provide the following equipment, materials and/or supplies that are necessary to perform the janitorial services identified within this performance work statement:

Equipment: All necessary cleaning equipment, including power-driven scrubbing, buffing and polishing machines, vacuum cleaners, etc., shall be of the type and size customarily used in high quality work of this kind. All equipment shall be furnished and maintained by the contractor at their expense and shall be approved by the COR.

Hazardous Materials: The contractor shall document and post a Safety Data Sheet (SDS) by the stored janitorial supplies; contractor shall ensure that Safety Data Sheets (SDS's) are made available to employees; the employee should have immediate access to the SDS without leaving their workspace. The contractor shall maintain a binder with all SDS's for cleaning supplies that are used during the performance of this contract. This binder shall be posted in a location close to the storage area; all employees of the contractor shall be informed of the location of this binder.

Upon award of contract, the contractor has ten (10) business days after date of contract award to submit a listing of all consumable cleaning supplies that will be used in the performance of this contract to the COR for review and approval. The use of "Green" or environmentally safe products is required. This includes using bio-based, environmentally preferable, energy- efficient, water-efficient, and recycled-content products and use of paper of at least 30% post- consumer fiber content. To find out more, please refer to www.epa.gov. The contractor shall include the Safety Data Sheet (SDS) (formerly known as Material Safety Data Sheet (MSDS).

The BLM has the right to reject any cleaning supplies and request a substitute product. The BLM has final determination on supplies in the event of a disagreement between the BLM and the contractor. The contractor is responsible for ensuring that proper storage of all cleaning supplies is maintained. Cleaning supplies shall not be stored on the floor in the warehouse area. The contractor is responsible for arranging delivery of supplies to the BLM facility. A representative of the contractor will be required to sign for receipt and acceptance of supplies at the BLM facility.

Supplies: The contractor shall furnish all janitorial cleaning supplies, except those materials furnished by the government (see paragraph 8 below). The COR will designate storage areas for the supplies. The Government has the right to approve or reject any supplies and request a replacement or substitute.

Uniforms: The contractor shall require all employees, including onsite supervisors, to wear distinctive uniform clothing for ready identification, and ensure that every employee is in uniform upon reporting for duty under this contract.

8. Government Furnished Materials: The Government will furnish secure areas for the storage of Contractor-furnished materials. The storage areas will be identified by the COR upon award of Contract. These storage areas shall be kept clean at all times by the Contractor. Supplies and equipment shall be neatly stored to avoid blocking access to electrical service distribution panels, fire extinguishers, heating and cooling components and control panels, entryways, egress points, and any Government property that may be stored in this area.

The Government will furnish water and electrical power for the Contractor to perform the services under this Contract.

Dumpsters are located in the southeast corner of the compound outside of the fenced ware yard. These shall be used to dispose of all waste collected by janitorial staff.

All materials furnished by the Government will be on site at the Cottonwood Field Office and accessible to the contractor. Contractor will be responsible for notifying the COR when Government furnished material are getting low and need resupplied before running out.

The Government shall furnish the following materials:

- Hand Towels
- Paper Towels
- Facial Tissue Paper
- Toilet Paper
- Toilet Seat Covers
- Garbage Bags
- Hand Soap
- Dish Soap
- Air Fresheners

9. Safety: The Contractor shall use all necessary precautions for the control and safety of their contractor employees during performance of this contract.

Prior to commencement of work, the Contractor shall be acquainted with the location of the fire protection equipment, to assure that such equipment is available. The Contractor shall take necessary action to assure that all flammable materials, all cloths and waste that might constitute a fire hazard are placed in metal containers and removed from the buildings at the end of each day. No flammables shall be stored in the building overnight.

All Contractor personnel shall comply with all applicable Federal, State and local laws while engaged in the performance of this contract to include safety policies and regulations established by the BLM. All hard copy publications are available via the referenced websites below. Supplements or amendments to listed publications may be issued during the life of the contract.

The Contractor shall comply with all provisions of the William-Steiger Occupational Safety and Health Act of 1970, all applicable safety and health regulations that have been promulgated by the Secretary of Labor under the Williams-Steiger Occupational Safety and Health Act of 1970, to include 29 Code of Federal Regulation (CFR) Part 1910 (Occupational Safety and Health Standards), and all applicable safety and health codes and standards of the state and local jurisdictions where the work is to be performed.
Periodic inspections will be made by the Government to ensure safe and healthy working conditions.

Provisions of the William-Steiger Occupational Safety and Health Act of 1970 and the Occupational Safety and Health Standards can be found at the following links:

- William-Steiger Occupational Safety and Health Act of 1970
- http://www.osha.gov/pls/oshaweb/owasrch.search_form?p_doc_type=OSHACT

- Link is: http://www.osha.gov/pls/oshaweb/owastand.display_standard_group?p_toc_level=1&p_part_number=1910

The contractor shall ensure that personnel comply with all BLM safety, health, fire protection, and security policies, guidelines, and directives. The contractor shall ensure safety in the assigned work areas, and shall identify safety hazards to the COR. Before any work is performed, the contractor shall advise persons performing the work of any hazards involved.

10. Security of Facilities: The contractor shall be responsible for checking and securing the building doors. Responsibility includes checking and locking all exterior doors, including overhead doors, and turning off all lights when leaving the building. Contractor may leave lights on in limited areas where Government employees are working after regular working hours.

At no time will Contractor personnel violate building, area, or room security by propping open exterior doors and leaving them unattended during trash removal or other janitorial operations. This includes janitorial closets.

Contractor personnel shall not allow anyone use of any key in their possession or permit entrance of persons not authorized into the building. Contractor shall not open locked rooms or areas to permit entrance by persons or contractor personnel.

11. Protection and Damage: The Contractor shall, without additional expense to the Government, be responsible for all damage to persons and property that occurs as a result of their negligence in connection with the performance of work under this contract. Breakage or loss of office equipment or other property as a result of the Contractor's operations shall be repaired or replaced by the Contractor at his/her expense.

12. Emergency Reporting:

Emergency Reporting: The contractor shall require each employee to IMMEDIATELY report fires, floods or other emergency incidents by calling 911 from any available telephone, and then contact the COR. Contractor staff MAY NOT attempt to extinguish any fire or attempt any rescue operations; however they shall report such emergencies to the appropriate personnel. It is the on-duty contractor-designated site supervisor's responsibility to ensure the safe exit of contractor employees from areas in the event of a fire. Prior to commencing work, the contractor and the site supervisors shall become acquainted with the location of fire protection equipment. Other emergencies such as a broken pipe or evidence of a recent break-in must be reported to the COR immediately.

Miscellaneous Reporting: Items in need of repair such as leaky faucets, broken toilet seats, etc., shall be reported in writing to the COR at the end of each shift.

Lost and Found: The Contractor shall give all articles found to the designated COR.

13. Work Schedule: All work under this contract shall be performed Monday through - Friday, between the hours of 5:00 p.m. and 10:00 p.m. and on Saturday and Sunday with prior approval from the Contracting Officer Representative (COR). Work will not be permitted on Federal holidays, unless authorized by the COR.

Venetian Blinds: Venetian blinds shall be dusted or otherwise cleaned so that they are free of all insects, dirt, spots, and lint.
Convectors: Convectors, including ventilation registers and bathroom fans, shall be cleaned so that they are free of all dirt, dust, and lint.
Light Fixtures: Incandescent light fixtures with glass globes, exit signs, fluorescent lenses, and fluorescent tubes shall be cleaned so that they are free of all dirt, dust, insects, and smears.
Walls, Ceilings and Floor Molding and Doors: Shall be free of dust, cobwebs, spots, stains and encrustations.
Deep Clean Floors: All linoleum floors in the break rooms will be stripped and waxed using compatible professional grade solutions and equipment. All moveable objects, such as chairs, tables, boxes, waste baskets, garbage cans, etc., shall be moved to ensure broad spectrum cleaning. A thoroughly clean floor shall be free of litter, soil, stains, embedded foreign matter and grit and have a like new appearance. The Contractor shall notify the COR two (2) weeks in advance of the date the floors will be stripped and waxed.

E. Annual Services:

Carpet Cleaning: All carpeted floors shall be shampooed and all stains and spots removed annually. This will be completed on a weekend in the month of May. The Contractor shall notify the COR two (2) weeks in advance of the date the carpet will be shampooed.
Shampooing: Hot water extraction method only shall be used. Interface Maintenance Specification Guide will be provided to the contractor.
Stain and Spot Removal: Contractor shall only use stain removers, solvents, and/or cleaners that are approved for this application to avoid damage or discoloration to the upholstered chairs or carpets. The COR shall be notified of areas where the spot or stain cannot be removed and what methods were used.

15. Quality Assurance Surveillance Plan: Monthly payment is dependent on consistent, satisfactory completion of all work requirements. If performance is unsatisfactory or work is not completed per specifications, the COR may require re-work of those services or a percentage of the Contractor's monthly payment may be withheld.

Performance Requirements Summary

Performance Objective	Weight	Maximum Allowable Defect Rate	Surveillance Method
Perform work according to the performance work statement	100%	Three (3) defects per Month	Random Sampling Inspection or Verified Customer Complaint

Performance Evaluation Process: The COR will conduct periodic surveillances of the facility to ensure contractor compliance. If the contractor performance is deficient, the course of action is dependent on the severity, impact, and/or frequency of the non-performance. Rework is the first action to resolve deficiencies.

When rework has been completed by the contractor, the COR will inspect to verify the work has been completed and is accepted. The COR may use validated customer complaints as a basis to document discrepancies in contractor performance. Quarterly inspections shall be conducted jointly by the COR and Project Lead.

2. 52.217-9 Option to Extend the Term of the Contract (MAR 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor within 30 days of the start of the next Option Year; provided that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 days before the contract expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed 24 months.

3. 52.222-55 Minimum Wages for Contractor Workers under Executive Order 14026 (DEVIATION) (Nov 2025)

(a) Definitions. As used in this clause—
United States means the 50 states, the District of Columbia, Puerto Rico, the Northern Mariana Islands, American Samoa, Guam, the U.S. Virgin Islands, Johnston Island, Wake Island, and the outer Continental Shelf as defined in the Outer Continental Shelf Lands Act (43 U.S.C. 1331, et seq.).
Worker –
(1)(i) Means any person engaged in performing work on, or in connection with, a contract covered by Executive Order 14026, and–
(A) Whose wages under such contract are governed by the Fair Labor Standards Act (29 U.S.C. chapter 8), the Service Contract Labor Standards statute (41 U.S.C. chapter 67), or the Wage Rate Requirements (Construction) statute (40 U.S.C. chapter 31, subchapter IV);
(B) Other than individuals employed in a bona fide executive, administrative, or professional capacity, as those terms are defined in 29 CFR part 541; and
(C) Regardless of the contractual relationship alleged to exist between the individual and the employer.
(ii) Includes workers performing on, or in connection with, the contract whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(c).
(iii) Also includes any person working on, or in connection with, the contract and individually registered in a bona fide apprenticeship or training program registered with the Department of Labor's Employment and Training Administration, Office of Apprenticeship, or with a State Apprenticeship Agency recognized by the Office of Apprenticeship.
(2) (i) A worker performs on a contract if the worker directly performs the specific services called for by the contract; and
(ii) A worker performs in connection with a contract if the worker's work activities are necessary to the performance of a contract but are not the specific services called for by the contract.

(b) Executive Order Minimum wage rate.
(1) The Contractor shall pay to workers, while performing in the United States, and performing on, or in connection with, this contract, a minimum hourly wage rate of $15.00 per hour beginning January 30, 2022.
(2) The Contractor shall adjust the minimum wage paid, if necessary, beginning January 1, 2023, and annually thereafter, to meet the applicable annual E.O. minimum wage. The Administrator of the Department of Labor's Wage and Hour Division (the Administrator) will publish annual determinations in the Federal Register no later than 90 days before the effective date of the new E.O. minimum wage rate.

The Administrator will also publish the applicable E.O. minimum wage on https://www.sam.gov (or any successor website), and a general notice on all wage determinations issued under the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute, that will provide information on the E.O. minimum wage and how to obtain annual updates. The applicable published E.O. minimum wage is incorporated by reference into this contract.

(3) (i) The Contractor may request a price adjustment only after the effective date of the new annual E.O. minimum wage determination. Prices will be adjusted only for increased labor costs (including subcontractor labor costs) as a result of an increase in the annual E.O. minimum wage, and for associated labor costs (including those for subcontractors). Associated labor costs shall include increases or decreases that result from changes in social security and unemployment taxes and workers' compensation insurance, but will not otherwise include any amount for general and administrative costs, overhead, or profit.
(ii) Subcontractors may be entitled to adjustments due to the new minimum wage, pursuant to paragraph (b)(2). Contractors shall consider any subcontractor requests for such price adjustment.
(iii) The Contracting Officer will not adjust the contract price under this clause for any costs other than those identified in paragraph (b)(3)(i) of this clause, and will not provide duplicate price adjustments with any price adjustment under clauses implementing the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute.

(4) The Contractor warrants that the prices in this contract do not include allowance for any contingency to cover increased costs for which adjustment is provided under this clause.

(5) A pay period under this clause may not be longer than semi-monthly, but may be shorter to comply with any applicable law or other requirement under this contract establishing a shorter pay period. Workers shall be paid no later than one pay period following the end of the regular pay period in which such wages were earned or accrued.

(6) The Contractor shall pay, unconditionally to each worker, all wages due free and clear without subsequent rebate or kickback. The Contractor may make deductions that reduce a worker's wages below the E.O. minimum wage rate only if done in accordance with 29 CFR 23.230, Deductions.

(7) The Contractor shall not discharge any part of its minimum wage obligation under this clause by furnishing fringe benefits or, with respect to workers whose wages are governed by the Service Contract Labor Standards statute, the cash equivalent thereof.

(8) Nothing in this clause shall excuse the Contractor from compliance with any applicable Federal or State prevailing wage law or any applicable law or municipal ordinance or any applicable contract establishing a minimum wage higher than the E.O. 14026 minimum wage. However, wage increases under such other laws or municipal ordinances are not subject to price adjustment under this subpart.

(9) The Contractor shall pay the E.O. minimum wage rate whenever it is higher than any applicable collective bargaining agreement(s) wage rate.

(10) The Contractor shall follow the policies and procedures in 29 CFR 23.240(b) and 23.280 for treatment of workers engaged in an occupation in which they customarily and regularly receive more than $30 a month in tips.

(c) (1) This clause applies to workers as defined in paragraph (a). As provided in that definition–
(i) Workers are covered regardless of the contractual relationship alleged to exist between the contractor or subcontractor and the worker;
(ii) Workers with disabilities whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(c) are covered; and

(iii) Workers who are registered in a bona fide apprenticeship program or training program registered with the Department of Labor's Employment and Training Administration, Office of Apprenticeship, or with a State Apprenticeship Agency recognized by the Office of Apprenticeship, are covered.

(2) This clause does not apply to–

(i) Contracts or subcontracts to which the States of Texas, Louisiana, or Mississippi, including their agencies, are a party;

(ii) Fair Labor Standards Act (FLSA)-covered individuals performing in connection with contracts covered by the E.O., i.e. those individuals who perform duties necessary to the performance of the contract, but who are not directly engaged in performing the specific work called for by the contract, and who spend less than 20 percent of their hours worked in a particular workweek performing in connection with such contracts;

(iii) Individuals exempted from the minimum wage requirements of the FLSA under 29 U.S.C. 213(a) and 214(a) and (b), unless otherwise covered by the Service Contract Labor Standards statute, or the Wage Rate Requirements (Construction) statute. These individuals include but are not limited to-

(A) Learners, apprentices, or messengers whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(a);

(B) Students whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(b); and

(C) Those employed in a bona fide executive, administrative, or professional capacity (29 U.S.C. 213(a)(1) and 29 CFR part 541).

(d) Notice. The Contractor shall notify all workers performing work on, or in connection with, this contract of the applicable E.O. minimum wage rate under this clause. With respect to workers covered by the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute, the Contractor may meet this requirement by posting, in a prominent and accessible place at the worksite, the applicable wage determination under those statutes. With respect to workers whose wages are governed by the FLSA, the Contractor shall post notice, utilizing the poster provided by the Administrator, which can be obtained at www.dol.gov/agencies/whd/government-contracts, in a prominent and accessible place at the worksite. Contractors that customarily post notices to workers electronically may post the notice electronically provided the electronic posting is displayed prominently on any Web site that is maintained by the contractor, whether external or internal, and customarily used for notices to workers about terms and conditions of employment.

(e) Payroll Records.

(1) The Contractor shall make and maintain records, for three years after completion of the work, containing the following information for each worker:

(i) Name, address, and social security number;

(ii) The worker's occupation(s) or classification(s);

(iii) The rate or rates of wages paid;

(iv) The number of daily and weekly hours worked by each worker; (v) Any deductions made; and

(vi) Total wages paid.

(2) The Contractor shall make records pursuant to paragraph (e)(1) of this clause available for inspection and transcription by authorized representatives of the Administrator. The Contractor shall also make such records available upon request of the Contracting Officer.

(3) The Contractor shall make a copy of the contract available, as applicable, for inspection or transcription by authorized representatives of the Administrator.

(4) Failure to comply with this paragraph (e) shall be a violation of 29 CFR 23.260 and this contract. Upon direction of the Administrator or upon the Contracting Officer's own action, payment shall be withheld until such time as the noncompliance is corrected.

(5) Nothing in this clause limits or otherwise modifies the Contractor's payroll and recordkeeping obligations, if any, under the Service Contract Labor Standards statute, the Wage Rate Requirements (Construction) statute, the Fair Labor Standards Act, or any other applicable law.

(f) Access. The Contractor shall permit authorized representatives of the Administrator to conduct investigations, including interviewing workers at the worksite during normal working hours.

(g) Withholding. The Contracting Officer, upon his or her own action or upon written request of the Administrator will withhold funds or cause funds to be withheld, from the Contractor under this or any other Federal contract with the same Contractor, sufficient to pay workers the full amount of wages required by this clause.

(h) Disputes. Department of Labor has set forth in 29 CFR 23.510, Disputes concerning contractor compliance, the procedures for resolving disputes concerning a contractor's compliance with Department of Labor regulations at 29 CFR part 23. Such disputes shall be resolved in accordance with those procedures and not the Disputes clause of this contract. These disputes include disputes between the Contractor (or any of its subcontractors) and the contracting agency, the Department of Labor, or the workers or their representatives.

(i) Antiretaliation. The Contractor shall not discharge or in any other manner discriminate against any worker because such worker has filed any complaint or instituted or caused to be instituted any proceeding under or related to compliance with the E.O. or this clause, or has testified or is about to testify in any such proceeding.

(j) Subcontractor compliance. The Contractor is responsible for subcontractor compliance with the requirements of this clause and may be held liable for unpaid wages due subcontractor workers.

(k) Subcontracts. The Contractor shall include the substance of this clause, including this paragraph (k) in all subcontracts, regardless of dollar value, that are subject to the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute, and are to be performed in whole or in part in the United States.

4. 52.252-6 Authorized Deviations in Clauses (Nov 2020)

(a) The use in this solicitation or contract of any Federal Acquisition Regulation (48 CFR Chapter 1) clause with an authorized deviation is indicated by the addition of "(DEVIATION)" after the date of the clause.

(b) The use in this solicitation or contract of any Department of the Interior Acquisition Regulation (48 CFR Chapter 1) clause with an authorized deviation is indicated by the addition of "(DEVIATION)" after the name of the regulation.

CONTRACT ADMINISTRATION DATA

1. Authorities and Delegations (Sep 2011)

(a) The Contracting Officer is the only individual authorized to enter into or terminate this contract, modify any term or condition of this contract, waive any requirement of this contract, or accept nonconforming work.

(b) The Contracting Officer will designate a Contracting Officer's Representative (COR) at time of award. The COR will be responsible for technical monitoring of the contractor's performance and deliveries. The COR will be appointed in writing, and a copy of the appointment will be furnished to the Contractor. Changes to this delegation will be made by written changes to the existing appointment or by issuance of a new appointment.

(c) The COR is not authorized to perform, formally or informally, any of the following actions:

(1) Promise, award, agree to award, or execute any contract, contract modification, or notice of intent that changes or may change this contract;

(2) Waive or agree to modification of the delivery schedule;
(3) Make any final decision on any contract matter subject to the Disputes Clause;
(4) Terminate, for any reason, the Contractor's right to proceed;
(5) Obligate in any way, the payment of money by the Government.

(d) The Contractor shall comply with the written or oral direction of the Contracting Officer or authorized representative(s) acting within the scope and authority of the appointment memorandum. The Contractor need not proceed with direction that it considers to have been issued without proper authority. The Contractor shall notify the Contracting Officer in writing, with as much detail as possible, when the COR has taken an action or has issued direction (written or oral) that the Contractor considers to exceed the COR's appointment, within 3 days of the occurrence. Unless otherwise provided in this contract, the Contractor assumes all costs, risks, liabilities, and consequences of performing any work it is directed to perform that falls within any of the categories defined in paragraph (c) prior to receipt of the Contracting Officer's response issued under paragraph (e) of this clause.

(e) The Contracting Officer shall respond in writing within 30 days to any notice made under paragraph (d) of this clause. A failure of the parties to agree upon the nature of a direction, or upon the contract action to be taken with respect thereto, shall be subject to the provisions of the Disputes clause of this contract.

(f) The Contractor shall provide copies of all correspondence to the Contracting Officer and the COR.

(g) Any action(s) taken by the Contractor, in response to any direction given by any person acting on behalf of the Government or any Government official other than the Contracting Officer or the COR acting within his or her appointment, shall be at the Contractor's risk.

2. Electronic Invoicing and Payment Requirements - Invoice Processing Platform (IPP) (Apr 2013)

Payment requests must be submitted electronically through the U.S. Department of the Treasury's Internet Payment Platform System (IPP).

"Payment request" means any request for contract financing payment or invoice payment by the Contractor. To constitute a proper invoice, the payment request must comply with the requirements identified in the applicable Prompt Payment clause included in the contract, or the clause 52.212-4 Contract Terms and Conditions-Commercial Items included in commercial item contracts. The IPP website address is: https://www.ipp.gov.

Under this contract, the following documents are required to be submitted as an attachment to the IPP invoice:

(1) Copy of Company Generated Invoice.

The Contractor must use the IPP website to register, access and use IPP for submitting requests for payment. The Contractor Government Business Point of Contact will receive enrollment instructions via email from the Federal Reserve Bank of Boston (FRBB) within 3 -5 business days of the contract award date. Contractor assistance with enrollment can be obtained by contacting the IPP Production Helpdesk via email ippgroup@bos.frb.org or phone (866) 973-3131.

If the Contractor is unable to comply with the requirement to use IPP for submitting invoices for payment, the Contractor must submit a waiver request in writing to the Contracting Officer with its proposal or quotation.

3. Local Internet Payment Platform (IPP) Hotline

To check payment status, contact the Payment Hotline at 877-480-9724 or 303-236-2850. You will need to leave a message with the following information:

1. Company Name
2. Contract Number
3. Invoice Number
4. Invoice Amount
5. A brief description of why you are calling
6. Your contact information

If you do not receive a callback from the Payment Hotline within 72 hours, please contact the Contract Officer with the day and time you contacted the Payment Hotline.

SPECIAL CONTRACT REQUIREMENTS

1. Simultaneous Performance

If a Contractor receives award of more than one contract, simultaneous performance will be required. All work must be completed within the time limit allowed for each contract.

2. Responsibility for Government Property

The Contractor assumes full responsibility for and shall compensate the Government for any and all loss or damages of whatsoever kind and nature to any and all Government property, including any equipment, supplies accessories or part furnished, while in his custody and care for storage, repairs or service to be performed under the terms of this contract, resulting in whole or in part from the negligent act or omissions of Contractor, any sub-Contractor or any employee agent or representative of Contractor or sub-Contractor.

SECTION 3: LIST OF DOCUMENTS, EXHIBITS AND OTHER ATTACHMENTS

Attachment 1 - Wage Determination

Service Contract Act Wage Determinations are applicable to this project. Current prevailing wage determination(s) at time of issuance of solicitation are included in this Section.

In the event the current prevailing Wage Determination is changed by the Department of Labor prior to the closing date of this solicitation it is the offeror's responsibility to insure the most recent determination is used in preparing the proposal. Should the wage rate change after closing, but prior to award, the updated Wage Determination will be incorporated by amendment and issued to all offerors submitting a proposal. If applicable, these offerors/contractors will be given an opportunity to provide revised proposals solely to amend proposals due to Wage Determination changes. If the wage determination modification does not change any affected wage rates then the provisions of FAR 22.1002-3 will apply.

Applicable wage rates can be found at https://sam.gov/

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors, applies to all contracts subject to the Service Contract Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017.

If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is the victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Note: Executive Order 13658 generally applies to contracts subject to the Service Contract Act that were awarded on or between January 1, 2015, and January 29, 2022, and that have not been renewed or extended on or after January 30, 2022. If a contract is subject to Executive Order 13658, the contractor must pay all covered workers at least $13.65 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract from May 11, 2026, through December 31, 2026. The applicable Executive Order minimum wage rate will be adjusted annually.

Additional information on contractor requirements and worker protections under Executive Order 13658 is available at www.dol.gov/whd/govcontracts.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: $5.92 per hour, up to 40 hours per week, or $236.80 per week or $1,026.13 per month

HEALTH & WELFARE EO 13706: $5.42 per hour, up to 40 hours per week, or $216.80 per week, or $939.46 per month*

*This rate is to be used only when compensating employees for performance on an SCA-covered contract also covered by EO 13706, Establishing Paid Sick Leave for Federal Contractors. A contractor may not receive credit toward its SCA obligations for any paid sick leave provided pursuant to EO 13706.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor, 3 weeks after 5 years, and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of eleven paid holidays per year: New Year's Day, Martin Luther King Jr.'s Birthday, Washington's Birthday, Memorial Day, Juneteenth National Independence Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: This wage determination does not apply to any individual employed in a bona fide executive, administrative, or professional capacity, as defined in 29 C.F.R. Part 541. (See 41 C.F.R. 6701(3)).

Because most Computer Systems Analysts and Computer Programmers who are paid at least $27.63 per hour (or at least $684 per week if paid on a salary or fee basis) likely qualify as exempt computer professionals under 29 U.S.C. 213(a)(1) and 29 U.S.C. 213(a)(17), this wage determination may not include wage rates for all occupations within those job families. In such instances, a conformance will be necessary if there are nonexempt employees in these job families working on the contract.

Job titles vary widely and change quickly in the computer industry, and are not determinative of whether an employee is an exempt computer professional. To be exempt, computer employees who satisfy the compensation requirements must also have a primary duty that consists of:

(1) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;

(2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;

(3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

Any computer employee who meets the applicable compensation requirements and the above duties test qualifies as an exempt computer professional under both section 13(a)(1) and section 13(a)(17) of the Fair Labor Standards Act. (Field Assistance Bulletin No. 2006-3 (Dec. 14, 2006)). Accordingly, this wage determination will not apply to any exempt computer employee regardless of which of these two exemptions is utilized.

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

** HAZARDOUS PAY DIFFERENTIAL **

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder. All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition.

These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

** UNIFORM ALLOWANCE **

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of $3.35 per week (or $.67 cents per day). However, in those instances where the uniforms furnished are made of """"wash and wear"""" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

** SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS **

The duties of employees under job titles listed are those described in the """"Service Contract Act Directory of Occupations"""", Fifth Edition (Revision 1), dated September 2015, unless otherwise indicated.

** REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE, Standard Form 1444 (SF-1444) **

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)).
Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract, a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).

2) After contract award, the contractor prepares a written report listing in order the proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.

3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the U.S. Department of Labor, Wage and Hour Division, for review (See 29 CFR 4.6(b)(2)(ii)).

4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request, the """"Service Contract Act Directory of Occupations""""" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1)).

SECTION 4: SOLICITATION PROVISIONS

1. 52.252-1 Solicitation Provisions Incorporated by Reference (Feb 1998)

This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. The offeror is cautioned that the listed provisions may include blocks that must be completed by the offeror and submitted with its quotation or offer. In lieu of submitting the full text of those provisions, the offeror may identify the provision by paragraph identifier and provide the appropriate information with its quotation or offer. 2. Usage Tax

Quotes and/or pricing must include all Federal, State usage, and local taxes

3. 52.204-90 Offeror Identification (Nov 2025)

If the Offeror will not have an active Federal Government contracts registration in the System for Award Management (https://www.sam.gov) when submitting its offer, it shall complete paragraphs (c) and (d) of this provision and include its responses with its offer.
(a) *Definitions*. As used in this provision—
Commercial and Government Entity (CAGE) code has the meaning provided in the clause at FAR 52.204-91, Contractor Identification, of this solicitation.
Common parent means that corporate entity that owns or controls an affiliated group of corporations that files its Federal income tax returns on a consolidated basis, and of which the offeror is a member.
Electronic Funds Transfer (EFT) indicator means a bank account identifier to establish additional System for Award Management records for identifying alternative EFT accounts (see part 32) for the same entity.
Highest-level owner means the entity that owns or controls an immediate owner of the offeror, or that owns or controls one or more entities that control an immediate owner of the offeror. No entity owns or exercises control of the highest-level owner.
Immediate owner means an entity, other than the offeror, that has direct control of the offeror. Indicators of control include, but are not limited to, one or more of the following: ownership or interlocking management, identity of interests among family members, shared facilities and equipment, and the common use of employees. There may be more than one immediate owner (e.g., joint ventures).
Predecessor means an entity whose assets were acquired by the offeror or another entity (most often through merger or acquisition) and whose affairs are now carried out by the offeror or the other entity under a new name.
Taxpayer Identification Number means the number required by the Internal Revenue Service (IRS) to be used by the offeror to report income tax and other returns. It may be either a Social Security Number or an Employer Identification Number.

Unique entity identifier (UEI) has the meaning provided in the clause at FAR 52.204-91, Contractor Identification, of this solicitation.
(b) *Unique entity identifier (UEI).* (1) The Offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation "Unique Entity Identifier" followed by the UEI that identifies the Offeror's name and address exactly as stated in the offer. The Offeror shall also enter its EFT indicator, if applicable. (2) If the Offeror does not have a UEI, it shall go to https://www.sam.gov to obtain one. The Government will independently validate the existence and uniqueness of the Offeror before assigning a UEI.
(c) *Taxpayer identification*. The Offeror shall provide with its offer the following information that is necessary to comply with debt collection requirements of 31 U.S.C. 7701(c) and 3325(d); reporting requirements of 26 U.S.C. 6041, 6041A, and 6050M; and the implementing IRS regulations:
(1) Taxpayer identification number (TIN)
□ TIN: _____;
□ TIN has been applied for; or
□ TIN is not required because:

□ Foreign government;
□ International organization per 26 CFR 1.6049-4; or
□ Other.
(3) *Common parent.*
□ Offeror is not owned or controlled by a common parent as defined in paragraph (a) of this provision; or
□ Name and TIN of common parent:
Name: _____
TIN: _____
(4) The TIN provided in paragraph (c)(1) of this provision may be matched with IRS records to verify the accuracy of the Offeror's TIN. The Government may use the TIN to collect and report on any delinquent amounts arising out of the Offeror's relationship with the Government (31 U.S.C. 7701(c)(3)).
(d) Commercial and Government Entity (CAGE) code.
(1) The Offeror shall provide its CAGE code with its offer with its name and location address or otherwise include it prominently in its offer. The CAGE code shall be for that name and location address. Insert the word "CAGE" before the code. The Offeror may obtain a CAGE code as indicated in the following table.

Predecessor*		

* Predecessor CAGE code may be marked "Unknown."
(3) If the Offeror has more than one immediate owner (such as a joint venture), give the information for each owner (or joint venture participant). If the Offeror has more than one predecessor, provide information for each predecessor in reverse chronological order.

4. 52.209-11 Representation by Corporations Regarding Delinquent Tax Liability or a Felony Conviction under any Federal Law (Nov 2025)

(a) The Government will not enter into a contract with any corporation that—

(1) Has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability, where the awarding agency is aware of the unpaid tax liability, unless an agency has considered suspension or debarment of the corporation and made a determination that suspension or debarment is not necessary to protect the interests of the Government; or
(2) Was convicted of a felony criminal violation under any Federal law within the preceding 24 months, where the awarding agency is aware of the conviction, unless an agency has considered suspension or debarment of the corporation and made a determination that this action is not necessary to protect the interests of the Government.

(b) The Offeror represents that–

(1) It is □ is not □ a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability; and

(2) It is □ is not □ a corporation that was convicted of a felony criminal violation under a Federal law within the preceding 24 months.

5. 52.212-2 Evaluation - Commercial Products and Commercial Services (Nov 2025)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

Technical Capability, Prior Experience and Past Performance, when combined, are significantly more important than Price.

The overall proposal shall consist of a completed Standard Form 1449, completed Bid Schedule, and a detailed work plan that demonstrates the capability to meet the technical aptitude of the Statement of Work.

Failure to provide required information may result in a non-responsive quote.

The Government will evaluate qualifications based on the extent to which the personnel meets or exceeds skills, experience, and/or education required in performing the specifications in the Performance Work Statement.

The Government will determine whether the Offeror consistently delivered quality services in a timely manner. Past performance will be assessed on the extent of client satisfaction, effectiveness in managing and directing resources, effectiveness in managing project time and performance schedules, reasonable and cooperative behavior, and quality of previous performance with clients.

Adequacy of offeror's demonstrated past performance in similar contracts or projects for federal agencies and/or private organizations in terms of price control, quality of work and compliance with performance schedules. Offeror shall identify agencies/firms for which similar supplies were provided within the past three (3) years. In addition to responses received the Government reserves the right to consider information obtained from any other sources when evaluating the offeror’s past performance.

(b) Options (if applicable). The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option(s).

(c) Notice of award. A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer’s specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

7. 52.252-5 Authorized Deviations in Provisions (Nov 2020)

(a) The use in this solicitation of any Federal Acquisition Regulation (48 CFR Chapter 1) provision with an authorized deviation is indicated by the addition of "(DEVIATION)" after the date of the provision.

(b) The use in this solicitation of any Department of the Interior Acquisition Regulation (48 CFR Chapter 1) provision with an authorized deviation is indicated by the addition of "(DEVIATION)" after the name of the regulation.
