DRAFT PERFORMANCE WORK STATEMENT (SOURCES SOUGHT)

DRAFT PERFORMANCE WORK STATEMENT (PWS)

1.0 GENERAL SCOPE OF WORK

2.0 The Contractor shall provide management consulting, technical expertise and support, and metrics analysis to (1)DoD acquisition workforce functional areas and the designated DON leads/teams for those areas and (2) the DON Office of the Director, Acquisition Talent Management (DATM). Furthermore, the Contractor will provide data analytics and consulting in support of the USD A&S Back-to-Basics (BtB) initiative – the first major reform of the defense acquisition workforce management and training framework since the early 1990's. BtB will be a significant restructuring of the members of the Navy and USMC Acquisition workforce and will require frequent engagement with Navy acquisition workforce leadership and community in support of implementation. A cornerstone of BtB is delegating decision making to the Services which then will require significant efforts to reshape and develop clear guidance in support of execution.

The Navy Director, Acquisition Talent Management (DATM) Office is committed to serving the DON AWF in meeting all goals, including building on the tenets put forward by the current ASN(RDA) to decentralize, differentiate, and digitize, and develop the workforce.

3.0 TASKS

3.1 Kick-Off Meeting

3.1.1 The Contractor shall conduct a kick-off meeting at either the Government's facility (Pentagon) or the Contractor's facility. The Government will notify the Contractor, and coordinate the date, time, and location, at least three (3) business days before the scheduled kick-off meeting.

3.1.2 The Contractor shall provide meeting read-aheads at least two (2) business days before the meeting and meeting minutes (including action items) within two (2) business days after the meeting.

3.1.3 The purpose of this meeting is to

- introduce key Government and Contractor personnel
- review PWS requirements, schedule, and deliverables to ensure understanding between all parties
- review the initial plan of approach
- provide answers to Contractor questions
- address contractual or administrative items

3.2 Program Reviews

3.2.1 The Contractor shall conduct Program Reviews when requested by the Government or the Contractor, at either the Government's facility (Pentagon) or the Contractor's facility. The Government will notify the Contractor, and coordinate the date, time, and location, at least ten (10) business days before the scheduled Program Review. Capability should be established to conduct virtual meetings, and the expected frequency is twice per year.

3.2.2 The Contractor shall provide meeting read-aheads at least two (2) business days before the meeting and meeting minutes (including action items) within two (2) business days after the meeting.

3.2.3 The purpose of program review meetings is to provide an overview of work progress, task status, cost/schedule variances, and existing issues or potential risks.

3.3 Functional Area National Lead Support

3.3.1 The Contractor shall support the DoD acquisition workforce Functional Area leads and teams along with the career fields/knowledge areas. Engagement with Senior Executive Service leaders along

with the working groups will include data analytics, coaching, facilitation, whitepaper research, AWF health metrics, organizational management assessments, and special studies.

3.3.2 The Contractor shall

3.3.2.1 provide meeting facilitation for topics related to the AWF, assisting with strategic communications at the National Lead level as well as the SYSCOMS

3.3.2.2 conduct eDACM MIS data analysis to describe AWF demographics, including but not limited to number of AWF members by career field and career path, location by BSO/UIC, Occupational series and Military designation, highest certification levels achieved, position certification level required, and diversity

3.3.2.3 provide organizational analysis across Navy to include but not limited to PEOs and SYSCOMs

3.3.2.4 provide analysis on the Naval Acquisition Development Program, including Master Development Plan content, program length, cost, and attrition

3.3.2.5 support Navy's transition of the OSD Back to Basics framework to explore career field certification requirements, credential demand signal and identify opportunities for improvement.

3.3.2.6 produce workforce trends analysis

3.3.2.7 assist the Navy's Functional Area working groups with updating "ASN RD&A war room materials" as requested

3.3.2.8 provide support to Functional Area working group meetings to assist in facilitation, materials, capture, tracking and coordination of actions

3.3.2.9 Assist National Leads in updating training guides for the workforce based on the Back to Basics framework

3.4 Director, Acquisition Talent Management (DATM) Support

3.4.1 The Contractor shall provide consulting services in DON AWF to the DATM office in the form of coaching, facilitation, whitepaper research, organizational talent management concepts and processes, AWF health metrics, organizational management, quarterly newsletter articles and special studies.

3.4.2 The Contractor shall

3.4.2.1 provide meeting facilitation for topics related to the AWF, white papers as requested

3.4.2.2 provide consultation on special topics related to the AWF in support of the Acquisition Career Council

3.4.2.3 provide support for quarterly AWF metrics (e.g., CF profiles, SYSCOM profiles, Know Your Numbers), provide data set evaluation support

3.4.2.4 attend Acquisition Career Council (ACC) meetings and provide an event summary with minutes and action items within two (2) business days after the event. These meetings bring together DAWIA program executives and program directors from across the DON to discuss issues facing the AWF and are anticipated quarterly

3.4.2.5 assist with reviewing impacted Navy policy from Back to Basics changes and congressional legislation and providing subject matter expertise on workforce impacts

3.4.2.6 analyze SECNAV/RDA priorities and provide subject matter expertise on a revised AWF strategic plan in support of SECNAV/RDA direction and guidance.

3.5 Government Furnished Information

3.5.1 To promote various data analytic tasks in 3.4, the following GFI will be provided quarterly from the eDACM MIS

- "AWF PERS-POS" excel data file via DoD Safe or equivalent
- "AWF RECODES REPORT" excel file via DoD Safe or equivalent
- eDACM MIS accounts and the scripts needed to produce
    - the "AWF GAINS AND LOSSES" reports for each career field/functional area

- the “INTL Training Completions” report

4.0 PERSONNEL REQUIREMENTS

Performance of this requirement will require at a minimum the use of the following personnel Labor Categories: Program Manager, Senior Facilitator/Policy Analyst, and Data Analyst.
