(f) Any order issued during the ordering period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's ordering period; *provided*, that the Contractor shall not be required to make any deliveries under this contract after 30 June 2033.

Tax on Certain Foreign Procurements-Notice and Representation (Feb 2026) (Deviation 2026-O0038)

(a) Definitions. As used in this provision-

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area of the United States.

United States person as defined in 26 U.S.C. 7701(a)(30) means

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

(4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and

(5) Any trust if-

(i) A court within the United States is able to exercise primary supervision over the administration of the trust; and

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror may claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service (IRS) Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that

(1) It [ ] is [ ] is not a foreign person; and

(2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that-I am claiming on the IRS Form W-14 [ ] a full exemption, or [ ] partial or no exemption [Offeror must select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then-

(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the IRS as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to https://www.irs.gov/help/tax-law-questions.

(a) Quoters are required to meet all solicitation requirements, including, but not limited to: terms and conditions, representations and certifications, and technical requirements, in addition to those identified as evaluation factors or subfactors. Failure to meet a requirement may result in a quote being ineligible for award. Non- conformance with the instructions provided in this solicitation may result in an unfavorable quote evaluation and/or removal from consideration.

(b) Quote preparation and submission: Quotes shall consist of three parts: experience, price and past performance. Each part shall be submitted in separate documents and labeled.

(1) Part 1- Experience
The quoter shall submit a project narrative (not to exceed 5 pages) demonstrating their experience in performing relevant flooring services. However, an entity whose experience is submitted must be proposed to perform a meaningful portion of the painting requirement; experience will not be credited based solely on an affiliate relationship or an unsupported intent to team. Attachment 4 must contain active, accurate contact information (email addresses and phone numbers) for each reference. Section M - Evaluation Factors for Award

ADDENDUM TO RFO 52.212-2 EVALUATION OF QUOTES

(a) The Government will award a contract resulting from this solicitation to the responsible quoter whose conforming quote represents the Lowest Priced, Technically Acceptable (LPTA) solution. Interchanges may be held with all, some, or none of the vendors. The following factors shall be used to evaluate offers:

Factor 1: Experience

The Government will evaluate the quoter's experience to determine if the firm possesses the minimum experience necessary to perform the requirement. To receive an Acceptable rating, the quoter must demonstrate they have successfully completed a minimum of 3 contracts of similar scope, magnitude, and complexity for interior flooring within the last four (4) years. In evaluating experience, the Government may consider the experience of the quoter, proposed joint-venture members, proposed subcontractors, and proposed affiliates, provided the quoter demonstrates through binding documentation that the entity will have meaningful involvement in performance of thee requirement. The Government will not credit experience based solely on an affiliate relationship or an unsupported teaming agreement.

Factor 2: Total Evaluated Price (TEP)

Price analysis will be performed to determine the reasonableness of the price quote. Reasonableness will be based on the total evaluated price. The total evaluated price will be calculated as the sum of all 5 years of pricing plus a 6-month extension.

Analysis of the quote will be performed using one or more of the techniques defined in RFO 15.404-1(b) in order to determine price reasonableness. Reasonableness must represent a price to the Government a prudent person would pay in the conduct of competitive business. Normally, price reasonableness is established through adequate price competition but may also be determined through cost and price analysis techniques.

Factor 3: Past Performance

The quoter's past performance will be evaluated utilizing the list of references (Attachment 4) provided by the quoter, interviews conducted with those references, the Contracting Officer's knowledge of and previous experience with the work being acquired, and any other reasonable basis needed to determine past performance.

Rating	Description
Acceptable	Based on the quoter's performance record, the Government has a reasonable expectation that the quoter will successfully perform the required effort
Unacceptable	Based on the quoter's performance record, the Government does not have a reasonable expectation that the quoters will be able to successfully perform the required effort.

Evaluation steps:

- Step 1: Evaluate all quotations for conformance to the solicitation instructions and evaluate Factor 1 (Experience) on an Acceptable/Unacceptable basis. Quotes receiving an Unacceptable rating for Experience are disqualified.
- Step 2: Rank all remaining quotes based on the vendor's Total Evaluated Price (TEP), from lowest to highest.
- Step 3: Evaluate Factor 3 (Past Performance) of the lowest-priced quote. If rated Acceptable, and the price is determined to be fair and reasonable, make the award. If rated Unacceptable, move to the next lowest-priced quote and repeat this step until an award is made.

Evaluation-Commercial Products and Commercial Services (Feb 2026) (Deviation 2026-O0038)

(a) Evaluation factors. The Government will award a contract resulting from this solicitation to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors will be used to evaluate offers:

[Insert evaluation factors in the relative order of importance. For requests for proposals, state: Evaluation factors other than price when combined are [significantly more important than price/approximately equal to price/significantly less important] than price. For invitations for bids, list only price and price-related factors.]

Experience

Total Evaluated Price

Past Performance

(b) *Options.* The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. The evaluation of options does not obligate the Government to exercise the option.

(c) *Notice of award.* A written notice of award or acceptance of an offer furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.
