PERFORMANCE WORK STATEMENT – SCOPE OF WORK
U.S. COAST GUARD STATION CAPE DISAPPOINTMENT

SECTION 1 – GENERAL INFORMATION

1.1 Scope of Work

The Contractor shall provide all direct, indirect labor, transportation, supervision, materials, equipment, disposal costs, all incidental and related work and service necessary to collect and dispose of solid waste as specified herein. The services shall be performed at the U.S. Coast Guard Station Cape Disappointment which are described in the Scope of Work. One key POC, although subject to change, for this contract is: BMC Brian Fuller; email: Brian.R. Fuller @uscg.mil.

1.1.1 Place of Performance

USCG Station Cape Disappointment
322 Coast Guard Rd
Ilwaco, WA 98624
(360) 642-2382

1.2 Contractor Personnel

1.2.1 Contract Manager

The contractor must provide a contract manager who must be responsible for the performance of the work.

1.2.1.1 The contract manager or alternate(s) must have full authority to act for the contractor on all contract matters relating to daily operation of this contract

1.2.1.2 The contact manager and alternate or alternates must be able to read, write, speak, and understand the English language.

1.2.2 Contractor employees

The contractor must not employ persons for work on this contract if such employee is considered by the contracting officer to be a potential threat to the health, safety, security, general well-being, or operational mission of the installation and its population.

1.2.2.1 Contactor personnel must present a neat appearance and be easily recognized as contractor employees.

1.2.2.2 The contractor must not employ any person who is an employee of the U. S. Government if employing that person would create a conflict of interest. Additionally, the contractor must not employ any person who is an employee of the U. S. Coast Guard unless such person seeks and receives approval according to U. S. Coast Guard regulations.

1.2.3 Security requirements

Due to heightened Security at USCG Facilities, all contractor employees performing tasks related to this SOW, while onboard a Coast Guard facility, shall have proper valid identification. Time spent undergoing entrance to USCG facilities will not be considered a government delay of work or differing site condition.

1.3 Hours of Operation – Projected Date of Completion

The contractor must perform the tasks as required by the SOW under this contract during the following hours: Monday through Friday between 08:00am and 3:00pm unless other time is specified.

1.3.1 Holidays: If applicable.

1.3.2 Special event, or adjusted work hours: If circumstances should arise wherein the contractor desires a different work schedule as required in section 1.3 above, the contractor must request the same in writing. Submit written request

to the Contracting Point of Contact (POC) a minimum of 24 hours before the requested adjusted work schedule. If the desired schedule change is to be effective on a Monday, the request must be submitted to the (POC) prior to 9:00am on the Friday prior to commencement of work.

1.4 Invoicing
In conjunction with the subject award, proper invoices will be submitted through the Invoice Processing Platform (IPP) at https://www.ipp.gov/. IPP is a secure web-based electronic invoicing system provided by the U.S. Department of the Treasury's Bureau of the Fiscal Service in partnership with the Federal Reserve Bank of St. Louis (FRSTL). IPP is available at no cost to any commercial vendor or independent contractor doing business with a participating government agency.

Actions to take:
If you are already enrolled in IPP**:**
If your company is already registered to use IPP, you will not be required to re-register and you do not need to contact IPP.

If you are NOT already enrolled in IPP:
The point of contact you provided in your SAM.gov registration will receive two emails from ipp.noreply@mail.eroc.twai.gov. Please note that emails from this email address may filter into your spam or junk folder:

1. The first email will have the IPP Logon ID and a link to the IPP application.

2. A second email, which will be sent within 24 hours of the first email, contains a temporary password.

Once your contact receives these emails, please ensure they log into IPP and complete the registration process.

Once registered to use IPP, your company may submit invoices electronically, receive e-mail notifications when requests are paid, view payment history, and access remittance downloads. The e-mail notification of payment is sent when a payment is distributed to your bank account and may include the following payment information: Date of payment, dollar amount, invoice number, paying agency, payee name, and ACH trace number.

Vendor training materials, including a first time login tutorial, are available on the https://www.ipp.gov/ website. Once you have logged in to the IPP application, you will have access to user guides that provide step-by-step instructions for all IPP capabilities, ranging from creating and submitting an invoice to setting up email notifications. Live webinars are held monthly and provide a great opportunity to learn the basic of the system and to call in and ask the IPP team questions about the IPP application.

IPP Customer Support is available to assist users of the system and can answer your questions related to accessing IPP or completing the registration process.
- Toll-free number: 866-973-3131
- Email address: IPPCustomerSupport@fiscal.treasury.gov
- Hours of operation: Monday through Friday (excluding bank holidays) from 8:00 am - 6:00 pm ET

SECTION 2 – DEFINITIONS

2.1 General Definitions
When the (SOW), solicitation provision or contract clause uses a word or term that is defined in the Federal Acquisition Regulations (FAR), the word or term has the same meaning as the definition as contained in section 2.101 of the FAR. The FAR index is available via the Internet at http://www.acqnet.gov at the end of the FAR, after the FAR Appendix.

2.1.1 Defective Service: A service or commodity output that does not meet the standard of performance requirement specified in the contract for that service or commodity.

2.1.2 Quality Assurance: A planned and systematic pattern of all government actions necessary to provide confidence that adequate technical requirements are established; products and services conform to established technical

requirements; and satisfactory performance is achieved. Quality assurance refers to actions by the government assurance functions for a contracted service.

2.1.2 Quality Control: Those actions taken by a contractor to control the production of outputs to ensure that they conform to the contract requirements.

2.1.3 Technical Definitions: Not applicable to contract.
