BASIS FOR AWARD

The Government will award a contract in accordance with FAR Part 13 resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered.

The proposals will be evaluated using a **Best Value Trade-Off** source selection process. This allows the Government to reserve the right to make an award to other than the low-priced quoter if another superior technical submission, or a submission indicating a reduced performance risk, justifies the decision.

To determine the awardee, the Government will perform a comparative evaluation of the services quoted. The Government will compare quotes to one another to select the service that best benefits the Government by fulfilling the requirement. The evaluation of Government requirements outlined in this request for quote will determine suitability.

The following factors shall be used to evaluate offers:

Technical Capability, Volume I –
Price, Volume II –

All evaluation factors other than cost or price, when combined are approximately equal to cost or price.

DISCUSSIONS: The Government intends to award without discussions but reserves the right to conduct discussion should it be deemed in the Government's best interest.

The following factors shall be used to evaluate offers:

1. **Technical Capability:** Technical capability is defined as an offeror's ability to satisfy the solicitation's requirements, providing the highest quality service to the specified facilities
   a. Offerors must demonstrate a thorough understanding of the requirement and demonstrate the ability to meet the objectives outlined in the SOW in terms of necessary personnel, material, resources, and other supplies/services that may be required to perform the work.
   b. Describe proposed plan for performance of services, including the methods used to satisfy all elements described in the Statement of Work.

2. **Price** The Government will perform a price analysis to ensure a fair and reasonable price. Examples of such techniques include but are not limited to the following:
   a. Comparison of quoted prices received in response to this solicitation;
   b. Comparison of proposed prices with prices obtained through market research or historical pricing for the same or similar services/items.

A Firm-Fixed Price contract will be awarded to the responsible offeror whose offer fully conforms to this solicitation and is determined to be the most advantageous, considering price and other factors. The Government intends to evaluate offers and award a contract without discussions with Offerors. Therefore, the Offeror's initial offer should contain the Offeror's best terms. However, the Government reserves the right to conduct discussions, if necessary. The Government may reject any or all offers if such action is in the public interest, accept other than the lowest offer, and waive informalities and minor irregularities in offers received.

The full text of FAR provisions or clauses may be accessed electronically at acquisition.gov.

The following solicitation provisions apply to this acquisition:

1. **FAR 52.212-1, Instructions to Offerors—Commercial Products and Commercial Services (Aug 2025) (Deviation 25-21)**

INVOICE INSTRUCTIONS

You will submit proper invoices associated with this award through the Invoice Processing Platform (IPP) at https://www.ipp.gov/. IPP is a secure web-based electronic invoicing system provided by the U.S. Department of the Treasury's Bureau of the Fiscal Service in partnership with the Federal Reserve Bank of St. Louis (FRSTL). IPP is available at no cost to any commercial vendor or independent contractor doing business with a participating government agency.

Actions to take:

If you are already enrolled in IPP:

If your company is already registered to use IPP, you will not be required to re-register and you do not need to contact IPP.

If you are **NOT** already enrolled in IPP:

The point of contact you provided in your SAM.gov registration will receive two emails from ipp.noreply@mail.eroc.twai.gov. Please note that emails from this email address may filter into your spam or junk folder:

1. The first email will have the IPP Logon ID and a link to the IPP application.

2. A second email, which will be sent within 24 hours of the first email, contains a temporary password.

Once your contact receives these emails, please ensure they log into IPP and complete the registration process.

Once registered to use IPP, your company may submit invoices electronically, receive e-mail notifications when requests are paid, view payment history, and access remittance downloads. The e-mail notification of payment is sent when a payment is distributed to your bank account and may include the following payment information: Date of payment, dollar amount, invoice number, paying agency, payee name, and ACH trace number.

Vendor training materials, including a first time login tutorial, are available on the https://www.ipp.gov/ website. Once you have logged in to the IPP application, you will have access to user guides that provide step-by-step instructions for all IPP capabilities, ranging from creating and submitting an invoice to setting up email notifications. Live webinars are held monthly and provide a great opportunity to learn the basic of the system and to call in and ask the IPP team questions about the IPP application.

IPP Customer Support is available to assist users of the system and can answer your questions related to accessing IPP or completing the registration process.
